

UNIVERSITY OF THE WEST

ESL and Exchange Student Population

Number of ESL and Exchange students that have
matriculated as degree-seeking.

Office of Institutional Research and Assessment

8/21/2014

This report contains information pertaining to enrollment, student composition, and the percentage of ESL and Exchange students that are now pursuing a degree in a degree applicable program at UWest.

AY year	Enrollment Headcount		Matriculated in a degree program	
	# Exchange Students	# ESL Students	% Exchange Students	% ESL Students
2012-2013	54	26	7%	35%
2011-2012	25	15	16%	40%
2010-2011	18	17	33%	41%
2009-2010		7		29%
2008-2009		27		0%
2007-2008		46		9%
2006-2007		27		7%

Enrollment # includes all Exchange and ESL students that were enrolled during the given academic year (May 31st – June 1st). Matriculated in a degree program showcases the percentage of Exchange and ESL students that have matriculated as a degree-seeking student.

Exchange Students

Top 3 universities and countries of origin (Exchange students)

University	N	% of population	N Enrolled in degree program	
			N	%
Fo Guang University	21	22%	3	14%
Shanghai Business School	19	20%	4	21%
National Taitung University	14	14%	2	14%
Total:	97		9	9%

Country of Origin	N	% of population	N Enrolled in degree program	
			N	%
China	19	20%	4	21%
Republic of Korea	20	21%	2	10%
Taiwan	57	59%	7	12%
Total:	97		13	13%

N represents the total number of Exchange students, either by university or country of origin, since fall 2010. Fo Guang University has sent over the most exchange students, however, Shanghai Business School has the highest percentage of students matriculating as degree-seeking. Taiwan has contributed the most students since 2010; however, a higher percentage of Chinese students have matriculated as degree-seeking.

ESL Student Population

ESL Student Success Rate: ESL students in degree-seeking programs

AY	<u>Enrolled</u>	<u>Graduated</u>	<u>Graduation Rate</u>
2012-2013	9	8	89%
2011-2012	6	5	83%
2010-2011	7	4	57%
2009-2010	2	0	0%
2008-2009	n/a	n/a	n/a
2007-2008	4	2	50%
2006-2007	2	1	50%
Total:	30	20	67%

ESL Student Success Rate: ESL students by degree program

	<u>Enrolled</u>	<u>Graduated</u>	<u>Graduation Rate</u>
BABUS	3	2	67%
BAPSYCH	1	0	0%
BAENGL	n/a	n/a	n/a
BAGS	1	1	100%
MBA	12	7	58%
MAREL	3	3	100%
MAPSYCH	3	1	33%
MDIV	4	4	100%
PhD in REL	3	2	67%
Total:	30	20	67%

The number of ESL students matriculating as degree-seeking students has increased since 2006. In addition, the success rate, measured by graduation rates, of ESL students matriculating as a degree-seeking student has increased in unison. What we are seeing is that more ESL students are matriculating as degree-seeking at UWest, and a vast majority of them (nearly 100%) are graduating.

Most ESL students tend to matriculate as MBA majors; however, the graduation rate is a meager 58%.
