Campus Crime Report 2006-2007

One of the missions of University of the West is to create and maintain a safe and secure environment in which effective learning can take place. As a Title IV institution UWest must produce and distribute an annual report containing crime statistics and statements of security policies, pursuant to 20 United States Code section 1092(f), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The following information is provided to meet the requirements of the Act and has been prepared by

using the information obtained by the UWest Student Services department as well as combined statistics supplied by the Los Angeles Police Department.

CAMPUS CRIME STATISTICS

This report contains categories of crime statistics for the campus and certain non-campus properties which have been reported to local police and campus security authorities for the most recent three calendar years. It is combined statistics from UWest's General Services Department, Student Services Department and the Los Angeles Police Department and includes on-campus, non-campus, and public property adjacent to the university's facilities. This report is distributed to current students and employees by a direct e-mail message stating where the report is posted on the college's Internet web site. Individuals may also request a paper copy of this report from the Office of Student Services or the Registrar's Office.
