University of the West has made every effort to ensure the information in this catalog and other published materials is accurate. University of the West reserves the right to change policies, tuition, fees, and other information in this catalog, with prior approval from the WASC Senior College and University Commission (WSCUC) where applicable. University of the West strives to inform students and stakeholders of changes in a timely fashion, but reserves the right to make changes without notice.

University of the West is a private, non-profit, WSCUC-accredited campus founded by and affiliated with the Taiwan-based Buddhist order of Fo Guang Shan. The University of the West name, abstract lotus logo, and calligraphic logo are copyrighted to the university. Additional information is available at our website, www.uwest.edu.

University of the West does not discriminate on the basis of sex, gender, age, race, color, religion, status as a veteran, physical disability, sexual orientation, gender identity, and/or national and ethnic origin in its educational programs, student activities, employment, or admission policies, in the administration of its scholarship and loan programs, or in any other school-administered programs. This policy complies with requirements of the Internal Revenue Service Procedure 321-1, Title VI of the Civil Rights Act, and Title IX of the 1972 Educational Amendments as amended and enforced by the Department of Health and Human Services.

President’s Message

This year marks the twenty-fifth anniversary of the founding of University of the West. Throughout the 2016-2017 academic year we shall celebrate our achievements with a number of interesting campus events and activities. We hope you will join us as we mark this important milestone.

University of the West was founded by Venerable Master Hsing Yun with a vision of providing a campus where students from the East and the West could come together to study their chosen academic disciplines in an environment guided by Buddhist wisdom and values. Today those values are defined by the concepts of Character, Compassion and Community.

Students in our UWest learning community have many opportunities, inside and outside the classroom, to develop the personal values that will build their reputations as people of character and to strengthen the sense of compassion that fuels their respect for others. As people of character and compassion, they learn the value of working with others to be successful in their careers and to work together to make the world a better place.

At UWest our talented faculty members challenge our students to grow intellectually, to communicate more effectively, to think critically and creatively, and to develop a love for learning that will last a lifetime.

We invite you to join us as we celebrate our Silver Anniversary and continue to fulfill the vision of our founder.

President

</table>
University of the West was founded in 1991 and is celebrating its 25th anniversary as an innovative university dedicated to educating, inspiring, and preparing students to meet the challenges of an increasingly complex and globally interdependent world. Today the free exchange of ideas and traditions across cultures is no longer restricted by national borders but advanced through international collaboration, cooperation, and community. Situated at the center of this cultural and intellectual exchange, UWest integrates liberal arts traditions with a global perspective to provide a comprehensive student-centered educational experience.

UWest is deeply committed to the interaction of diverse cultures and international perspectives. Students and faculty come together as a community of scholars participating in an ongoing dialogue to advance knowledge and address societal and cultural issues. UWest especially promotes education and understanding across the cultures of East and West.

While at UWest students acquire knowledge and skills to prepare them for success after college. Beyond this, the UWest experience challenges them to become responsible and ethical global citizens. Students also enjoy rich and diverse opportunities for spiritual growth.

UWest is a private, nonprofit, non-sectarian, co-educational university offering undergraduate, graduate, certificate, and continuing education programs consistent with the educational mission of California higher education degree-granting institutions. It has been accredited by WASC Senior College and University Commission (WSCUC) since February 16, 2006. Organized under the Nonprofit Public Benefit Corporation Law of the State of California, UWest is not conducted for the private gain of any individual or institution.
Mission & Values
The mission of University of the West is to provide a whole-person education in a context informed by Buddhist wisdom and values, and to facilitate cultural understanding and appreciation between East and West.

In the proud tradition of our founder, Venerable Master Hsing Yun, University of the West values Character, Compassion, and Community.

Belonging to a university community founded on Humanistic Buddhist principles means:
BECOMING people of strong character who behave ethically, cultivate awareness of self and others, and develop wisdom.
PRACTICING compassion and working with others to relieve suffering and promote equality.
BUILDING a sustainable community by embracing diversity and achieving harmony through common purpose.

University of the West is committed to graduating students with the knowledge and skills necessary to achieve their educational, professional, personal, and spiritual goals and to perpetuate these values as the cornerstones in creating a better world – Character, Compassion, and Community.

Institutional Learning Outcomes
To put the mission into action, the university community created three institutional learning outcomes.

Know
Students integrate broad knowledge from across multiple academic disciplines, fields, and topics, demonstrate deep knowledge of their chosen profession or field of study, and apply their understanding of multicultural perspectives and practices.

Be
Students embody a love of learning and articulate a personal mission based on an explicit values system that integrates a community identity with an ongoing cultivation of personal development.

Do
Students demonstrate mastery of core academic competencies, the ability to apply creatively the methods and practices of their chosen profession or field of study, and exemplify personal, professional, and social ethics.
The Founder

UWest was founded by Venerable Master Hsing Yun in 1990. Born in Jiangdu, Jiangsu Province, China in 1927, Venerable Master Hsing Yun, a widely respected advocate of Humanistic Buddhism, is also the founder of the Fo Guang Shan (Buddha’s Light Mountain) Buddhist order, one of the largest Buddhist organizations in the world. The Venerable Master went to Taiwan in 1949 and established the Fo Guang Shan Buddhist order there in 1967. It now has over 200 branch temples and associated centers throughout the world.

The humanistic projects of Fo Guang Shan include a children’s home, free medical clinics, a senior citizens’ home, prison ministries, disaster relief, and various other forms of community service. Fo Guang Shan also administers and sustains various cultural and educational endeavors including nursery schools, high schools, libraries, museums, colleges, and universities.

In 1962, Venerable Master Hsing Yun established the Tsung Ling Buddhist College at Fo Guang Shan, and subsequently developed fifteen other Buddhist colleges for the study of the Buddhist dharma and the education and development of monks and nuns. A related activity was the establishment of the Buddha’s Light International Association (BLIA) in 1992. This laity-based educational and service organization now has over 130 chapters with several million members in over 60 countries. The establishment of post-secondary educational institutions combining Buddhist theory and practices with formal academic studies has been a lifelong commitment of Venerable Master Hsing Yun.

After much planning and preparation, three such universities were founded. The first was University of the West in Los Angeles County, USA, which opened its doors as Hsi Lai University in the spring of 1991. Nanhua University in Jiayi, Taiwan began instruction in 1996, and Fo Guang University in Ilan, Taiwan opened in 1999. In Australia, Nan Tien Institute was founded in 2001 and received accreditation from the Australian government to offer graduate degrees in Applied Buddhist Studies in 2009. All four universities combine Buddhist teaching and practice with academic disciplines and grant a variety of degrees from the bachelor’s level through the PhD. Guang Ming College is the newest member of the Fo Guang Shan family. Located in the Philippines, it focuses on performing arts and Buddhist studies. All member institutions are associated with and connected to an extensive network of temple-sponsored research centers, where scholars from many countries engage in research projects.

In North America, Venerable Master Hsing Yun founded Hsi Lai Temple in 1978 in Hacienda Heights, California. After ten years of preparation, the temple officially opened its doors to the public in 1988. Hsi Lai Temple is situated on 15 acres and includes ten major buildings, including the main shrine, library, auditorium, convention hall, exhibition hall, Buddhist art museum, memorial pagoda, and dining hall. Hsi Lai Temple is designed in the tradition of Chinese palatial architecture and is the most expansive Buddhist temple and monastic center in the Western hemisphere.
UWest began offering courses in the classrooms of Hsi Lai Temple in 1991 and moved to its current location in Rosemead in 1996. The university continues to maintain close ties with Hsi Lai Temple. The temple has a regular schedule of ceremonies, chanting services, festivals, lectures, and meditation programs that welcome UWest students. Hsi Lai Temple provides students the opportunity to participate in Buddhist practice and to observe the discipline and values of monastic life. Students are also encouraged to experience Buddhist religious life by joining in temple celebrations and ceremonies.

Venerable Master Hsing Yun served as the president of UWest from its inception to the end of 1997. Since 1998, he has encouraged and supported the WSCUC accreditation process, successfully completed on February 16, 2006. The Venerable Master continues his work in fundraising for the university and attends some of its important ceremonies and international conferences. He is the founding member and chair emeritus of the Board of Trustees. Day-to-day administrative and academic functions are entrusted to the university president.
History of the University

UWest was incorporated as “Hsi Lai University” in 1990 by Venerable Master Hsing Yun and opened its doors in spring 1991. The university is a pioneering effort among Chinese and American Buddhists to establish a Buddhist-affiliated university dedicated to providing a quality education based on American standards and traditions.

In the summer of 1996 the university moved to the City of Rosemead, where it has become an independent institution of higher learning based on the model of a US university. It is situated on an attractive and peaceful campus with seven spacious buildings to accommodate the needs of the university, the students, and the wider community it serves.

Hsi (West) Lai (to come), the original name of the University, is a designation for the transmission of Buddhist teaching (“Buddhadharma”) to the West. The current name, University of the West, was adopted in April 2004. For the past several decades, the West has witnessed a rising interest in Buddhism. The university has responded to this interest by providing advanced education in Buddhist thought and practice and by preparing Buddhists for leadership in the West. The Digital Sanskrit Buddhist Canon Project and the Center for the Study of Minority and Small Business have also been established to further this mission.

Today, while continuing to fill a need in the Buddhist community, UWest serves students from all walks of life with its range of programs in Buddhist studies, comparative religion, chaplaincy, business, psychology, English, and general studies.
Governance

Governance of the university lies in the hands of its Board of Trustees. The trustees select the president, oversee faculty and senior administrative appointments, monitor the budget, supervise the endowment, and protect university property. The Board of Trustees meets quarterly and has a diverse membership that includes trustees with expertise in finance, strategic planning, law, academics, administration, and Buddhist values and learning. All members are highly committed to the success and continued growth of UWest.

The university administration manages day-to-day operations of UWest. This cadre of experienced executives, working with the accomplished faculty and staff, daily puts UWest’s mission into action in curriculum, classroom, and campus community.

Accreditation

UWest was accredited by WASC Senior College and University Commission (WSCUC) on February 16, 2006. Accreditation assures that the quality of education students receive is on par with peer institutions in the region. WSCUC is the regional accrediting body for all major colleges and universities in California, Oregon, Washington, and Hawaii, including the University of California and California State University systems. Information about WSCUC is available at www.wasc senior.org. Information about UWest’s accreditation process is available at www.uwest.edu. UWest is eligible to participate in US Federal Student Aid (Title IV) programs and is approved for Veterans Administration benefits.
Research Projects

UWest faculty sponsor and participate in a variety of short- and long-term research projects. Students have the opportunity to participate in many of these exciting projects. Two long-standing projects are detailed below.

- **Digital Sanskrit Buddhist Canon Project (DSBCP)**
  
  Program Director: Dr. Miroj Shakya, Assistant Professor and Assistant Chair of Religious Studies
  
  University of the West is engaged in a ground-breaking project to gather, digitize and distribute the original Sanskrit scriptures of the Buddhist faith. Although Buddhism disappeared from its Indian homeland about eight centuries ago, many of its sacred texts are still preserved in Nepal. Since 2013, with the collaboration of Kathmandu’s Nagarjuna Institute, these texts are again being brought to the world. The Digital Sanskrit Buddhist Canon (DSBC) is an ambitious project to preserve the original intellectual and spiritual heritage of Buddhism through digitization and organization of these texts into a complete and comprehensive Sanskrit Buddhist Canon that may be freely accessed online.

  Within Indian Buddhism, there are at least 600 Mahayana Buddhist literary compositions (sutras) that have survived in the languages of Sanskrit, Chinese or Tibetan. A near-complete Mahayana Buddhist Canon has survived in Chinese, but all of these translated texts were originally revealed in a Sankskrit language. This Mahayana Buddhist Canon, recognised as a vaipulyapitaka in South Asia, contains texts that provide invaluable insight into major early Buddhist traditions. Some texts were transmitted in a language classified as Buddhist Hybrid Sanskrit, while other texts use classical Sanskrit, both of which are no longer spoken. The project’s scope encompasses both languages, preserving this rich cultural and linguistic heritage.

  Sanskrit is a very important language with which to comprehend the canon of Buddhism, as several schools of Buddhism derive their authority from Sanskrit texts. Mahayana Buddhist traditions in places such as China, Taiwan, Japan, Korea, Tibet, Bhutan, India, and Nepal were founded on translations of original Sanskrit texts, and Sanskrit texts are also important in Tantric Buddhist traditions. When there is a question about meaning, interpretation, or authenticity in regards to Buddhist texts in translation, these issues often can be resolved only by consulting the original Sanskrit texts.

  The DSBC project has already digitized over 500 texts (about 42056 pages) and these texts are being widely used around the world. An additional 20 texts are scheduled for digitization this year. Currently over 350 scriptures are freely offered on the DSBC project’s website at http://www.dsbcproject.org/. The collection will continue grow as the digitized texts are reviewed and uploaded to the Canon.

- **Center for the Study of Minority and Small Business (CSMSB)**
  
  Director: Professor Meskerem Tadesse, Business Administration Faculty
  
  CSMSB links UWest with the minority and small business community, providing regular seminars, lectures, conferences, business counseling, and an annual publication. It educates local minority and small businesses on current business realities and changing governmental regulations. CSMSB issues an annual journal, the Minority and Small Business Review, which provides relevant information and practical education as well as information about upcoming events and programs. Members of the community are welcome to contribute ideas, feedback, support, and involvement.
Academic Cooperation with Other Universities

UWest has developed cooperative agreements with universities and institutes of higher education and research in China, India, Korea, Nepal, Taiwan, and the United States. These include two major consortium agreements, which allow students registered at UWest to also enroll in courses at other institutions in the consortium, as well as several general cooperation agreements.

Fo Guang Shan Universities Consortium Agreement

UWest is proud to be a member of the consortium universities of the Fo Guang Shan System. This consortium comprises five universities located in four countries. The consortium allows member universities to integrate available resources and facilitate the sharing of academic research. In addition, students enrolled in one consortium university have the opportunity to apply to study and earn credits toward their degree at other schools in the system.

University of the West
Founded 1991

Fo Guang University
Founded 1999

- Bayan Claremont, Claremont, California

Collaborative Cross-Registration

University of the West has partnered with fellow institutions in Southern California to foster academic excellence in the study of religion and religious traditions. These institutions share a number of important common interests and goals. Particularly important are the shared core values. Students at each institution have the opportunity, upon approval, to enroll in courses at other member institutions. See the chair of the Religious Studies department for more information.
Cooperation Agreements & Other Relationships
UWest maintains cooperation agreements with the following:

China
- Beijing Geely University
- East China Jiaotong University
- Hebei Foreign Language Professional College
- Nanchang Institute of Technology
- Nanchang University
- Nanjing Normal University
- Nanjing University
- Nanjing Xiaozhuang University
- Shanghai Bangde Vocational Technical College
- Shanghai Business School
- Shanghai Institute of Technology
- Southwest University for Nationalities
- Wenzhou University
- Wuhan International Trade University
- Wuhan Media and Communications College of Huangzhong Normal University
- Yangzhou Polytechnic College

Korea
- Dongguk University, Gyeongju
- Dongguk University, Seoul
- Geumgang University
- Gumi University
- Hankyong National University
- Honam University
- Uiduk University

Taiwan
- Asia University
- De Lin Institute of Technology
- Fooyin University
- I-Shou University
- National Kaohsiung First University of Science and Technology
- National Pingtung Institute of Commerce
- National Pingtung University of Science and Technology

- National Taiwan Ocean University
- National Taiwan Sport University
- Ta Hwa Institute of Technology
- Taipei Municipal Educational University
- Transworld University of Science and Technology
- Wenzao Ursuline University of Languages

United States
- Mt. Sierra College
- Pacific International College
UWest maintains cooperation agreements with the following public schools:

China
- Huaxia Traditional Chinese Culture School
- Middle School attached to Nanchang University
- Shenzhen Chinese School

UWest maintains ongoing relationships, though no formal agreements, with the following schools:

China
- Jiangxi Institute of Education
- Jiangxi University of Finance and Economics

India
- Department of Buddhist Studies, University of Delhi
- Mahabodhi International Meditation Centre
- School of Management Studies, Bangalore University

Korea
- Gyeongsang University
- Kyonggi University
- Kyungsung University
- Silla University

Singapore
- Buddhist College of Singapore
- Nanyang Technology University
- National University of Singapore

Vietnam
- Buddhahood Sangha College
- Vietnam Buddhist University
Around Campus

Rosmead Campus & San Gabriel Valley

UWest’s spacious and tranquil ten-acre campus is located on a hill with a panoramic view of the San Gabriel Valley and the San Gabriel Mountains. Nearby Whittier Narrows is a large regional park with recreation fields, walking and jogging trails, lakes, golf, and other activities. Southern California offers many opportunities for outside adventures including hiking, biking, camping, swimming, surfing, skiing, and more. The campus is located approximately 30 minutes from downtown Los Angeles and the cultural resources of that great city. Beach cities such as Santa Monica, Venice Beach, Newport Beach, and Malibu are all within driving distance of the campus.

The campus is located in the city of Rosemead. The surrounding community offers a thriving economy with many restaurants, shopping areas, and entertainment opportunities in a culturally diverse environment. On-campus housing is available and convenient, especially for those students coming from out of state or other countries. Finding a residence off campus is also an option, as off-campus housing is abundant. More information regarding housing both on and off campus is available from the Office of Residential Life.
Campus facilities include a bookstore and café, two main administrative and educational buildings, the university library, auditorium, student recreation center, dining hall, and residence halls. The campus also features study rooms, a success center for tutoring, career counseling, lecture and seminar classrooms, smart technology classrooms, a wellness center, investment lab, and computer labs. Recreational facilities include a swimming pool, spa, basketball court, gym, lounges, game room, fountain courtyard and other open areas for recreation and relaxation.

Prospective students and visitors are welcome to visit the campus. Parking is free in all lots on campus. The Office of Enrollment is open for walk-in inquiries Monday through Friday from 9:00 am to 5:00 pm and is happy to offer campus tours by appointment. Campus security includes an all-night security guard who makes regular rounds and monitors cars coming on and off campus. UWest serves as a disaster relief site for the surrounding community in the event of earthquake, fire, or other natural disaster.
Learning Community

Building upon its tradition of vibrant community, UWest is proud to introduce Self & Community, its first formal learning community designed for first-time undergraduates in support of its whole-person, character-based approach to teaching and learning. Designed to bridge sociocultural worlds for first-term college students, Self & Community joins academic resources with those of student and residence life. Faculty, advisors, and mentors help students develop resilience and trust in themselves, respond effectively to uncertainty, access knowledge inherent in their family and cultural experience, and realize educational goals. Through involvement with high impact curricular and co-curricular activities, students are provided advisement and resources to balance their academic lives.

This linking of curricula, support services, and residence life deepens friendships and a sense of belonging to the campus, values essential to student success. While UWest’s faculty and staff give individual attention to students’ intellectual growth and meaningful community engagement, students consider multiple paths to success as part of their personal development missions. In this two-year cohort, students participate in four unique interdisciplinary courses linked by theme, pedagogy, reflection, and common questions of inquiry that culminate in a gateway course featuring service learning. Students learn with, from, and on behalf of one another as part of a shared educational experience.

UWest’s learning community culture offers students multiple pathways for personal growth by participating in campus customs, traditions, and social activities that support learning. The resulting growth in identity associated with a rich cultural experience enables students to achieve sustained improvements in critical thinking and writing, essential skills that serve students long after graduation from UWest. Being educated in this whole-person context allows students to create new stories by which to understand themselves and the world. Students explore questions of character development, authenticity, and self-cultivation, such as “Who am I?” and “How can I live a good life?” The UWest learning and living community guides and challenges students to develop a personal philosophy and related resources, equipping them to identify problems, make effective decisions, and live creatively and ethically.
Graduate Culture at UWest

UWest offers a vital intellectual and social culture intended to support graduate students with their classroom work and research, as well as enhance professional and personal development. Graduate culture at UWest forms a community of the mind and heart that is knowledge based and relationship rich. This creative and intellectual culture is rooted in a dynamic network of exchanges among faculty, students, and invited scholars in the field. Faculty members serve as advisors, mentors, and sponsors who offer essential information and experiences, provide resources, model academic/professional behavior, and leverage connections within their academic fields in the forms of internships and field placements.

Chaplaincy students provide weekly meditation instruction for staff and patients and their families at the Children’s Hospital of Los Angeles. Business Administration students provide pro bono tax preparation service to the community through the IRS VITA program. Students also participate in research conferences held at UWest, such as the International Conference on Pacific Rim Management. The Psychology Department relies upon a cohort model to foster trust, cohesion, and cooperation in which its students are acculturated to graduate studies, Western graduate practice and standards, and the profession of MFT; the students then demonstrate their UWest character and therapeutic skills in supervised clinical practice at community agencies. PhD students in Religious Studies have the opportunity to enroll in a teaching practicum that can lead to teaching undergraduate courses as training for a career in higher education. Seminars dedicated to dissertation writing for doctoral students and informal workshops on PhD preparation for MA students in Religious Studies provide supportive structures for student well-being and success. This is just a sampling of the rich graduate culture that informs a UWest graduate education.

UWest graduate students generate innovative ideas, professional passion, and creative scholarship resulting from ongoing engagements with the field and interdisciplinary issues. As a result of numerous cultural opportunities that enrich students’ academic knowledge and offer real-life experience in professional settings, graduate students at UWest are well prepared to face a rapidly changing world in ways that result in personal satisfaction, professional advancement, and responsible global citizenship.
Religious Life & Practice

UWest is a Buddhist-affiliated university with a mission to provide a whole-person education in a context informed by Buddhist wisdom and values. While religious life and spiritual practice are important aspects of the whole-person education offered by UWest, the university does not mandate any specific religious courses, programs, or worship. UWest welcomes people of any religion, creed, or worldview. As a result, UWest students, faculty, and staff represent a wide variety of faiths, including those with no religious or faith affiliation.

Students are encouraged to combine moral and religious practice with their academic studies as a foundation for intellectual and spiritual well-being. Many opportunities and resources for religious practice are available both at the Rosemead campus and at Hsi Lai Temple. The meditation center on campus is open to faculty, staff, and students. Several student-led groups help shape religious life on campus, including the Chaplaincy Club and the UWest Contemplative Council. These groups hold meditation events, interfaith, ecumenical Buddhist and traditional Buddhist services, ceremonies, rituals, talks, academic lectures, exhibitions, and charity and service opportunities on a regular basis. Student groups also frequently visit local religious sites such as churches, synagogues, mosques, Buddhist retreat centers and monasteries, and Buddhist, Jain, and Hindu temples.

Hsi Lai Temple is a functioning monastery and part of a Buddhist monastic community (Fo Guang Shan) with temples and centers worldwide. The temple is a magnet for religious leaders from around the world. Their visits provide students with an opportunity to benefit from teachings otherwise inaccessible. Because the connection between university and temple includes the presence of monastics and exchange students from other parts of the world, students are provided with a rich opportunity for friendships and cross-cultural exchange as well as academic and religious instruction. The UWest campus welcomes monastics and clergy from different Buddhist traditions and other faiths. Opportunities are ample for students of the university to become immersed in Buddhist thought and practice through programs at the temple, including participation in short-term monastic retreats for lay persons, meditation classes, Humanistic Buddhism workshops, Buddhist chanting, community service, and similar activities.

UWest also partners with other local religiously affiliated schools, such as Claremont School of Theology, to offer interfaith programming and events such as Buddhist-Christian dialogue, interfaith musical celebrations, visiting lecturers, and shared holiday services.
Bookstore & Café

The Bookstore and Café, located in the fountain courtyard, offers a selection of textbooks, study guides, and general books, as well as UWest merchandise. Students can also purchase stationery and toiletries. The café serves Starbucks coffee, smoothies, tea, juice, and delicious snacks. Students are welcome to relax indoors or on the covered patio between classes.

Campus Safety

UWest takes the safety of the campus community very seriously. The university subscribes to the “community policing” model, which means that students, staff, and faculty are asked to help with campus safety and security issues.

Any member of the community who has concerns about their own safety or that of others should promptly report this to campus authorities. Reportable issues may range from facility maintenance issues to criminal activity on campus. A community member who observes a building and facility issue such as a broken door or leaking faucet should notify the General Services Department or any staff member.

Criminal activity on campus is rare, and UWest would like to keep it that way. A student who observes a potentially dangerous situation should immediately notify any member of the staff or faculty. In a case of imminent danger or when a life-threatening injury has occurred, a student should call 911 without delay.

| Campus Security (24 hours a day, 7 days a week) 213.798.5482 (direct line) Extension 333 (on campus) campus.safety@uwest.edu |
| Rosemead Sheriff’s Department (business number) 626.285.7171 |
| General Services Department (facility issues) 626.571.8811 ext. 170 |
| Emergency (police, fire, EMT) 911 |

The Campus Receptionist, located in the main lobby, is on duty Monday through Friday during business hours and can access all departments as needed. Residential Life staff and Campus Security are available around the clock when other offices are closed.
Library

University of the West’s Library is located on the 1st floor of the Education building. The library provides the university community with facilities and resources for research and study, holding approximately 80,000 physical items on site and over 17,000 full-text journals online.

The library holds items in many areas of study, such as religious studies, psychology, business, general education, and language. At the heart of the library’s collection are its volumes of works focused on religious studies, with an emphasis on Buddhism. This includes 20 sets of sutras (Buddhist scriptures) in various languages such as Chinese, English, Pali, and Sanskrit. The library participates in interlibrary lending and borrowing, sharing UWest’s specialized collection with academic institutions worldwide while providing interlibrary loans and document deliveries for UWest students, faculty, and staff.

The library website connects students to the library catalog, academic databases, online resources, and research tutorials. The library catalog is part of WorldCat, the largest bibliographic database in the world. It is able to provide access to local resources and search for items held by libraries worldwide. Students also have access to various academic databases, including collections from JSTOR, ProQuest, and EBSCO. The website and its resources are available 24/7, on campus and remotely, providing ease of access and convenience for all students.

Computer stations, study rooms, printers, scanners, and copiers round out the list of library services available to students.

More information is available on UWest’s library website at lib.uwest.edu.
Technology Resources

During New Student Orientation, each student is provided with a user name and password enabling wireless internet access campus-wide, a dedicated .edu email account for all school use, and an individual account to access the internet from the computer laboratory and library workstations. This account information is renewed automatically each semester that the student is enrolled.

The university network and internet access is a valuable resource shared by students, faculty, and staff and is primarily intended for academic use. University computers in the library and computer labs are provided for academic research and class assignments only.

Students connecting to the university’s system through personal devices or on university equipment must comply with UWest’s published Information Technology and Bandwidth Utilization policies at all times. Any abuse of internet privileges may result in the temporary loss of privileges. Using the network or equipment for non-university business or for any unauthorized or illegal purpose is strictly prohibited.

Students may visit the IT department, located on the second floor of the Education building, with any IT-related questions and for assistance in setting up email and internet access.
Student Activities

A range of activities that enhance learning as well as physical and mental well-being are available to students outside the classroom. These co-curricular activities include lectures, concerts, seminars, non-credit classes, religious celebrations, observances, and dharma classes at Hsi Lai Temple, and more. Recreational facilities are available for students, staff, and faculty, including a swimming pool, spa, basketball court, gym, and game rooms.

The university regularly hosts community-wide events, inviting students, staff, and faculty to join together in celebration of holidays such as New Year’s Day, Chinese New Year, Moon Festival, Halloween, Dia de los Muertos, Thanksgiving Day, and Christmas. Additional student activities are organized by the Office of Student Life, student-led clubs, and the UWest Student Government (UWSG), including social gatherings, recitals and rehearsals, hiking, travel and sightseeing in the local area, temple and monastery visits, meditation events and dharma talks, interfaith religious services, exercise and fitness activities, cooking lessons and groups, games and competitions, picnics, lectures, student forums, study groups, and many other activities and events. There is always something to do at UWest.
Student Government

University of the West Student Government (UWSG) is the official UWest student governing body and is an incorporated 501(c)(7) nonprofit organization in the State of California. UWSG includes all students currently enrolled in UWest classes who have paid the mandatory UWSG fee.

The fee is used to support the activities and events of the UWSG and sponsored student clubs (see below). The UWSG is not an official department or branch of University of the West. Its opinions and activities are its own, and its relationship with UWest is governed by a memorandum of understanding.

Leaders for the UWSG are elected once a year from the student body and include Officers, Senators, and Delegates. These leaders oversee the daily operations of UWSG, plan special events, and represent the student voice to the university administration. UWSG encourages all students to become involved in UWSG affairs and operations by attending the regular assembly meetings. UWSG operates on an open-consensus model, meaning any student can bring forth any issue at any time and decisions are made by consensus. Information about UWSG is available at www.uwsa.net.

UWSG is pleased to provide a student advocate to any student upon request. Advocates are senior students familiar with university policy and procedure who can help fellow students when questions, issues, problems, or grievances arise. Students should contact the UWSG Vice President or other officer for further information.

Student Clubs

Student clubs provide students with a variety of opportunities for exploring their academic, professional, social, cultural, recreational, spiritual, and community services interests. Recognized student clubs are administered by the UWest Student Government (UWSG). Currently enrolled students who share a common goal or interest may form a club by submitting the necessary forms and agreeing to follow the guidelines established by UWSG.

Through participation in clubs, students not only have a great time but also develop interpersonal, organizational, and leadership skills in a challenging yet supportive environment. Information about active student clubs, forms, instructions on how to create a new student club, and information on club funding are available at www.uwsa.net.

UWSG Student Lounge

Students are encouraged to visit the UWSG Student Lounge, located on the ground floor of the dining hall. Outfitted with comfortable couches and chairs, the lounge is a quiet refuge where students can read, relax, or meet up with friends.
University of the West offers a diverse and inclusive learning community and welcomes applications from all individuals. Students are admitted based on their academic achievement and potential. The university does not discriminate based upon race, ethnicity, gender, sexual orientation, faith, religion, political views, disability, veteran status, or any other classification.

Application forms are available from the Office of Admissions and may also be downloaded at www.uwest.edu. Prospective students needing assistance with the application process should contact the Enrollment Office. Applicants must provide accurate and complete information on the application for admission. Incomplete applications will not be reviewed for admission. Failure to provide authentic application information and documents may result in denial of admission. All material submitted with the application is entered into the applicant’s file and cannot be returned to the applicant for any reason. Applications and supporting documents from applicants who do not enroll are securely maintained for a period of two years, after which they are shredded.

International applicants should review the International Students section of this catalog. Contacting the Office of Admissions for detailed admission requirements will help applicants avoid processing delays. Application requirements are also available online at www.uwest.edu.
Completed applications for admission should be submitted to the Admissions Office no later than the deadlines indicated below. Deadline extensions may be requested from the Enrollment Office. The application and application fee are valid only for the semester indicated on the application form.

An applicant may defer admission one time by notifying the Office of Admissions in writing four weeks before the semester indicated on the application begins. In this case, the original application and application fee will be applied to the next period of enrollment. In all other cases, a new application and application fee will be required.

Applications received after the deadline may result in a delay in the admission decision for the intended term. More information is available from the Office of Admissions.

Completed applications and supporting documents should be mailed to:

### Transferring to UWest

UWest welcomes transfer students. Students wishing to transfer to UWest should be in good standing at their current institution. Students studying on an F-1 visa should see the international student office at their current institution to initiate the transfer of their I-20 to UWest.

UWest is happy to accept applicable credit from previous college experience. Transfer credit policies are detailed in the Records and Registration section of this catalog.
Admissions Requirements

Undergraduate Admission Requirements

Admission to the university is selective. All qualified applicants will be reviewed for admission. However, admission to the university is not guaranteed. To be considered for admission, applicants to the Bachelor of Arts and undergraduate-level certificate programs must submit official proof of graduation from high school or successful completion of its equivalent (e.g., GED), with a cumulative grade point average of 2.0 or higher. Applicants with a cumulative grade point average of 2.0 to 2.29 may be granted admission on a personalized academic plan to ensure successful transition to UWest.

Students who have not graduated from high school or completed its equivalent may be considered for admission if they have completed a minimum of 24 units of substantive degree-applicable coursework with a cumulative grade point average of 2.0 or higher (on a 4.0 scale) at an accredited or state-approved college or university.

Applicants must submit an official sealed transcript from each school, college, and university attended. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

Submit the following to the Office of Admissions:

1. Application fee: $50 Domestic Application
   $100 International Application;
2. Completed and signed Application for Admission;
3. 400- to 500-word original personal essay answering the question: "What skills and attitudes do you believe are necessary for a successful life?" This essay must be the applicant’s own work.
4. Official high school transcript showing proof of graduation or the equivalent;
5. Official transcripts from all colleges and universities previously attended (if any);
6. Copies of degrees/ diplomas earned (if any);
7. Two (2) letters of recommendation from academic sources, community leaders, employers, clergy (personal recommendations from friends and family are not appropriate);
8. Copy of legal photo identification (e.g. driver license, state ID, passport), Social Security card, and Permanent Resident card, if applicable.

All instruction at University of the West is in English. Therefore, verification of English proficiency is required for applicants whose prior education was in a language other than English. TOEFL and IELTS requirements are found in the International Students section of this catalog.

Application requirements are also available online at www.uwest.edu. International applicants should review the International Students section of this catalog to avoid processing delays. The Office of Admissions is available to answer any questions.
Graduate Admission Requirements

To be considered for admission, applicants to graduate degree and certificate programs must submit official proof of completion of a bachelor’s degree from an accredited or state-approved college or a comparable non-US institution of higher learning with a minimum cumulative grade point average as follows:

<table>
<thead>
<tr>
<th>Program</th>
<th>Minimum GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBA</td>
<td>2.50</td>
</tr>
<tr>
<td>MA Religious Studies</td>
<td>3.00</td>
</tr>
<tr>
<td>MA Psychology</td>
<td>3.00</td>
</tr>
<tr>
<td>MDiv Buddhist Chaplaincy</td>
<td>3.00</td>
</tr>
<tr>
<td>DBMin Buddhist Ministry</td>
<td>3.00</td>
</tr>
<tr>
<td>PhD Religious Studies</td>
<td>3.00</td>
</tr>
</tbody>
</table>

Admission to graduate programs is selective and criteria for admission are program-specific. All qualified applicants will be reviewed for admission. However, admission is not guaranteed even if university and program-specific requirements are met.

All applicants should submit the following items to the Office of Admissions. Program-specific admission requirements follow the general list below.

1. Application fee: $50 Domestic Application  
   $100 International Application;
2. Completed and signed Application for Admission;
3. 500- to 600-word original Statement of Purpose. This statement must be the applicant’s own work;
4. Official transcripts from all colleges and universities previously attended;
5. Copies of all degrees/diplomas earned;
6. Three (3) letters of recommendation from academic sources, community leaders, employers, clergy (personal recommendations from friends and family are not appropriate);
7. Copy of a legal photo identification (e.g. driver license, state ID, passport), Social Security card and Permanent Resident card, if applicable.

All instruction at University of the West is in English. Therefore, verification of English proficiency is required for applicants whose prior education was in a language other than English. TOEFL and IELTS requirements are found in the International Students section of this catalog.

Application requirements are also available online at www.uwest.edu. International applicants should review the International Students section of this catalog to avoid processing delays. The Office of Admissions is available to answer any questions.
### Program-Specific Requirements

#### Buddhist Chaplaincy

<table>
<thead>
<tr>
<th>Program</th>
<th>Statement of Purpose:</th>
<th>Interview:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Master of Divinity</td>
<td>The statement should describe how enrollment in UWest’s MDiv program will further the applicant’s personal goals and aspirations, achievements, and educational and career objectives.</td>
<td>Applicants should be prepared for a telephone or in-person interview, which may be required at the discretion of the chair. A campus visit is strongly recommended.</td>
</tr>
<tr>
<td>Doctor of Buddhist Ministry</td>
<td>The statement should describe how enrollment in UWest’s DBMin program will further the applicant’s personal goals and aspirations, achievements, and educational and career objectives.</td>
<td></td>
</tr>
</tbody>
</table>

**Prior degree requirement:** Applicants should hold a Master of Divinity degree or master’s degree in a related field. However, applicants with a master’s degree in an unrelated discipline may be considered if they have significant relevant experience.

**Prior experience:** One year of CPE Residency is highly recommended. Applicants who lack residency experience must meet one of the following:

- 1 unit of Clinical Pastoral Care (CPE); provide evaluation letter from CPE supervisor assessing written communication and emotional and spiritual development
- three years ministerial/temple work following completion of master’s degree

**Letters of Recommendation:** Four letters are required, including

- two letters from academic sources such as advisor, dean, chair
- one letter from peer such as dharma brother or sister
- one letter from pastoral supervisor or master

Letters must address communication skills, spiritual practice, precept practice, community service.

**Interview:** An interview is required, either by telephone or in person.

#### Business Administration

</table>
Religious Studies

Master of Arts

Prior degree requirement: Graduates with traditional bachelor’s degrees and graduates of recognized Buddhist colleges are eligible to apply to the Master of Arts in Religious Studies.

Doctor of Philosophy

Prior degree requirement: Applicants must have a master’s degree in Religious Studies, Theology, Chaplaincy, Philosophy, or the equivalent. If this criterion is not met, the student cannot be admitted into the PhD program, but may be eligible to apply to the MA program.

Statement of Purpose: The statement should address the applicant’s proposed area of research, his or her academic preparation to engage in such research, and the ways in which the program will further the applicant’s scholarly and professional goals.

Letters of Recommendation: At least two of the letters of recommendation must be from qualified scholars at recognized educational institutions.

Thesis: A copy of the student’s MA thesis, if applicable.

Admission to English as a Second Language (ESL) Program

Applicants to the English as a Second Language (ESL) Program must provide proof of graduation from a US high school or the equivalent. Applicants who have not graduated from high school must be 18 years of age or older and may be considered for admission to the program on a case-by-case basis.

1. Application fee: $50 Domestic Application
   $100 International Application;
2. Completed and signed ESL Application for Admission;
3. Official transcripts from highest degree earned. If none, high school transcript is required;
4. Copy of high school diploma or the highest degree attained.

International students who will be attending on an F-1 visa must also submit:

5. Certification of Financial Resources form with an official bank verification if self-sponsored
   OR completed Financial Sponsor Agreement with sponsor’s official bank verification if not self-sponsored;
6. Copy of passport photo page;
7. Copy of current visa (if applicable).

International students who are transferring from another US college or university must also submit:

8. Copy of most recent form I-20;
9. F-1 Status Verification form;
10. Transfer Release form (after admission).
Open Enrollment Admission

Open Enrollment is open to all learners. Applicants must be 18 years of age or provide official proof of high school graduation. Admission to Open Enrollment does not constitute admission to the university.

Application for admission to Open Enrollment requires submission of the following:

1. A completed and signed Open Enrollment Application Form;
2. Copy of a legal photo identification (i.e. driver’s license, state ID, passport) and Social Security card;
3. Official high school transcript or the equivalent if under 18.

Readmission

Students who have not enrolled for two or more consecutive semesters (not including the summer session) must apply for readmission through the Office of Admissions. Submit the following:

1. Application for Readmission Fee:
   - $50 Domestic Students
   - $100 International Students
2. Completed and signed Application for Readmission;
3. Statement explaining the reason for break in enrollment;
4. Official transcripts for any coursework completed at another institution while not in attendance at UWest;
5. Other documents as requested.

Students who are readmitted must meet the admission and program requirements in effect at the time of readmission. Coursework completed at UWest more than four years prior to the time of readmission must be reviewed by the department chair for applicability to current degree requirements.

Students seeking readmission after an administrative or academic dismissal must obtain the Dean of Student Affairs’ approval. These students should contact the Registrar’s Office for assistance.
International Students

The International Student Services Office (ISS) assists international applicants and students with all issues related to their status as F-1 visa holders in the United States. ISS provides and maintains I-20 records in the SEVIS system; helps students with Curricular Practical Training (CPT) and Optional Practical Training (OPT) applications; prepares documentation for travel purposes as well as for a variety of agencies such as Department of Homeland Security, Department of Motor Vehicles, and Social Security Administration; and advises students on maintaining legal status. ISS also collaborates with colleagues campus-wide to enhance cross-cultural communication and appreciation among students, faculty, and staff.

Over the course of their studies at UWest, F-1 students build a relationship with their international student advisor. The advisor guides them through all stages of their enrollment, from admission through graduation and practical training. International students should make it a habit to check in with the International Student Advisor/Designated School Official (DSO) at least once per semester.
International Student Admission

UWest welcomes international students to all programs. International students comprise a significant population on campus and include those who hold temporary non-immigrant visas. International students must meet some specific admission requirements in addition to those listed under Admissions in this catalog. Verification of both English proficiency and adequate financial resources is required. Specific guidelines are listed below.

All academic records submitted must be in English. Official translations and verifications must be provided. Evaluation by a recognized evaluation service may be required to determine the equivalence of foreign credentials.

International students are required to submit current evidence of sufficient funds to cover the living and education expenses on a full-time basis for one academic year (nine months); ESL applicants must show sufficient funds for one semester (four months). If the student is financially sponsored by a third party, the sponsor must complete the “Financial Sponsor Agreement Form” and attach the sponsor’s bank verification. Required funding levels are listed in full on the UWest Application for Admission and the ESL Fees and Financial Certification form. Both forms may be downloaded from the Admissions page at www.uwest.edu or may be requested from the Office of Admissions.

All financial documents in any language other than English must be translated by a certified translator.

Admission to UWest is selective. All qualified applicants will be reviewed for admission. However, admission to the university is not guaranteed.

F-1 students transferring to UWest should be in good standing at their current institution. Those currently studying on an F-1 visa should see the international student office at their current institution to initiate the transfer of their I-20 to UWest.

Deadlines for Applications

The following deadlines for application apply to all domestic and international (F-1) applicants:

Admission Requirements for English as a Second Language (ESL) Program

Applicants to the English as a Second Language (ESL) Program must provide proof of graduation from a US high school or the equivalent. Applicants who have not graduated from high school must be 18 years of age or older and may be considered for admission to the program on a case-by-case basis.

Submit the following to the Office of Admissions:

1. Application fee: $100 international student application;
2. Completed and signed ESL Application for Admission;
3. Official transcripts from highest degree earned. If none, high school transcript is required;
4. Copy of high school diploma or the highest degree attained;
5. Certification of Financial Resources form with an official bank verification if self-sponsored OR completed Financial Sponsor Agreement with sponsor’s official bank verification if not self-sponsored;
6. Copy of Passport photo page;
7. Copy of current visa (if applicable).

International students who are transferring from another US college or university must also submit:

8. Copy of most recent form I-20;
9. F1 Status Verification form;
10. Transfer Release form (after admission).
Admission Requirements for Undergraduate Programs

Admission to UWest is selective. All qualified applicants will be reviewed for admission. However, admission to the university is not guaranteed. To be considered for admission, applicants to the Bachelor of Arts and undergraduate-level certificate programs must submit official proof of graduation from high school or successful completion of the equivalent (e.g., GED), with a cumulative grade point average of 2.0 or higher. Applicants with a cumulative grade point average of 2.0 to 2.29 may be granted admission on a personalized academic plan to ensure successful transition to UWest.

Students who have not graduated from high school or completed its equivalent may be considered for admission if they have completed a minimum of 24 units of substantive degree-applicable coursework with a cumulative grade point average of 2.0 or higher (on a 4.0 scale) at an accredited or state-approved college or university.

Applicants must submit an official sealed transcript from each school, college, and university attended. UWest may allow an applicant to submit original certified copies of official academic records from non-US institutions in special situations.

Submit the following to the Office of Admissions:

1. Application fee: $100 international student application;
2. Completed and signed Application for Admission;
3. 400- to 500-word original personal essay answering the question: “What skills and attitudes do you believe are necessary for a successful life?” This essay must be the applicant’s own work.
4. Official high school transcript showing proof of graduation or the equivalent;
5. Official transcripts from all colleges and universities previously attended (if any);
6. Copies of degrees/diplomas earned (if any);
7. Two (2) letters of recommendation from academic sources, community leaders, employers, clergy (personal recommendations from friends and family are not appropriate);
8. Copy of passport photo page;
9. Copy of current visa (if applicable);
10. Official TOEFL or IELTS Score Report;

Students who are transferring from another US college or university must also submit:

12. Copy of most recent form I-20;
13. F1 Status Verification form;
Admission Requirements to Graduate Programs

To be considered for admission, applicants to graduate degree and certificate programs must submit official proof of completion of a bachelor’s degree from an accredited or state-approved college or a comparable non-US institution of higher learning with a minimum cumulative grade point average as follows:

<table>
<thead>
<tr>
<th>Program</th>
<th>Minimum GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBA</td>
<td>2.50</td>
</tr>
<tr>
<td>MA Religious Studies</td>
<td>3.00</td>
</tr>
<tr>
<td>MA Psychology</td>
<td>3.00</td>
</tr>
<tr>
<td>MDiv Buddhist Chaplaincy</td>
<td>3.00</td>
</tr>
<tr>
<td>DBMin Buddhist Ministry</td>
<td>3.00</td>
</tr>
<tr>
<td>PhD Religious Studies</td>
<td>3.00</td>
</tr>
</tbody>
</table>

Admission to graduate programs is selective and criteria for admission are program-specific. All qualified applicants will be reviewed for admission. However, admission is not guaranteed.

All applicants should submit the following items to the Office of Admissions. Program-specific admission requirements follow the general list below.

1. Application fee: $100 International student application;
2. Completed and signed Application for Admission;
3. 500- to 600-word original Statement of Purpose. This statement must be the applicant’s own work;
4. Official transcripts from all colleges and universities previously attended;
5. Copies of all degrees/diplomas earned;
6. Three (3) letters of recommendation from academic sources, community leaders, employers, clergy (personal recommendations from friends and family are not appropriate);
7. Copy of passport photo page;
8. Copy of current visa (if applicable);
9. TOEFL or IELTS Score Report;
10. Certification of Financial Resources form with an official bank verification if self-sponsored
    OR completed Financial Sponsor Agreement with sponsor’s official bank verification if not self-sponsored.

Students who are transferring from another US college or university must also submit:

11. Copy of more recent I-20 form;
12. F-1 Status Verification form;

Application requirements are also available online at www.uwest.edu.
Program-Specific Requirements

Buddhist Chaplaincy

Master of Divinity

Statement of Purpose: The statement should describe how enrollment in UWest’s MDiv program will further the applicant’s personal goals and aspirations, achievements, and educational and career objectives.

Interview: Applicants should be prepared for a telephone or in-person interview, which may be required at the discretion of the chair. A campus visit is strongly recommended.

Doctor of Buddhist Ministry

Statement of Purpose: The statement should describe how enrollment in UWest’s DBMin program will further the applicant’s personal goals and aspirations, achievements, and educational and career objectives.

Prior degree requirement: Applicants should hold a Master of Divinity degree or master’s degree in a related field. However, applicants with a master’s degree in an unrelated discipline may be considered if they have significant relevant experience.

Prior experience: One year of CPE Residency is highly recommended. Applicants who lack residency experience must meet one of the following:

a. 1 unit of Clinical Pastoral Care (CPE); provide evaluation letter from CPE supervisor assessing written communication and emotional and spiritual development

b. three years ministerial/temple work following completion of master’s degree

Letters of Recommendation: Four letters are required, including

a. two letters from academic sources such as advisor, dean, chair
b. one letter from peer such as dharma brother or sister
c. one letter from pastoral supervisor or master

Letters must address communication skills, spiritual practice, precept practice, community service.

Religious Studies

**Master of Arts**

**Prior degree requirement:** Both graduates with traditional bachelor’s degrees and graduates of recognized Buddhist colleges are eligible to apply to the Master of Arts in Religious Studies.

**Doctor of Philosophy**

**Prior degree requirement:** Applicants must have a master’s degree in Religious Studies, Theology, Chaplaincy, Philosophy, or the equivalent. If this criterion is not met, the student cannot be admitted into the PhD, but may be eligible to apply to the MA program.

**Statement of Purpose:** The statement should address the applicant’s proposed area of research, his or her academic preparation to engage in such research, and how the program will be instrumental in pursuing his or her scholarly and professional goals.

**Letters of Recommendation:** At least two of the letters of recommendation must be from qualified scholars at recognized educational institutions.

**Thesis:** A copy of the student’s MA thesis, if applicable.
English Proficiency Requirement: TOEFL & IELTS

All instruction at UWest is in English; therefore all students admitted to degree programs must demonstrate English proficiency. Applicants whose prior education was conducted in a language other than English are required to submit results for the Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS-Academic) as evidence of English language proficiency. An official score report is required and should be sent directly from the testing agency to the Office of Admissions at University of the West. Copies will not be accepted.

Students who submit minimum test scores may be conditionally admitted. Students who are conditionally admitted are required to complete UWest's English Placement Test (EPT) before beginning classes. Based on this assessment, conditionally admitted students who are found to need more than one year of English language instruction are offered admission into the ESL program. All others are granted admission to their degree program and may be placed in Academic English Bridge courses, Bridge plus degree courses, or moved directly into degree courses. Full details regarding the EPT and course placement are included in the English as a Second Language chapter in this catalog.

International students who have successfully completed three or more years of substantive academic coursework at or above the baccalaureate level at an institution where English is the language of instruction may not be required to submit TOEFL or Academic IELTS scores or to take UWest’s EPT. All students admitted to a bachelor’s degree program will be required to complete a writing and math assessment during orientation.

Students who have been admitted to and successfully complete the ESL program including bridge coursework at UWest should understand that completion of this program does not guarantee acceptance to a degree program at UWest. These students must apply to the degree program of choice. Admission will be based on all admissions criteria for that program.

Information regarding TOEFL and IELTS is available online at www.TOEFL.org and www.IELTS.org. When ordering a TOEFL report, use the school code 4347.

The Office of Admissions is available to answer questions regarding computer (CBT) or paper-based (PBT) TOEFL scores.
F-1 Student Health Insurance

Medical care in the United States is much more costly than in many other countries. To safeguard UWest’s F-1 students and to make sure that they have adequate coverage in the event of serious illness or injury, UWest has sought out a health insurance plan that provides students with full medical coverage.

All F-1 students are required to maintain this coverage for the duration of their studies, including periods of non-attendance including summer break. This insurance is mandatory and will not be waived for any reason. F-1 students are automatically enrolled in the insurance plan at the start of each fall and spring term, and the fee is due in full when tuition and fees for the term are due.

New F-1 students will be enrolled in the plan applicable to their starting term, and in each term thereafter. Coverage includes winter, spring, and summer breaks.

Fees are listed in the Tuition & Fees area of this catalog.

<table>
<thead>

<tr>
<td>Summer 2</td>
<td>Summer Session 2 (2 months). Applicable to new students only</td>
</tr>
</tbody>
</table>

The F-1 student health insurance plan does not include dental treatment. The university recommends that students purchase individual dental insurance plans to cover potentially expensive dental services.
Maintaining Status & Avoiding Termination

UWest’s international student advisors help F-1 students comply with federal regulations and related UWest policies to protect their F-1 visa status. To remain eligible to study in the US, students must maintain both continuous full-time enrollment and good standing, and may not work without appropriate authorization.

<table>
<thead>
<tr>
<th></th>
<th>Full time</th>
<th>Good Standing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate</td>
<td>12 units</td>

<td>9 units</td>
<td>3.0 cumulative grade point average</td>
</tr>
<tr>
<td>ESL</td>
<td>20 hours</td>
<td>2.0 cumulative and term grade point average</td>
</tr>
</tbody>
</table>

Failure to comply with F-1 regulations can have serious consequences. One of the more serious consequences is termination of the form I-20. If an F-1 student does not take enough units in any term without prior authorization from the Designated School Official (DSO), the form I-20 will be terminated. ONLY the DSO can provide this authorization. It is not enough to discuss this with the academic chair, the registrar, another staff member, or another student.

If a student’s I-20 is terminated, the student must either leave the US and apply for re-admittance from outside the country or apply to USCIS for reinstatement of the I-20. Both options are time-consuming and expensive for the student, and a positive outcome is not guaranteed.

F-1 students should meet with the international student advisor before taking any action that might affect their F-1 status. This includes:

- before dropping any classes
- before leaving the US. This includes travel to Mexico and Canada.
- within 10 days of moving. Both UWest and USCIS must have the current address on file. The international student advisor will assist students in submitting the Change of Address form AR-11 to USCIS. A copy of the completed form AR-11 must be forwarded to the Registrar’s office.
- when enrolling in final term
- if transferring form I-20 to another school
- when accepting on-campus employment. Students may work a maximum of 20 hours per week.

It is unlawful for F-1 students to work off campus without prior approval of USCIS or the DSO. This includes working in any paid or unpaid internship position. Students working off campus without authorization will have their form I-20 terminated.

Graduate Candidate Continuous Enrollment

Graduate students who have completed all course work and are engaged in writing and researching the thesis or dissertation or preparing for a required comprehensive examination register for the research or continuous enrollment course assigned to their specific program and degree level. This 1- to 3-unit course does not require class attendance. Eligibility for continuous enrollment requires the program advisor’s approval and is restricted to conditionally classified or classified graduate students.

Continuous enrollment that complies with these guidelines is considered full-time for purposes of maintaining F-1 visa status at the university. International students should submit a “Request for Reduced Enrollment” form each semester when registering for continuous enrollment. Students who have earned PhD Candidacy status are not required to submit this form.
Drop, Leave of Absence, & Withdrawal

F-1 students whose enrollment falls below full time during a term due to a student- or college-initiated drop may jeopardize their F-1 visa status and may be required to leave the country.

Students who choose to withdraw from all courses during the term or from their programs at the end of the term must notify the international student advisor before submitting the request. Withdrawing from the university will result in termination of the form I-20.

The option to request a Leave of Absence (LOA) is open to students in good standing who plan on returning to UWest in less than one year, and allows students to return under their initial catalog. However, federal regulations strictly limit leave for F-1 students. While UWest may allow an F-1 student to take an LOA, US federal law does not allow the student to remain in the US while not attending classes. The international student advisor must approve all F-1 requests for LOA prior to submission to the Registrar’s office.

Travel & F-1 Status

SEVIS regulations place travel restrictions on F-1 students. The university is required to terminate the form I-20 of any F-1 student who chooses to travel out of the US during the fall or spring semester, including students engaged in dissertation or thesis preparation. Students maintaining F-1 status may travel out of the US during the summer or official university breaks after consultation with the international student advisor.

It is the student’s responsibility to meet with the international student advisor BEFORE making any travel plans or purchasing tickets to limit the possibility of being denied permission to reenter the US.
Higher education is one of the most significant investments an individual will make in his or her lifetime. Earning power and a happy, purposeful life will both be enhanced by the right degree. Paying for that degree calls for planning and commitment.

Students have many options to consider when planning how to pay for college. UWest participates in federal, state, and institutional aid programs, including Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal Grant, the William D. Ford Federal Direct Loan Program, private loan programs, institutional scholarships, and federal and institutional work-study. Grants and scholarships are funds that do not require repayment; loans, whether subsidized or unsubsidized, accrue interest and require repayment. Students should note that while scholarships and grants reduce the amount they need to borrow to finance their education, scholarship and grant awards may also reduce the amount of need-based loans and work-study awards they can receive.

The Financial Aid Office counsels students and their families on federal, state, institutional, and private financial aid programs. Financial aid officers are available to answer questions and to assist students and families with the application process. Financial aid information is also available at www.uwest.edu/financialaid.
More information regarding any of these programs, as well as policies that govern financial aid awards, is provided in the UWest Financial Aid Handbook, available in the Financial Aid Office. The handbook is an important tool that introduces students to the policies and procedures for receiving and maintaining eligibility for financial aid. Students who wish to apply for federal, state, institutional, and private financial aid and scholarships must be familiar with information and policies within the handbook. The handbook also details students’ rights and responsibilities as financial aid recipients. The Financial Aid Handbook includes information on

- Eligibility criteria
- Evaluation guidelines for fellowships and scholarships
- Applications and instructions
- Satisfactory academic progress (SAP)
- Refunds and return of federal funds

Applying for Financial Aid

Application for financial assistance should begin at the same time as application to the university. All new domestic students interested in applying for federal and state financial aid must submit both the UWest Application for Financial Aid and the Free Application for Federal Student Aid (FAFSA). The FAFSA is completed online at www.fafsa.ed.gov. Students should select UWest as a school they plan on attending by entering the university’s school code 036963 when prompted. New international students seeking institutional aid should submit both the UWest Application for Financial Aid and the International Student Supplemental Application.

All returning students seeking need-based or non-need-based financial assistance are required to file financial aid application forms by financial aid deadlines. Forms and deadlines are published online at www.uwest.edu/financialaid. Failure to meet the published deadlines could result in the loss of financial aid. The FAFSA must be completed each award year.

Financial Aid Eligibility

Financial aid is awarded to students who demonstrate financial need as defined by federal, state, and institutional policies. Parents and students are considered the primary source of funds for post-secondary education and have an obligation to finance educational expenses. Financial need is defined as the difference between a program’s Cost of Attendance (COA) as calculated by the school and the student’s Expected Family Contribution (EFC) as calculated by the Central Processing System (CPS) of the Department of Education (Financial Need = COA – EFC).

Because the need for financial assistance often exceeds what the university provides, students must rely on other sources of support such as employment, loans, and family assistance. It is the student’s responsibility to obtain information regarding scholarship and loan opportunities provided by private sources. While there are many reputable online resources to assist in this research, UWest recommends that students avoid organizations that charge students to apply for scholarships.

A student’s enrollment status affects the level of aid available in a specific term. Students must be enrolled at least half-time to be eligible for aid. In addition, a student receiving aid must earn a minimum number of credits each semester, applicable to his/her degree and consistent with his/her enrollment/funding status.

</tbody>
</table>
Continuous Enrollment
Graduate students who have completed all coursework are required to maintain continuous enrollment (CE) while engaged in dissertation or thesis writing and research. CE is maintained by enrollment in a course specific to the program of study and degree level. For this purpose and in this context only, 1 to 3 units may be considered full-time for purposes of enrollment and financial aid deferments or F-1 eligibility. Graduate students must enroll in a minimum of 4.5 units to maintain eligibility for aid.

Study Abroad
A student’s enrollment in a program of study abroad approved for credit by UWest may be considered enrollment at UWest for the purpose of applying for assistance under Federal Student Aid programs.

Federal Work-Study Program
Federal work-study allows students to pay for part of their tuition and living costs while assisting university staff with the daily work of the institution. Through work-study, students can develop their professional skills while paying for college. Guidelines and regulations for participation in the federal work-study program are available at the Financial Aid Office.

Veterans Affairs (VA)
UWest is approved to train veterans and other eligible students. Veterans who attend UWest and enroll in one of the VA-approved degree programs may receive veteran benefits to help pay for their education. Information on eligible programs and the application process is available from the Financial Aid Office. More information is available from the Department of Veterans Affairs at www.GiBILL.VA.GOV or 888.GiBill-1 (888.442.4551).
A limited number of scholarships and fellowships are available. These are awarded based on academic excellence and/or financial need. Because availability changes from year to year, students should contact the Financial Aid Office for more detailed information: For detailed information on eligibility and application process, see the Financial Aid Web page at www.uwest.edu/financialaid. Each institutional and private scholarship and fellowship has specific eligibility, scholarship, and GPA criteria.

University Fellowships and Scholarships may be awarded to admitted incoming and continuing students who demonstrate exceptional leadership and service to their communities, academic achievement, and financial need. Applicants are encouraged to submit all required financial aid documents when they apply for admission. Students must reapply for the award annually.

Lotus Scholarships

These institutional scholarships are available for eligible domestic and international students matriculating into BA, MA, MBA, and MDiv programs. The scholarships award up to a maximum of $10,000 for an academic year. Scholarships are set aside specifically for entering freshmen, transfer students, local students, graduate students, and international students. This scholarship is initially awarded for one academic year and may be renewed for up to three years for undergraduates and up to two years for graduates, depending on length of program.

Golden Benefactor Awards

These awards are available to continuing students who have completed the equivalent of one full-time semester and are awarded based on academic achievement and service to the UWest community, as well as demonstrated financial need and area of academic concentration. Most Golden Benefactor Awards require a minimum GPA of 3.0 to 3.5, but requirements vary based on donor. Golden Benefactor Awards must be renewed each semester.

International Buddhist Education Foundation (IBEF) Scholarship/Fellowship

Each semester the International Buddhist Education Foundation (IBEF) awards scholarships and fellowships to new and continuing degree-seeking students enrolled fulltime in a master’s or doctoral program within the departments of Religious Studies and Buddhist Chaplaincy. Scholarships range from $3,000 to $4,500 per semester. Fellowships range from $2,000 to $3,000 per semester. IBEF scholarships and fellowships must be renewed each semester. More information is available online at www.uwest.edu/financialaid/ibef.
Satisfactory Academic Progress (SAP)

UWest is required by law to establish both qualitative and quantitative standards for satisfactory academic progress toward the completion of the degree for all federal and state financial aid recipients. Aid programs covered by these standards are Federal Pell and FSEOG grants, Federal Work Study, Federal Loan programs (Direct, PLUS, Grad PLUS), and some state aid programs. These academic standards apply for all periods of enrollment regardless of whether or not aid was received.

The Financial Aid Office, in consultation with the Registrar, reviews all aid recipients for compliance with the satisfactory academic progress policy at the end of each payment period.

Qualitative Standard (GPA)

Undergraduate students must maintain a 2.0 cumulative GPA; graduate students must maintain a 3.0 cumulative GPA. Students who fall below these requirements will not be considered to be making satisfactory academic progress. The GPA is based on units earned at UWest and does not include grades for courses transferred from other institutions.

Quantitative Standard (Pace of Progression)

A student receiving aid must successfully complete a minimum 67% of units attempted each semester. Pace of progression is calculated by dividing cumulative units earned by cumulative units attempted. Courses must be degree applicable and consistent with the student’s enrollment and funding status. For example, if an undergraduate student enrolls in 12 units in a semester (the minimum full-time requirement), he or she must complete a minimum of 8 units in that semester to maintain satisfactory academic progress. Students who fall below this requirement will not be considered to be making satisfactory academic progress.

Maximum Timeframe

A student must complete his or her degree by attempting no more than 150 percent of the units normally required for attainment of the degree. A student is no longer eligible to receive financial aid after this maximum is reached. For example, an undergraduate must complete 120 units to graduate. Therefore an undergraduate student’s financial aid eligibility will be suspended once the student reaches 180 cumulative attempted units, whether or not the student has attained the degree. The 150% maximum timeframe applies to both undergraduate and graduate students.

Attempted/Earned Units

Attempted units include all earned, unearned, and transfer units. Earned units include all courses for which a student receives credit, including required precollegiate courses.

- Withdrawals: Courses from which the student withdraws after the official add/drop deadline are included in cumulative units attempted.
- Repeated Courses: Units attempted in repeated courses are included in cumulative units attempted. A repeated course will not be applied to earned units unless specified as “repeat for credit” in the catalog.
  - Undergraduate GPA: Only the highest grade awarded is calculated in the cumulative GPA.
  - Graduate GPA: All grades for repeated courses are calculated in the cumulative GPA.
- Incomplete Courses: Courses that are assigned an incomplete grade are included in the cumulative units attempted. These units are not counted as earned units until and unless a passing grade is assigned.
- Transfer Credit: All transfer credit accepted towards a student’s UWest degree will be used in determining when the maximum timeframe requirement has been reached. Grades for courses completed at other institutions are not included in the calculation of the UWest GPA.
Financial Aid Warning

Students who do not meet the standards of the Financial Aid SAP policy at the end of any payment period are automatically placed on financial aid warning for one payment period. Students placed on financial aid warning are eligible to receive Title IV financial aid during the warning period of one payment period without appeal or other action.

Students who are not returned to good standing at the end of the warning period are no longer eligible to receive Title IV and other financial aid. Students who lose their eligibility have the right to file a SAP appeal for reinstatement of aid.

Financial Aid Probation

Students who successfully appeal are placed on financial aid probation for one payment period. Students who fail to meet SAP standards at the end of the probation period will become ineligible to receive further financial aid.

Reestablishing Financial Aid Eligibility

Students who submit an appeal for reinstatement of aid and who are denied the reinstatement may reestablish their eligibility by meeting SAP standards and returning to good academic standing. To regain financial aid eligibility, a student must

- raise GPA. To increase GPA, a student must enroll and complete coursework at UWest. Grades transferred from other institutions are not included in the calculation of UWest GPA.
- correct a credit deficiency. Credit deficiency can be made up by taking and completing additional courses at UWest or by the transfer of degree applicable coursework. Transfer credit may be granted only as allowed under the Transfer Credit policy found in this catalog.

SAP Appeal for Reinstatement of Federal Aid

Students who choose to appeal for a reinstatement of federal aid must submit a written appeal to the Financial Aid Office. The appeal must describe the circumstances that affected the student’s academic performance, must be submitted within 30 days of notification of failure to maintain SAP, and must be accompanied by appropriate supporting documents. No appeal will be considered until the student has an approved formal academic plan.

Acceptable reasons for appeal include, but are not limited to, personal or family accident, illness or injury of the student, death of a close family member, or other extenuating and unavoidable circumstances beyond the student’s control. Ongoing, chronic medical problems do not meet the definition of “extenuating circumstances.” If the condition existed at the time aid was offered, it should have been taken into consideration when the student planned his or her classes and credit load.

Factors considered in reviewing an appeal include, but are not limited to, the student’s entire academic history, level of borrowing in relation to units completed; class standing; number of semesters of aid; previous deficiencies and appeals; and extenuating and unavoidable circumstances.
Withdrawal & Leave Of Absence (LOA)

After financial aid has been disbursed, a student who withdraws from UWest or earns zero credit may be required to return all or part of the funds received, including funds credited to pay tuition and fees.

Since financial aid must be used solely for educationally related expenses during periods of enrollment, federal regulations require the university to calculate the amount of aid a student “earned” for the number of days the student attended. “Unearned” aid, i.e. aid covering periods of the term when the student did not attend classes or was not enrolled, must be repaid. If a student withdraws prior to the start of the semester or never attends any classes, 100 percent of aid disbursed to the student’s account and/or disbursed to the student must be repaid.

If repayment is owed, the student will be billed by the Bursar’s Office and will have 45 days to arrange satisfactory repayment. The student is not eligible for further aid until repayment is made in full. A student who fails to make repayment on schedule may also be reported to the US Department of Education or to a collection agency representing UWest.

If a student must leave UWest for any reason, a signed and dated Withdrawal form must be submitted to the Registrar’s Office. The official date of leave or withdrawal is the date the form is received by the Registrar’s Office.

Return of Title IV Funds (R2T4)

Effective October 7, 2000 Title IV Refund Regulations require students who withdraw from all of their classes prior to the 60 percent point of the payment period (defined as fall or spring semester or summer term) to return the unearned portion of their Title IV financial aid to the Department of Education. Additionally, institutions may be required to return a portion of unearned funds to the Department of Education, and some students may be entitled to a post-withdrawal disbursement. UWest elected to apply these regulations beginning with the Fall 2007 semester.

Definition of a Title IV Recipient

A recipient of grant or loan assistance is a student who has received Title IV funds or has met the conditions that entitle the student to a late disbursement. Students must have a valid Institutional Student Information Record (ISIR) before the withdrawal date in order to be considered for the Return of Title IV evaluation.

Title IV funds that must be included in the refund calculations are listed in the priority order of their return as follows:

1. Direct Unsubsidized Stafford loans
2. Direct Subsidized Stafford loans
3. Direct PLUS loans
4. Pell Grants
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Cal Grants
7. Other Title IV Assistance
8. Other Assistance to the Students

This institution does not participate in the Perkins loans programs.

Students who received or could have received only Federal Work-Study funds are exempt from Return of Title IV Refund regulation.
Return of Title IV Funds for Students who Withdraw Due to Military Deployment

If a student must withdraw due to military deployment, the student must submit a copy of the military deployment order to the Registrar’s Office and the Financial Aid Office. If a Title IV-eligible student withdraws upon being called to active duty or has otherwise been impacted by military mobilization, the university must perform Return of Title IV calculations that are required by statute and regulations.

Based on this calculation, the university may be required to return funds to one or more Title IV programs.

Return of Title IV Funds for Students Who Were Affected by a Disaster

The Secretary of the US Education Department is authorized to waive the amount of a student’s Title IV grant overpayment if the student withdrew from the institution because of a major disaster under specified conditions. The Secretary’s exercising of this waiver authority remains in effect until it is specifically withdrawn. A Title IV grant overpayment otherwise due from a student under the Return of Title IV Funds requirements is waived if the student withdrew because of a disaster under the following conditions:

1. The student was residing in, employed in, or attending an institution that is located in an area in which the President has declared that a major disaster exists;
2. the student withdrew because of the impact of the disaster on the student or the institution; and
3. the student’s withdrawal occurred within the academic year during which the designation as a major disaster occurred or during the next succeeding academic year.

The institution is not required to notify the student or NSLDS of the overpayment, or refer any portion of the overpayment to the Department of Education. In addition, an institution must not apply any Title IV credit balance to pay down the grant overpayment. An institution must document in the student’s file the application of this waiver as well as the amount of any overpayment that has been waived.
Treatment of Title IV Aid When a Student Withdraws

When a student withdraws during the payment period or period of enrollment, the amount of Title IV program assistance earned up to that point is determined by a specific formula.

1. If the amount disbursed to the student is/was greater than the amount earned, the unearned funds must be returned.

2. If the amount disbursed to the student is less than the amount earned, the student is eligible to receive a post-withdrawal disbursement of the earned aid that was not received.

3. Refund calculations are not applied to students who withdraw from classes prior to the first day of attendance.

4. Students who receive aid prior to the first day of attendance and who withdraw from all classes prior to the first day of attendance will be required to repay all of the Title IV Funds disbursed.

The amount of assistance earned is determined on a prorated basis. For example, if a student completed 30 percent of the payment period or period of enrollment, the student earn 30 percent of the assistance he or she was originally scheduled to receive. Once the student has completed more than 60 percent of the payment period or period of enrollment, he or she earns all the assistance scheduled for that period.

A student who did not receive all of the funds earned may be due a post-withdrawal disbursement. If a post-withdrawal disbursement includes loan funds, the institution must receive the student’s permission before it can disburse them. A student may choose to decline some or all of the loan funds so that he or she does not incur additional debt. The institution may automatically use all or a portion of the post-withdrawal disbursement of grant funds to pay for tuition, fees, and room and board charges (as contracted with the institution). The institution needs the student’s permission to use the post-withdrawal grant disbursement for all other school charges. A student who chooses not to grant permission will be offered the funds. However, it may be in the student’s best interest to allow the institution to keep the funds to reduce debt.

Some Title IV funds that the student was scheduled to receive may not be disbursed because of other eligibility requirements. For example, a first-time, first-year undergraduate who does not complete the first 30 days of a program before withdrawal will not receive any Direct Loan funds that would have been received if the student had remained enrolled past the 30th day. If the student receives (or the institution or parent receives on the student’s behalf) excess Title IV program funds that must be returned, the institution must return a portion of the excess equal to the lesser of

- the student’s institutional charges multiplied by the unearned percentage of his or her funds,
- the entire amount of excess funds.

The institution must return this amount even if it did not keep this amount of the student’s Title IV program funds. If the institution is not required to return all of the excess funds, the student must return the remaining amount. For any loan funds that must be returned, the student (or the student’s parent for a PLUS Loan) must repay in accordance with the terms of the promissory note. That is, the student must make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds the student must return is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds received or scheduled to be received. The student must make arrangements with the institution or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when a student withdraws are separate from any refund policy that the institution may have. UWest’s refund policy may be found in this catalog under Tuition and Fees. A student may still owe funds to the institution to cover unpaid institutional charges. The institution may also charge a student for any Title IV program funds that the school is required to return.

The Registrar’s Office is the designated office of record where students provide notification of withdrawal. The last drop date will be used as the withdrawal date in the calculation. The amount that could have been disbursed will be determined by the enrollment status as of the date the student completely withdraws.

Leave of Absence (LOA)

UWest has an official approved Leave of Absence policy that may be found under Registration and Records in this catalog. An approved LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period; otherwise, return to Title IV calculation is required.
Tuition & Fees

Cost of Attendance

University of the West is proud to offer a quality education while remaining Southern California’s best value for a private university experience. This is made possible by the generous support of our founding organization, Fo Guang Shan, and Hsi Lai Temple as well as other donors.

The cost of attendance for a student is an estimate of reasonable educational expenses a student should anticipate for the enrollment period. A student’s cost of attendance generally is the sum of tuition, mandatory student fees, books, supplies, room, board, and student loan fees. Students with dependents other than a spouse may include reasonable childcare expenses. Students with disabilities may also include expenses related to that disability.

Cost of attendance is affected by many things including, but not limited to, program of study, housing options, and enrollment. For example, a student living off campus has higher transportation costs because she or he must commute to campus.

Direct costs are costs paid to UWest. These include tuition, fees and on-campus housing. Indirect costs are not charged by UWest. They are additional expenses that students need to consider in their budgeting and financial planning.

Student award letters include the cost of attendance used to determine award eligibility. Students with questions regarding how cost of attendance is calculated should stop by the Financial Aid Office.
Estimated Cost of Attendance (COA)

The following tables provide the estimated cost of attendance per semester for full-time undergraduate and graduate students living on or off campus. These tables serve as examples only. Actual student expenses may vary.

Health insurance coverage is required for F-1 students. The fee is charged to continuing students when they register for each fall and spring term and the amount is due and payable when tuition and fees are due. This coverage can only be offered to students on an F-1 visa and is not available for domestic students. Details are available in the International Students section of this catalog.
Tuition Payments

When students sign a registration form, they have entered into a contract with UWest and become responsible for all tuition and fees for that term. This obligation must be met even if a student does not attend or does not complete his or her education at UWest. Failure to pay any amount to UWest when due is sufficient cause for any of the following actions until the debt is settled:

- Exclusion from classes and/or examinations
- Withholding of diplomas, scholastic certificates, and/or transcripts
- Suspension of university services and privileges
- Suspension from the university
- Notification to a collection agency
- Notification to a credit bureau

Students may remit payment immediately upon registration. Payment must be made no later than the tuition payment deadline (see Academic Calendar) to avoid a late payment fee. Students are responsible for making their financial arrangements, such as financial aid award, payment plan, third party payment, by the tuition payment deadline. Failure to do so may result in a $100 late payment fee and a 1% finance charge (per month) assessed on the unpaid balance. Students who have a cash payment due but are unable to pay the amount in full are encouraged to speak with the Bursar prior to the payment due date to determine if they may be eligible to schedule payments over the length of the term. Details are available from the Bursar.

Anticipated aid awards are posted to student accounts after the financial aid award process has been completed by the student, Financial Aid Office, and appropriate agency. Without authorized anticipated aid, students are expected to pay all charges and wait for reimbursement when the aid or scholarship funds are actually received.

Students who are unable to pay tuition by the tuition payment deadline may be eligible for a short-term deferment by applying in person at the Financial Aid Office. To be eligible for deferment, students must demonstrate financial hardship and be scheduled to receive financial aid (e.g., grants, loans, and scholarship awards) for the term. The deferment must be approved before the tuition payment deadline.

If changes to student course schedules result in additional charges after the date on the registration billing statement or after financial aid has been disbursed, the payment is due immediately. Registration and enrollment are not complete until all tuition and required fees have been paid.

Permission to cancel enrollment does not constitute, nor shall it be construed as, a waiver of a student’s financial obligation to the university. The student is responsible for all outstanding debts and contracts with the university.

A student must not have any delinquent financial obligations to the university at the time instruction begins each semester, or the student’s registration may be revoked. If registration is revoked, 100% of any tuition paid for that semester will first be applied to any outstanding debt. Any remaining credit will be refunded within 30 days from the date of revocation.

Methods of Payment

Students may make payments in person at the Bursar’s Office by cash, credit card, or check. A $30 fee is assessed for any check returned due to non-sufficient funds. A student whose check is returned will be required to make future payments in cash or by cashier’s check. There is a processing fee for credit card payments made over the telephone.
Refund Policies

Tuition Refunds

Tuition for any class dropped by a student is refundable according to the following tuition refund schedule. The date of withdrawal for purposes of the refund calculation shall be the date on which the withdrawal form is received by the Registrar’s Office. Students who register but do not attend class will not receive a tuition refund unless they officially withdraw by the posted deadlines.

Withdrawal

Withdrawal is defined as termination by the student of his or her enrollment in one or more courses at the university. Withdrawal refunds are calculated as of the date the petition to cancel enrollment or the withdrawal form is received by the Registrar’s Office.

A new student who cancels his or her enrollment prior to the first day of instruction will receive a full refund of all monies paid for that term, less the application fee not to exceed $100. A continuing student who withdraws prior to the first day of the term is eligible for a full refund of all tuition and refundable fees paid for that term.

Any student who submits a withdrawal form or cancellation notice on or after the first day of the term is responsible for tuition and fees even if the student has not attended class. A pro-rated refund will be issued to the student’s account in accordance with the Tuition Refund Schedule. A check for the refund amount will mailed to the student within 30 calendar days following the date a Refund Request form is received by the Bursar’s Office.

No refund is due if a student submits a withdrawal after the fourth week of fall or spring semester or the third week of summer session.

In addition to the institutional tuition refund policy, federal financial aid recipients who withdraw are subject to a pro-rated return of federal funds based on the relevant federal regulations. The return of federal funds calculation is run by the Office of Financial Aid. Students are responsible for returning the balance if funds must be returned to federal programs. Details are provided in the Financial Aid section of this catalog.

Students attending on an F-1 visa should always consult the international student advisor before dropping a class or withdrawing from the university to determine how the withdrawal will affect their F-1 status.
Registration & Records

Registration

Academic Calendar

UWest operates on a semester calendar, offering two standard semesters and a shorter summer session each academic year. The summer and fall semesters are sixteen weeks in length and are standard periods of enrollment. Degree students must register for the fall and spring semester each year to maintain status in their enrollment. Enrollment in the summer session is optional. While the summer session is reduced in length, the credits earned are equivalent to semester units due to the accelerated pace of classes.

The academic calendar is posted on the UWest website, in the catalog, and around campus. Students are expected to understand this calendar and are responsible for knowing the deadlines that pertain to their program.
Enrollment Status

Students are expected to register each term for sufficient units to maintain eligibility for scholarships, aid, and status. The Office of Financial Aid will assist students with questions about aid eligibility and funding.

<table>
<thead>
<tr>
<th>Enrollment Status</th>
<th>Undergraduate</th>
<th>Graduate</th>

<td>7-8 units</td>
<td>N/A</td>
</tr>
<tr>
<td>Half-Time</td>
<td>6-8 units</td>
<td>4.5-6 units</td>
<td>N/A</td>
</tr>
</tbody>
</table>

Students attending on an F-1 visa are required to maintain continuous full-time enrollment each fall and spring semester. F-1 students who begin their studies during the summer term must enroll in at least 6 units to fulfill this requirement.

Undergraduates usually enroll in 12 to 15 units per semester, and may enroll in a maximum of 18 units per semester. Master’s and doctoral students may enroll in 9 units with one exception. Students enrolled in the Master of Divinity program are expected to enroll in 12 units per semester to complete the program in sequence and on time. Students requesting more than the maximum units allowed for their program of study must file a General Petition approved by their department chair with their registration form.

Upon recommendation of the department chair, students granted conditional or probationary admission to an undergraduate program may be restricted to a maximum of 9 units. Students are removed from conditional or probationary status following the completion of a minimum of 9 units of credit with a satisfactory academic record.

Continuing Student Registration

Continuing students are those students who are registering with no break in enrollment. Continuing students receive priority status during registration. Approximately 6 weeks prior to the close of a term, the university posts the registration schedule, instructions, and the schedule of classes for the following semester. Enrollment in the summer session is optional. Registration for summer classes is held concurrently with registration for the following fall semester.
Academic Advising

Academic advising promotes student engagement and graduation, empowering students to make informed decisions that facilitate academic success. Through consistent and caring advisement, students are connected with university resources supporting both academic and personal well-being.

Undergraduate Advising

The Academic Advisor provides registration advisement, program planning, course scheduling, clarification of policies and procedures, degree checks, and general support for all UWest undergraduates. The advisor also maintains regular contact with students on academic warning and probation to help them develop and follow success plans and to direct them to appropriate resources. Program Advisors are available to advise students in areas specific to their field of study.

Graduate Advising

Program Advisors provide personalized, discipline-specific advisement for all graduate students. From initial program planning through thesis and dissertation stages, graduate students are expected to maintain regular contact with their program advisors to ensure that they meet their goals as well as graduation requirements.

Basic Steps to Creating a Good Schedule:

- Meet with academic or program advisor to discuss progress and options.
- Schedule the optimal number of units. For example, a student who works full-time may find that taking an extra class is not a sound idea. On the other hand, a student who is trying to graduate as quickly as possible, is doing well in school, and has the time to dedicate to study will find that an extra class each term hastens completion.
- Undergraduates: Schedule and complete all five general education core competencies during the first year.
- Enter the advisor-approved schedule directly through the Student Portal, or register in person at the Registrar’s Office.

Students are responsible for knowing registration and add/drop deadlines. These dates are found on the academic calendar posted each year. Students who register late will be subject to a late registration fee and must register in person.

Registration for a Second Degree

Students who have completed a degree at UWest and wish to continue their studies in a second degree level or program must apply for admission to that program by the deadlines posted in the catalog. Students should start with a visit to Admissions to get the paperwork underway. They will be considered new students in the new enrollment.

New Student Registration

Prospective students should contact the Office of Admissions to begin their application for admission. Admission requirements and assessments vary depending on program, degree level, and English proficiency and are fully detailed in the Admissions section of this catalog.

Once all required paperwork and placement tests are complete, undergraduates meet with the academic advisor and graduate students meet with their program advisor to select classes. Students entering the ESL program will meet with the ESL staff after taking the English Placement Test to determine their level of study.
Students bring their approved registration forms to the Registrar’s Office to finalize registration. Here they will receive a copy of their printed schedule, also available on the Student Portal. After scheduling, students then make any necessary payment to the Bursar’s Office.

**Undeclared Major, Undergraduates**

Undergraduates have the opportunity to explore program options before declaring a major. Once they have earned 45 units, they will be required to declare a major. The undergraduate Academic Advisor will assist with this process.

Graduate students are admitted to a specific program; undeclared is not an option.

**Undergraduate Placement**

All incoming undergraduates complete writing and math placement tests during or before New Student Orientation to ensure that students are placed at the optimal level for success in their first year at UWest. Once placement results are available, students meet with their academic advisor to select classes. New students who live in Southern California are encouraged to complete testing and scheduling prior to orientation and may contact their enrollment advisor to schedule an appointment.

Students who are required to take UWest’s English Placement Test (EPT) take only the math placement test as the EPT results will be used in place of the writing placement test. Details regarding UWest’s English Placement Test are located in the English as a Second Language section of this catalog.

Transfer students may be eligible for a waiver of writing and math placement tests. As part of the initial transfer credit evaluation, it will also be determined whether one or both of the tests may be waived.

<table>
<thead>
<tr>

</tr>
</thead>
<tbody>
<tr>
<td>ENGL 101 English Composition</td>
<td>Writing Placement Test waived</td>
</tr>
<tr>
<td>MATH 101 Intermediate Algebra</td>
<td>Math Placement Test waived</td>
</tr>
</tbody>
</table>
Schedule Changes

After registration has been completed, continuing and reentering students may add or drop classes via the Student Portal prior to the close of registration or in person at the Registrar’s Office after registration closes. Changes should be approved in advance by the academic or program advisor. New students may make changes by meeting with their advisor and bringing the approved form to the Registrar’s Office.

No class is officially added or dropped until the change has been recorded on the student’s academic record. Students are responsible for all classes on their schedule and should review their schedule on the Student Portal for accuracy. Students should refer to the academic calendar for deadlines.

Graduate Candidacy & Continuous Enrollment

Graduate degree students are required to maintain continuous enrollment in every fall and spring semester from the beginning of the program of study until award of the degree. This policy is designed to eliminate the need for readmission to the university, provide opportunity for continuous use of facilities including the library, and assure the development of an integrated program that is adequately supervised and effectively completed within appropriate time limits.

A graduate student who fails to register for either fall or spring semester without applying for an authorized leave of absence is considered to have discontinued enrollment in the graduate degree program. Candidacy will lapse automatically if a student fails to maintain continuous enrollment. A student readmitted after a lapse in enrollment may be required to repeat the candidacy examination and is required to complete at least one academic semester before the degree may be conferred.

Graduate students who have completed all course work, but who have not satisfactorily completed and submitted a required comprehensive examination, thesis, or dissertation are required to register for the research or continuous enrollment course assigned to their specific program and degree level. This 1- to 4.5-unit course does not require class attendance. Students who have not yet attained candidacy status must obtain program advisor or chair approval when registering for continuous enrollment. After advancing to candidacy, this approval is automatically granted. Students must pay all applicable tuition and fees.

The university considers continuous enrollment as full-time enrollment for purposes of maintaining student status. However, students receiving financial aid should be aware that while this status is sufficient for deferrals, it does not necessarily fulfill financial aid eligibility requirements. Aid eligibility requires at least half time enrollment, i.e. 4.5 units at the graduate level.

Continuous enrollment is considered full-time for purposes of maintaining F-1 visa status at the university. F-1 students who have not yet attained candidacy status are required to submit a Request for Reduced Enrollment form each semester when registering for continuous enrollment. After formally advancing to candidacy, indicated by the status Candidacy, this form is not needed.
Withdrawal, Leave of Absence, & Reentry

Leaving college is a serious decision. Students are urged to discuss their options with their advisor, department chair, or dean before finalizing any plans to withdraw temporarily or permanently from the university. Students considering taking time off should also meet with a financial aid advisor to determine the financial impact on existing aid, including loans, grants, and scholarships.

A student may submit a leave of absence or withdrawal request at any time. Students who choose to withdraw have the following options.

Leave of Absence (LOA)

This option is open to students in good standing who plan on returning to UWest within one year and allows students to return under their initial catalog after a break of less than one year.

Students who do not return from an approved LOA as scheduled will be withdrawn effective their last period of attendance.

Federal regulations strictly limit leave for students attending on F-1 visas. The international student advisor must review all F-1 requests for LOA before processing. Summer is considered a standard period of non-attendance; students do not need to submit an LOA if not attending in summer as long as they are registering for the fall semester.

Withdrawal

This option is applicable to students who do not plan to return to UWest as well as those who plan on taking one year or more off from their studies. Students withdrawing from the university are requested to complete an exit survey.

Students attending on an F-1 visa should be aware that the university is required to report the change of status promptly, and that withdrawing may result in the termination of their I-20. International students must meet with the international student advisor before withdrawing to discuss the impact upon their F-1 status.

Effective Date

If submitted prior to the first day of the term, the student will not owe tuition or fees for that term, and the LOA/withdrawal will be considered effective the final day of the last semester completed.

If submitted on or after the first day of the term, the student may receive a pro rata refund as described in this catalog under Tuition and Fees. The withdrawal is effective the date the form is received by the Registrar’s Office.
Impact on Grades

If submitted on or before the close of the add/drop period, the student will be unregistered from all classes.

If submitted after the close of the add/drop period and on or before the withdrawal deadline, the student will receive Ws in all classes scheduled.

If submitted after the withdrawal deadline, the student will receive FWs in all scheduled classes. FW is calculated as an F in the grade point average.

Students should refer to the Academic Calendar for pertinent dates.

A student who chooses to withdraw or take leave must complete the LOA/Withdrawal form, obtain the following approvals, and submit the signed and approved form to the Registrar’s Office. All forms are available in the Registrar’s Office or from the UWest website.

All students require the following approvals:

- Department Chair or Program/Academic Advisor
- Bursar’s Office
- Library

Additional approvals as required:

- Financial Aid: required for students who receive any financial aid such as loans, grants, scholarships. Students receiving aid must also complete the Loan Exit Interview Form.
- International Student Advisor: required for students attending on F-1 visas.
- Residential Life: required for students residing on campus.

Students should refer to the Financial Aid section of this catalog for important information regarding the impact of leave and withdrawal on loans, scholarships, and refunds.

Reentry or Readmission

Students who leave the university in good standing and return after an absence of less than one year may reenter under their original catalog so long as the major is still being offered, is not impacted, and/or has not undergone significant changes due to regulatory revisions. Students should submit a Reentry Form to request that their enrollment be reactivated. Questions regarding reentry should be addressed to the Registrar’s Office.

Students who have been out of school for one year or more must apply for readmission to the university, and are subject to the admission and program requirements in effect at the time of their return. Questions regarding readmission should be addressed to the Admissions Office. Students who have been out of school for four years or more are required to submit a new set of official transcripts and current admission examination scores with the application for readmission.

Returning students who have completed coursework at other colleges during their break in enrollment should provide official transcripts to the Registrar’s Office for evaluation prior to reenrollment.

The Dean of Student Affairs must approve a reentry or readmission request for any student not in good standing during the last period of enrollment.

Financial aid, tuition waivers, scholarships, fellowships, or any other previous agreements may not be applicable upon reentry or readmission.
Transcripts, Diplomas, & Enrollment Verification

Students may order transcripts and verifications of enrollment from the Registrar’s Office. This office also distributes diplomas and certificates upon program completion. Order forms are available in the Registrar’s Office and on the UWest website. The university will not release transcripts, diplomas, certificates, and enrollment verifications to a third party without the express written approval of the student of record.

Transcripts and diplomas may be released only to students who have fulfilled all obligations to the university or any UWest-sponsored agency. Transcripts and diplomas may not be released to students who have any unfulfilled obligation to the university, such as an unpaid balance, outstanding library materials or fines, or required Financial Aid exit interviews.

Diplomas will be available approximately eight to ten weeks following the date of degree conferral. Diplomas cannot be released prior to conferral.

Address & Name Changes

All students should notify the university promptly of any change in their name, address, or phone number. Such changes may be made by submitting a Change of Address/Name form located on the website or in the Registrar’s Office. Students may also submit changes directly from the Student Portal.

UWest’s ZEN (Zing Emergency Notification) System is used to send emergency notifications via text and email. Students may register for this essential service by emailing the following information to eas@uwest.edu:

1. Full legal name
2. Cell phone number and provider
3. UWest email address and/or personal email address

Students submitting a legal name change will be asked to provide the following original documents to the Registrar’s Office. These documents will be copied and the originals returned to the student.

- Legal court document
- Passport
- Marriage license and social security card

In addition to notifying the university, F-1 students have a legal requirement to submit Change of Address form AR-11 to USCIS within 10 days of moving, and to inform the International Student Advisor (isse@uwest.edu) so that their I-20 record may be appropriately updated.
Student Email

Communication is a critical tool in education. To facilitate communication every UWest student is assigned a university email address. This email address is used for all official email communication. Prior to admission a personal email address may be used to correspond, but once a student has enrolled only the UWest email account will be used by the university. Students activate their my.uwest.edu accounts during UDays New Student Orientation. Students are responsible for all notifications sent to their UWest email account and should be sure to check this account regularly.

Students may access the UWest mail server via the university website at www.uwest.edu. The Information Technology Help Desk assists students who have difficulties with their accounts. Students may often receive educational discounts on software and hardware when using their .edu account.

Maintenance & Confidentiality of Student Records

The California Administrative Code Section 18804(a) requires colleges and universities to maintain some student records for a period of five years after final enrollment, with the exception of the student’s permanent record.

The Family Educational Rights and Privacy Act (FERPA) applies to all schools that participate in Title IV programs such as financial aid. FERPA gives students certain rights with respect to their education records:

1. Students have the right to inspect and review their own education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for students to review the records. Schools may charge a fee for copies.

2. Students have the right to request that a school correct records they believe to be inaccurate or misleading. If the school decides not to amend the record, the student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.

3. Generally, schools must have written permission from the student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

   - school officials with legitimate educational interest;
   - other schools to which a student is transferring;
   - specified officials for audit or evaluation purposes;
   - appropriate parties in connection with financial aid to a student;
   - organizations conducting certain studies for or on behalf of the school;
   - accrediting organizations;
   - to comply with a judicial order or lawfully issued subpoena;
   - appropriate officials in cases of health and safety emergencies; and
   - state and local authorities within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify students annually of their rights under FERPA. The actual means of notification is left to the discretion of each school.

Except as specified above, UWest does not allow unauthorized release of student records. Students who would like to allow specific individuals or parties access to their education records must provide a signed Authorization to Release Records to the Registrar’s Office. Without this signed release, student records will not be released to a third party.
Transfer Credit

UWest may grant transfer credit for courses completed at accredited colleges or universities. Undergraduate courses completed with a minimum grade of C (2.0) are eligible for consideration, while a B (3.0) is required for graduate course work. Transfer credit awarded is included in the calculation of units earned and attempted, but is not calculated into the UWest grade point average. Transfer credit is not granted for correspondence courses, life or work experience, or thesis research and is not applicable to non-degree and certificate programs.

Degree-program applicants are responsible for the submission of official transcripts from all colleges and universities previously attended. Official transcripts must be received prior to the applicant’s first day in class. Applicants should request an evaluation through their admissions advisor prior to scheduling classes and may be asked to provide a catalog or course syllabi if such are needed to facilitate the evaluation process.

Students who have already earned a bachelor’s degree from a regionally accredited institution prior to entering one of UWest’s bachelor’s degree programs may be eligible for a waiver of UWest’s 51-unit general education requirement. The chair of the General Education department will determine if the previous degree included at least 28 semester units of transferable coursework evenly distributed in general education. If so, the student may be allowed to fulfill any remaining general education unit requirement through the transfer or completion of elective credit.

Students who anticipate transferring to a UWest undergraduate degree program after attending another college or university may position themselves for maximum transferable credit by pursuing a liberal arts and sciences curriculum that parallels the general education requirements at UWest. If attending a California community college, students should select general education courses that meet requirements for California State University (CSU) or Intersegmental General Education Transfer Curriculum (IGETC) certification. Successful fulfillment of either CSU or IGETC certification prior to enrollment will fulfill the general education requirement at UWest with the exception of the general education capstone course. As above, any remaining general education unit requirement may be fulfilled through elective credit.

Veterans may be eligible for undergraduate transfer credit based on their military training. An official ACE Net transcript must be submitted for evaluation. Details on ordering a transcript are available at www.acenet.edu.

Generally, UWest will evaluate transcripts only for those applicants who have been admitted to the university and have supplied all required official documents. However, an exception may be granted for a potential applicant who would like an unofficial evaluation prior to making the decision to apply to UWest. The admissions advisor will facilitate requests for a preliminary estimate of credit. Actual credit will not be awarded until the applicant enrolls and official documentation has been received.

Applicants who have attended college or university in another country may be required to submit a credentials evaluation from UWest’s list of approved credentials evaluation services. UWest requires a detailed evaluation including degree equivalence, cumulative GPA, course titles, and grades/credits earned for admission and transfer credit evaluation. In addition, the evaluation should indicate whether English was the primary language of instruction when applicable.

Graduate Students

Transcripts submitted for admission to a graduate program will be evaluated by the department chair during the student’s first year of study at UWest to assess graduate coursework completed at other colleges or universities for transferability to UWest.

An evaluation of transfer credit will be prepared only after all official transcripts have been received. It is the student’s responsibility to see that all transcripts are received by the Registrar’s Office.

Transfer of Credit after Initial Enrollment

Each applicant’s prior education is evaluated for transfer credit at the time of admission. UWest students may elect to complete some portion of their general education courses at nearby community colleges concurrent with their UWest studies. Pre-approval from the Registrar’s Office is required to ensure that courses taken are transferable. Students should consult with the registrar and Financial Aid concerning their status as full- or part-time students prior to enrolling at a community college.

Once enrolled at UWest, students are expected to complete all remaining curriculum in their major at UWest. Any exception to this policy must be approved in advance by the department chair, and students must demonstrate cause.
Before credit may be awarded, students must submit official transcripts showing that pre-approved courses were completed with a minimum passing grade of C (2.0) (undergraduate courses) or B (3.0) (graduate courses). Students are required to complete their final 6 units in attendance at UWest, and all pre-approved transfer work must be completed prior to the last day of the student’s last term in attendance at UWest.

Credit by Examination (Proficiency Credit)
Currently enrolled students who submit evidence of an extensive experience in a subject area, and who believe that their knowledge of the area is equivalent to the content of a course required in UWest’s curriculum may apply for credit by examination. Credit by examination is graded on a Pass/No Pass basis and does not affect GPA.

Undergraduates must complete a minimum of 12 units at the university prior to requesting credit by examination and a maximum of 15 units may be completed through credit by examination. A General Petition Form should be submitted to the Registrar’s Office to request credit by examination, and the credit by examination fee must be paid prior to examination. Credit by examination units, unless otherwise specified, do not apply toward the residency requirement.

Advanced Placement
UWest is pleased to grant undergraduate credit for selected Advanced Placement (AP) curricula. To be eligible for credit, the applicant must have successfully completed both the AP course and corresponding AP exam. Credit will be granted upon approval once the university receives both the official high school transcript showing a minimum grade of C in the course and the official College Board score report showing a passing score of 3 or higher on the corresponding AP exam. If the official high school transcript includes exam results, a separate College Board score report is not needed.

Residency Requirements
UWest has a 25% residency requirement for undergraduate students. This means that of the 120 units required for a bachelor degree, undergraduates must complete at least 30 units at UWest, including at least 24 units of upper division coursework.

The maximum number of units toward graduation that can be fulfilled with any combination of transfer credit, credit by examination, and advanced placement credit is provided in the following chart.

<table>
<thead>
<tr>
<th>Degree Level</th>
<th>Maximum transfer/proficiency/advanced placement credit allowed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor's Degrees</td>
<td>90 semester units (135 quarter units) total credit</td>
</tr>
<tr>
<td></td>
<td>Of the 90 units, no more than 70 semester units (105 quarter units) may be lower division or transferred from a community college</td>
</tr>
<tr>
<td>Master's Degrees</td>
<td>6 semester units (9 quarter units)</td>
</tr>
<tr>
<td>Doctoral Degrees</td>
<td>30 semester units (45 quarter units)</td>

Academic Catalog

Statements in the catalog are informational and should not be considered as the basis of a contract between students and University of the West. Policies included in the catalog are subject to change at any time. Students must adhere to all policies published in the current catalog with the exception of degree requirements.

Students must meet the degree requirements of the catalog in effect when they started their studies. However, academic programs are constantly evolving. While the university endeavors to avoid substantive changes for students who study with no break in enrollment, students should expect curriculum changes to occur throughout their studies.

If the university introduces substantive changes to graduation requirements in a given program, enrolled students have the option to remain under their original catalog or to adopt the degree requirements in the later catalog. Changing to a later catalog must be requested in writing through the Registrar’s Office, and once made the change is irreversible. Information regarding any changes in degree programs, graduation requirements, or academic policies is made available by the Registrar’s Office and the appropriate academic departments.
Academic Integrity Policy

University of the West informs its education through its values. Putting these values into action requires students, staff, and faculty to practice honesty, responsibility, and integrity. UWest believes that students should have the opportunity to actively pursue knowledge and learning in a positive and fulfilling environment. Such an environment has no room for academic dishonesty, which violates the most fundamental values of the intellectual community and undermines its achievements. Therefore, all members of UWest’s academic community are expected to demonstrate a commitment to the principles of academic integrity.

Faculty and students share the responsibility of safeguarding the integrity of the classroom. Students have the responsibility to be aware of what constitutes academic dishonesty and to uphold the standards of honest academic endeavor, while faculty have the responsibility to communicate classroom standards clearly. The administration is responsible for applying sanctions that go beyond the classroom.

Academic dishonesty includes, but is not limited to, plagiarism, cheating, falsifying records, lying, obtaining or distributing examination materials prior to exams without the consent of the instructor, submitting another’s work as one’s own, submitting work completed for another course without the agreement of both instructors, and helping any other student in any act of dishonesty.

Faculty must provide a written report of any lapse of integrity to the Chief Academic Officer (CAO). The CAO, in consultation with faculty and department chair, will investigate the allegation. If a student is found to have committed an act of academic dishonesty, sanctions will be imposed and a record of the infraction will be entered into the student’s permanent record. At a minimum the student will receive zero credit on the assignment or examination in question. Further sanctions may be imposed depending on the severity of the action and the student’s past record. This may include a failing grade for the course, dismissal for one term, or expulsion from the university.

Satisfactory Academic Progress

Students must maintain satisfactory academic progress (SAP) to remain enrolled at UWest. Financial Aid recipients must also comply with the Financial Aid Satisfactory Academic Progress Policy to remain eligible for federal, state, and institutional financial assistance (see Financial Aid Satisfactory Academic Progress Policy).

Undergraduate & Graduate Degree & Certificate Programs

At a minimum, students must maintain a cumulative GPA as follows:

- 2.0 GPA Undergraduate degree & certificate programs
- 3.0 GPA Graduate degree & certificate programs

Progress is reviewed at the end of each term (fall, spring, and summer). Students who meet the minimum required cumulative GPA but whose term GPA falls below the minimum standard will be placed on Academic Warning for a period of one term. Students placed on warning must meet with their academic or program advisor to develop a plan of action to improve their grades so that they may continue to maintain the cumulative GPA required for their level of study.

Students whose cumulative GPA falls below the minimum standard will be placed on academic probation for a specified period, usually one term. Students placed on probation must meet with their academic advisor to develop an academic plan designed to help them regain good standing. This meeting must occur no later than the first Friday of the term in which the student has been placed on probation. Graduate students on probation may enroll in no more than 9 units per semester and probationary undergraduates in 14 units until returned to good standing. All students on warning or probation are expected to make use of the services of the Student Success Center.

At the close of the academic probation period, a student whose cumulative GPA remains below the minimum requirements may be dismissed from the university. However, if at the end of the period of probation a student’s cumulative GPA remains below the minimum but the term GPA exceeds the minimum, upon recommendation of the dean the student may be granted one additional term to return to good standing.
Reinstatement

A student who has been academically dismissed may appeal for reinstatement. Forms are available in the Registrar’s Office. There are two routes to reinstatement.

At UWest

(Undergraduates & Graduates)

A student who has been dismissed may petition for reinstatement to UWest directly after dismissal by submitting a petition for reinstatement to the Dean of Student Affairs. This is the only option open to graduate students.

This petition must indicate what led to the dismissal as well as what has changed in the student’s situation that will allow the student to succeed if reinstated. Such petitions should be based on verifiable substantive circumstances such as a major life change, significant work issue, death in the family, etc. Documentation may be required.

Students should note that if they are reinstated and subsequently dismissed, they will not be reinstated a second time. Undergraduates may want to follow the “off campus” route, explained next.

Reinstatement on Probation

If the reinstatement petition is approved, the student will be reinstated on probation with a formal academic plan for a specified period, usually one term.

At the close of the period indicated on the academic plan, a student who has not raised his or her cumulative GPA to the minimum required may be dismissed from the university. This dismissal is final except when the student can document significant and compelling cause.

F-1 students may not extend the length of their program as indicated on their form I-20 due solely to a lack of satisfactory academic progress. Therefore it is critical that F-1 students pay particular heed to their status and seek academic support before their GPA is in jeopardy.

Students should carefully read the Financial Aid section of this catalog to understand the impact of academic warning, probation, and dismissal upon eligibility for federal, state, and institutional financial aid.

Off Campus

(Undergraduates only)

Alternatively, an undergraduate student may petition for reinstatement and readmission after successful completion of at least 24 units of substantive academic coursework in a single term with a GPA of at least 2.4 at an accredited college or university. At no time will a grade below C be considered acceptable by UWest.

The student must submit a petition for reinstatement and request for reentry along with an official transcript showing completion of the required coursework to the Dean of Student Affairs. The petition must indicate what led to the dismissal as well as what has changed in the student’s situation that will allow the student to succeed if reinstated.

It should be noted that, while the units earned elsewhere may be considered as justification for reinstatement, the courses completed may not be applicable as transfer credit. This determination is subject to the transfer credit policy in this catalog and is contingent upon applicability to the student’s program of enrollment at UWest.

English as a Second Language (ESL) Certificate Program

Students enrolled in the ESL Program and those who are enrolled in a degree program but who are taking only ESL courses must earn a term GPA of 2.7 to advance in the ESL and Bridge sequence of classes. Students who do not achieve this GPA may be required to repeat a level until the minimum GPA has been achieved and the student has demonstrated that he or she is prepared to advance.
Attendance

Class attendance is a critical factor in student success. Successful attendance begins with an appropriate schedule; students should select a schedule that minimizes conflicts with work and other obligations. Once that schedule is selected, students have the responsibility to demonstrate commitment to their education and respect for their instructors by attending each class session in its entirety, arriving punctually, reporting to class fully prepared, and participating in class discussions.

Instructors determine policy for their classes, including the impact of excused absences, and will include this information on the course syllabus distributed at the beginning of each term. At a minimum, students are expected to attend at least 80% of scheduled class sessions. Students who fall below 80% attendance (equivalent to 4 absences in courses meeting weekly for 16 weeks) may receive a reduction in grade. Students who fall below 70% attendance may be dismissed from that class upon recommendation of the instructor.

If the class dismissal occurs prior to the term withdrawal deadline, a grade of W will be posted to the student’s transcript; after this deadline, a grade of FW will be posted.

Students who attend no classes for two consecutive weeks without prior approval of the department chair may be considered to have voluntarily withdrawn from UWest. A university-initiated program withdrawal may be processed and grades assigned as above.

Students should be aware that course and program dismissals may negatively impact their ability to maintain satisfactory academic progress as well as their eligibility for financial aid and scholarships. International students on F-1 visas must be especially aware that if a course or program dismissal drops their status to less than full time, UWest is obligated to notify the Department of Homeland Security of the change in status, and the Form I-20 may be terminated.

A student who is dismissed from a class or the program retains the right to petition the department chair for reinstatement. Upon consultation with the instructor, the chair renders a decision. If the request is denied, the student may petition the Dean of Student Affairs. The decision of the dean is final. See the Registrar’s Office for a Petition to Reinstate.

The ESL attendance policy is unique to the ESL Program and is explained in full under the ESL Program information in this catalog.
Class Level

Classification of students as freshmen, sophomores, juniors, and seniors is determined by the number of for-credit units completed, including those transferred to UWest from other colleges or universities. The classification is as follows:

<table>
<thead>
<tr>
<th>Class Level</th>
<th>Semester Units Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>1-29</td>
</tr>
<tr>
<td>Sophomore</td>
<td>30-59</td>
</tr>
<tr>
<td>Junior</td>
<td>60-89</td>
</tr>
<tr>
<td>Senior</td>
<td>90-graduation</td>
</tr>
<tr>
<td>Graduate Student</td>
<td>Enrolled in Master's or Doctoral-Level Program</td>
</tr>
</tbody>
</table>

Course Numbering System

Course number indicates level of complexity.

<table>
<thead>
<tr>
<th>Course Number</th>
<th>Course Type</th>
<th>Open To</th>
</tr>
</thead>
<tbody>
<tr>
<td>001-099</td>
<td>Not degree applicable</td>
<td>ESL, Academic English students, and undergraduate students</td>
</tr>
<tr>
<td></td>
<td>Non-credit courses</td>
<td></td>
</tr>
<tr>
<td>100-199</td>
<td>Lower Division</td>
<td>All undergraduate students</td>
</tr>
<tr>
<td></td>
<td>Freshman level, 1st year</td>
<td></td>
</tr>
<tr>
<td>200-299</td>
<td>Lower Division</td>
<td>Sophomore or above undergraduate students; freshmen admitted with advisor approval</td>
</tr>
<tr>
<td></td>
<td>Sophomore level, 2nd year</td>
<td></td>
</tr>
<tr>
<td>300-399</td>
<td>Upper Division</td>
<td>Junior or above undergraduate students; freshmen and sophomores admitted with advisor approval</td>
</tr>
<tr>
<td></td>
<td>Junior level, 3rd year</td>
<td></td>
</tr>
<tr>
<td>400-499</td>
<td>Upper Division</td>
<td>Junior or above undergraduate students; sophomores admitted with advisor approval; freshmen not admitted</td>
</tr>
<tr>
<td></td>
<td>Senior level, 4th year</td>
<td></td>
</tr>
<tr>
<td>500-599</td>
<td>Graduate courses, introductory</td>
<td>Graduate students; advanced undergraduates with approval*</td>
</tr>
<tr>
<td>600-715</td>
<td>Graduate courses, intermediate</td>
<td>Graduate students only</td>
</tr>
<tr>
<td>800-899</td>
<td>Continuing education courses</td>
<td>All students, including non-degree-seeking</td>
</tr>
</tbody>
</table>

*Undergraduate students, in exceptional circumstances, may be eligible to request enrollment in graduate courses.

Eligibility: Junior status with minimum of 75 degree-applicable units earned

Minimum 3.0 cumulative GPA; 3.5 cumulative GPA in major courses

Students should be aware that this is a holistic decision and all aspects of their enrollment and citizenship are considered. In addition to academic ability, petitioners should have a history of modeling exemplary behavior and maturity in the classroom and UWest community.

To register for a graduate course, students submit an approved General Petition with the Registration/Add Drop form. No more than two courses (6 units) at the graduate level may be applied to undergraduate graduation.
Grading Standards

University of the West uses a 4-point grade scale. Letter grades are assigned by the instructor of record to indicate the extent to which a student has achieved course objectives.

All grades, except incompletes (I and IC), are final when posted by the instructor. No grade will be revised by reexamination or completion of extra work with the exception of official incompletes. A student who feels that there is an error in the recorded grade should meet with the instructor to determine if the grade was correctly recorded. If an error was made in grade entry, the instructor may request a correction by submitting a Grade Change form to the Registrar’s Office. The registrar is authorized to change a final grade only if a clerical or procedural error must be corrected.

Any grade correction requested made more than one year after the original filing must be validated by the department chair. Any grade change made by an instructor who has left UWest must be approved by the department chair.

A student who wishes to challenge a grade issued by a professor must do so no later than the term immediately following that in which the course was completed. Refer to the Grade Grievance policy in this catalog.

The following grades are included in the calculation of the grade point average (GPA):

<table>
<thead>
<tr>
<th>Meaning</th>
<th>Grade</th>
<th>Quality-Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Superior</td>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td></td>
<td>A-</td>
<td>3.7</td>
</tr>
<tr>
<td>Good</td>
<td>B+</td>
<td>3.3</td>
</tr>
<tr>
<td></td>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td></td>
<td>B-</td>
<td>2.7</td>
</tr>
<tr>
<td>Satisfactory*</td>
<td>C+</td>
<td>2.3</td>
</tr>
<tr>
<td></td>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td></td>
<td>C-</td>
<td>1.7</td>
</tr>
<tr>
<td>Unsatisfactory</td>
<td>D+</td>
<td>1.3</td>
</tr>
<tr>
<td></td>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td></td>
<td>D-</td>
<td>0.7</td>
</tr>
<tr>
<td>Failing</td>
<td>F</td>
<td>0.0</td>
</tr>
<tr>
<td>Failing to Withdraw</td>
<td>FW</td>
<td>0.0</td>
</tr>
</tbody>
</table>

* Some courses and programs may require grades above the C-level for passing. Such requirements are noted in this catalog under the program and course description.

FW (Failing to Withdraw): Indicates the student ceased attending at some point during the semester but did not officially withdraw. FW is computed in the GPA as an F.

The following grades are not included in the calculation of the grade point average.

| Audit                  | AU    |
| In Progress            | IP    |
| incomplete             | I (graded) |
|                        | IC (pass/no pass) |
| Not Reported           | NR    |
| Pass/No Pass           | P/NP  |
| Reported Delayed       | RD    |
| Thesis in Progress     | TIP   |
| Withdraw               | W     |
Audit (AU): Course is not being taken for credit. Many classes at UWest can be audited with advisor approval. Course prerequisites are enforced in determination of registration eligibility for the course, and fees are assessed as listed in the Tuition and Fees section of this catalog. Units are not applicable to financial aid eligibility. Those auditing courses take no examinations, write no papers, and receive no grade or credit.

In Progress (IP): Courses in progress during current term.

Incomplete (I or IC): Student has requested and been granted a specified extension beyond the last day of the term for submission of work. An instructor has the discretion to approve an incomplete grade to a student when issues beyond the control of the student prevent the completion of course requirements within the term. Legitimate cause may include, but is not limited to, such things as illness, unavoidable absence, or significant life change.

Incomplete grades may be issued only when all of the following circumstances apply:

- The student is currently passing the course;
- The student has attended at least 60% of the term (fall & spring semesters: through week 10; summer session: through week 6);
- Legitimate cause prevents completion of required work by the due date;
- Required work may reasonably be completed in an agreed-upon time frame;
- The student initiates the request for an incomplete grade before the end of the academic term.

Students who are unable to complete a course but do not meet the above circumstances should consider dropping the course. Students may drop with a W through Friday of week 10 during the fall and spring semesters, and Friday of week 6 during the summer session. Students may drop with an FW after this date.

An incomplete grade is not an appropriate solution if based solely on a student’s failure to submit work satisfactorily during the term or as a means of raising a grade through the submission of additional work after the term ends.
An incomplete grade is not considered passing for purposes of determining academic standing or federal financial aid and scholarship eligibility. Details on the incomplete process are included on the Petition for Incomplete Grade form, available from the Registrar’s Office.

Not Reported (NR): The instructor has not yet assigned a grade to the student.

Pass/No Pass (P/NP): Students may select Pass/No Pass as a grading option at the time they initially register for courses or may change grading options up until the deadline posted on the Academic Calendar. Some courses are graded only on a P/NP basis; this is indicated in the catalog course description. Undergraduates may take up to 12 units per year on a P/NP basis with advisor or chair’s approval. Courses offered only on a P/NP basis are not included in the 12-unit limit. With the exception of courses graded only on P/NP basis, graduate students should consult with the department chair or advisor as elective P/NP courses are generally not applicable toward graduation. Students who take a course for P/NP, cease attending in the course of the semester, and fail to withdraw will receive an “FW” grade.

Pass (P): Course was taken for Pass/No Pass and was passed. P is equivalent to at least a 2.0 and may be applied toward satisfaction of degree requirements as allowed under program requirements, but is disregarded in determining overall grade point average.

No Pass (NP): Course was taken for Pass/No Pass and was not passed. NP is equivalent to less than 2.0, is not applied toward satisfaction of degree requirements, and is disregarded in determining overall grade point average.

Report Delayed (RD): The grade has not yet been received. Thesis in Progress (TIP): Thesis continued into following term. Credits to be awarded during the term in which the thesis is accepted as complete. No impact upon grade point average.

Thesis in Progress (TIP): Thesis continued into following term. Credits to be awarded during the term in which the thesis is accepted as complete. No impact upon grade point average.

Withdraw (W): Indicates withdrawal from a class after the close of the add/drop period but before the posted withdrawal deadline. Failure to attend does not constitute withdrawal from a class without the filing of an approved withdrawal form. A student who stops attending without submitting a withdrawal form may receive the earned grade for the class, usually an F or an FW. Students should refer to the Academic Calendar for course add/drop deadlines and deadlines for receiving a W grade in a course. Instructions for withdrawing from a class or the university are provided under Registration and Records.
Change of Grading Option

When registering, students may elect to take a course for a letter grade, as Pass/No Pass, or as an audit as allowed within their major. After initial registration in a course, students retain the right to change the grading option upon approval. To do so, students submit an approved Change of Grading System form to the Registrar’s Office. This form must be submitted by the deadline listed on the Academic Calendar. Once a course is graded, students cannot request a change in grading option.

Repeated Courses

Undergraduate Policy: Undergraduate students are allowed one repeat of any course in which they received a grade of C- or below to improve their grade point average (GPA). Each attempt will remain on the student’s permanent transcript, but only the highest grade earned will be used in the calculation of cumulative GPA and credits earned toward graduation. Students seeking to repeat a course more than once will need the approval of their department chair. Transfer credit for a course not passed at University of the West will not improve GPA. Multiple repeats may affect financial aid eligibility.

Graduate Policy: All courses in which a letter grade is given, including repeated courses, are used in computing cumulative GPA. However, except as allowed for certain topical or research courses, repeated courses will be credited only once towards graduation.

Grade Grievance

Grades are assigned by the instructor and, except in the case of negligent or capricious grading, the grade issued by the instructor is final. No grade will be revised by re-examination or completion of extra work with the exception of official incompletes. A student who feels that there is an error in the recorded grade should meet with the instructor to determine if the grade was correctly recorded. If an error was made in grade entry, the instructor will submit a Grade Change form to the Registrar’s Office. The registrar is authorized to change a final grade only in the case of clerical or procedural errors.

If, after this discussion, students wish to challenge a final grade, they must follow the grade grievance process specified on the Grade Grievance form available from the Registrar’s Office.

General Petition

Students have the right to petition to be exempted from a rule or regulation of the university (e.g. changes in academic requirements). They may also appeal for credit by examination and for review of matters related to the transfer of units from other institutions. An approved petition represents an agreement between the student and the university. More information regarding the General Petition is available from the Registrar’s Office.
Multiple Degrees/Concentrations

Students often are interested in fulfilling their educational dreams by pursuing multiple degrees while at UWest. If a student wishes to advance through a standard progression of degrees, an application for admission may be submitted during the final term of the lower level enrollment. The application fee is due for each application submitted to the university. If admitted, acceptance will be contingent upon graduation from the lower level degree.

Students should be aware that enrolling in multiple programs or repeating degree levels may have financial aid or F-1 visa implications. Therefore, all students interested in pursuing multiple degrees or concentrations or in repeating a degree level in a different program must meet with Financial Aid prior to entering into the multiple enrollment, whether concurrent or consecutive. Students on F-1 visas must also have approval from the International Student Services Office. If enrolled on an F-1 visa, students should be aware that an updated I-20 showing enrollment in the advanced degree cannot be issued prior to graduation from the original program.

Concentrations

Two Concentrations in the Same Program

Concurrent Enrollment: A student who seeks to concurrently complete two concentrations in the same program must complete all requirements for both concentrations. Concentration units may not be applied to more than one concentration, i.e. all concentration units must be unique.
One diploma showing both concentrations will be awarded at the time of graduation. Enrollment in a second concentration must be approved in advance by the department chair. Students should explore minor options to determine if earning a minor would better meet their needs.

**Subsequent Enrollment:** A graduate who wishes to re-enroll to complete the requirements of a second concentration after the award of a bachelor’s degree in the same program must apply for readmission. A minimum of 18 additional units specific to the second concentration must be completed. In addition, the student must complete all program requirements in effect at the time of readmission.

Upon completion of the requirements, UWest will not issue a second diploma; rather, the additional concentration will be noted on the official academic transcript. The student may be better served by enrolling in a graduate degree or graduate certificate program.

### Undergraduate Degrees

#### Second Bachelor’s Degree After Graduation

A UWest graduate who wishes to earn a second UWest undergraduate degree in a different program of study must apply for admission to the program. The student must complete a minimum of 30 units in residence beyond the minimum requirements for the first bachelor’s degree for a minimum total of 60 semester credits in residence and a minimum total of 150 semester credits. A diploma will be issued for the second degree. The student should request a degree evaluation before beginning the program to determine which courses will be required.

The university does not encourage such enrollment as most students will be better served pursuing a graduate degree. Students must explain their rationale in applying for a second bachelor’s degree in the personal essay submitted with the application for admission. This will be considered during the review for admission to the second degree program.

### Master’s Degrees

#### Master’s Program Subsequent to UWest Bachelor’s Degree

Interested students may apply to a UWest master’s degree during their final term in the bachelor’s degree program. Admission is contingent upon successful completion of the bachelor’s degree and fulfillment of all admissions requirements. Students are not eligible to begin the master’s program until the term following the award of the bachelor’s degree. No credits earned during the bachelor’s enrollment may be applied to a UWest graduate degree and no coursework may be repeated.

#### Multiple Master’s Degrees

Students interested in completing multiple master’s degrees at UWest are required to apply to and be admitted to each program. This applies to completing a second degree, as well as transferring to a program offered by a department other than that in which the student is attending.

Credits applied to a previous UWest master’s degree cannot be applied toward the requirements of a second master’s degree except as specified. Students are required to meet all course, exam, research, practicum, internship, candidacy, and other graduation requirements for each program. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree.
A diploma will be issued for each master’s degree awarded unless dual enrollment is required. Students must submit a petition to graduate when registering for their final term in each program and a diploma will be issued for each degree awarded. If dual enrollment is required, students petition to graduate when registering for their final term in attendance and one diploma will be issued showing both degrees and majors.

**Concurrent Enrollment**

Students must meet all degree requirements for both degrees. No more than 6 units may be shared by both degrees and must be approved in advance by the appropriate department chairs. Students are required to meet all course, exam, research, practicum, internship, candidacy, and other graduation requirements for each program. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree unless explicitly approved by both department chairs at the time of admission.

**Subsequent Enrollment**

Students who have earned a master’s degree at UWest or elsewhere may complete a second master’s degree at UWest if offered by a different department. No more than 6 units earned towards the first master’s degree may be applied to the second master’s degree. No work submitted for the first degree, such as a thesis or portfolio project, may be submitted for the second degree.

**Changing Programs**

If a student chooses to change programs while enrolled in a master’s program at UWest, all applicable units earned while enrolled in the original program may be applied to the new program with the new program chair’s approval. This policy applies only to courses completed at UWest. After graduation these courses cannot later be reapplied to the original degree program except for six units as defined above.

**UWest Master’s Degree After Completion of UWest Doctoral Degree**

Students awarded a Doctor of Philosophy or Doctor of Buddhist Ministry may not subsequently enroll in a master’s degree program offered by the same department. However, they do have the option to apply to a master’s degree offered by a different department. No more than 6 units applied to previous graduate degrees may be applied to the master’s degree with one exception. Students accepted to the Master of Divinity in Buddhist Chaplaincy program after the award of a UWest Doctor of Philosophy in Religious Studies may be allowed to apply up to 24 units earned while enrolled in the PhD program with the approval of the Chaplaincy department chair.

**Doctoral Degrees**

Students interested in enrolling in a doctoral degree program after completing a UWest master’s degree must apply to that program by the applicable deadline for the intended start date. In some situations a student may be granted concurrent enrollment in both programs for a period not to exceed one term. Concurrent enrollment is allowed if:

- the master’s degree earned is not an admissions requirement for the doctoral degree program,
- it is the student’s final term in the master’s degree program, and
- no more than 6 units are required to graduate in the initial enrollment.

Students who have completed a UWest master’s degree and then enter a UWest doctoral degree program in the same department may have up to 36 units applied from the master’s degree. Students entering from a different field of study may have up to 30 units of applicable coursework accepted upon approval.
Graduation

Degrees are awarded at the close of each semester and are dated the last day of the term in which degree requirements are met. All degree requirements, including but not limited to incompletes, internships, and missing grades, must be completed by the last day of the month in which the degree is to be awarded. Work completed at other institutions must be received on or before the degree award date to be applied toward degree requirements. The candidate’s department chair must verify that the date of graduation indicated on the Petition to Graduate form is accurate.

Students are required to complete their final semester of coursework with a minimum of 6 units in residence and cannot transfer courses to meet final degree requirements if such work is completed after the last date of attendance at UWest.

Although a student may have completed all degree program requirements, graduation is not automatic. Students who believe they are ready to graduate must meet with their chair to have a Petition to Graduate form approved. The Petition to Graduate form and graduation fee are due when students register for their final term.

If a student should fail to complete requirements by the intended graduation date, a new Petition to Graduate form must be filed and the associated fee paid.

Undergraduate Residence Requirement

UWest has a 25% undergraduate residence requirement, meaning that at least 25% (30 units) of coursework awarded toward an undergraduate degree must be completed at UWest. Of these 30 units, at least 24 units must be upper division. Transfer credit, advanced placement credit, and units earned through credit by examination are not applicable to the residency requirement.
Commencement

UWest’s formal commencement ceremony is held each year in May. Students interested in participating in the annual ceremony must indicate this on the Petition to Graduate form submitted and pay the commencement fee. Students must be on course to satisfactorily complete all degree requirements (including comprehensive examination, thesis and/or project, and dissertation defense) by the commencement date. Students receiving degrees at the end of the fall or summer term are invited to participate in the commencement ceremony held the following May.

To participate in May commencement ceremonies, students must meet one of the following academic conditions:

- earned degree in summer or fall semester immediately preceding the spring semester in which commencement is held.
- filed a Petition to Graduate form with the Registrar’s Office for the current spring term in which commencement is to be held and have completed or will complete all degree requirements by the end of the current spring semester.
- Master’s students must pass any required comprehensive examination, thesis, or capstone on or before the deadline established for the spring semester.
- PhD candidates must successfully defend their dissertation on or before the deadline established for the spring semester.
Students may request approval to participate prior to graduating only if they meet the following criteria:

- file a Petition to Graduate form with the Registrar’s Office by the posted deadline.
- at the time of the ceremony will have no more than the following requirements remaining:
  - Bachelor’s degree students: 9 units.
  - Master’s degree students: 6 units.
- No graduate student is permitted to participate unless he or she has completed and passed any required defense, comprehensive examination, thesis, or capstone on or before the deadline established for the spring semester.
- have scheduled all remaining courses in the summer or fall term immediately following the ceremony.
Academic Honors

Responsibility and excellence are two values central to UWest’s vision and governance. Superior academic performance is a demonstration of these two values. The university recognizes undergraduate degree students who achieve a final cumulative grade point average (GPA) of 3.7 or higher. The appropriate honor is printed on the final transcript and diploma. To be eligible, a student must earn a minimum of 54 units in graded classes completed at UWest.

Cumulative GPA

<td>magna cum laude</td>
<td>with great praise</td>
</tr>
<tr>
<td>3.9 – 4.0</td>
<td>summa cum laude</td>
<td>with highest praise</td>
</tr>
</tbody>
</table>

In addition to graduation honors, UWest recognizes undergraduate success each fall and spring semester. Full-time undergraduate degree students may earn a place on the Dean’s or President’s List. To be eligible, a student must successfully complete at least 12 units in the fall or spring semester with a term GPA as specified below. Courses taken in the summer session are not included in the review for this honor.

Living on campus has many benefits for students. Not only is it convenient, but students who choose to live on campus enter into a supportive community that fosters academic success and personal growth. In addition, the cost of living in university housing generally is lower than the cost of off-campus rentals. With classrooms, library, and other facilities just a short walk away, students who live in the residence halls can concentrate on studying and graduate on time. Living amongst classmates and peers makes it easy to join study groups, socialize with the diverse UWest community, and take an active part in campus events. Nutritious meals served in the UWest dining hall are another time-saving advantage.

Under the direction of the Office of Residential Life, UWest’s two residence halls provide housing to 150 students and are open to full-time students as well as those enrolled in intensive short-term courses. Residence halls are located within walking distance of classes, dining, and recreational facilities. Most rooms are double or triple occupancy, but a few singles are available.

UWest’s residence halls offer:
- Live-in residential advisors
- Furnished accommodations
- Lounge and study spaces
- Computer lab
- Wireless network
- Cable television
- Coin-operated laundry
- Dining facilities
- Common-area kitchenettes
- Exercise facilities
- Pool and Spa
Room & Board

Applications for on-campus housing (room and board) are accepted every semester. Room and board are prorated on a weekly basis for students arriving mid-semester.

Students are required to complete a housing contract specific to the period of residence. The standard contract includes both room occupancy and meal plan. Meal plans are valid only for the specified contract period, and unused meal credit cannot be refunded or carried over to the next contract period. Limited meal service is provided on weekends; no meal service is offered on holidays. Additional meals may be purchased at any time through the Office of Accounting.

The housing costs specified below do not include winter or summer break or summer sessions. Students who wish to remain in the residence halls during these periods must enter into a separate contract specific to those periods.

Housing Contract

As part of their admission packet, all new students receive a Residential Life Contract Information package. This information should be read carefully. Students are required to complete a new housing contract every term they choose to live on campus.

Incoming freshmen and international students are guaranteed space in the residence halls if they submit their Confirmation of Intent to Enroll form on or before May 1 and a signed Residence Hall Contract on or before June 1. Both of these documents are included in the admission packet. Fall residence hall room assignments are announced in early August.

Room assignments are made on a first-come-first-served basis and are limited by room availability. Therefore, specific halls, rooms, or room types cannot be guaranteed.

The housing contract does not include winter or summer break or summer sessions. Students who wish to remain in the residence halls during these periods must enter into a separate contract specific to those periods.

More information about student housing, including the Residence Hall Rules, is available in the Student Handbook and the Residential Life page at www.uwest.edu.

Monastics & Clergy

The Office of Residential Life will guarantee that celibate clergy in recognized religious orders will not be roomed together with non-celibate residents. However, it cannot be guaranteed that, for example, a Buddhist monk and a Catholic priest or a Bikkhuni and a Sramanerika will not be roomed together. Every reasonable effort will be made to accommodate religious vows where roommate assignments are concerned, but no guarantee can be given beyond making the distinction between celibate and non-celibate residents.
Dining Services

UWest’s dining hall provides breakfast, lunch, and dinner Monday through Friday and limited weekend hours. No meal service is offered on school holidays. All meals include vegetarian and vegan options.

The dining hall is open to all members of the community including students, faculty, and staff. Those not living in the residence halls may choose to purchase meal plans or individual meals from the Accounting office. Visitors are welcome.
Student Affairs

Mission

Student Affairs embraces the mission of UWest by providing programs and services that embody the values of character, compassion, and community in support of the whole-person development of our students. Working together with students, faculty, and staff, Student Affairs creates a vibrant and inclusive community where people from diverse cultures learn from, with, and on behalf of one another. By fostering wellness and the cultivation of mental and spiritual wisdom, Student Affairs empowers all members of the UWest community to achieve their highest educational and personal potential.

Student Affairs provides an array of services and programs to UWest students and alumni through a group of interconnected offices and functions:

- Academic Advising (below and page 75, Registration & Records)
- Career Development Center
- Disabilities Services
- International Student Services (page 41, International Student Services)
- Residential Life (page 101, Living on Campus)
- Student Development
- Student Life
- Student Success Center
- Wellness Center

This chapter features some of the principal student support services offered through Student Affairs. Comprehensive information about services and programs provided by Student Affairs is included in the UWest Student Handbook and on the relevant UWest website pages.
Academic Advising

The academic advisor for undergraduate students provides personalized advisement to facilitate transition into the university, set academic goals, address academic concerns, strengthen academic performance, and support students toward their degree. Program advisors (academic chairs and other assigned faculty) are available to advise students in areas specific to their field of study. Undergraduate students should expect to develop relationships with both their academic and their program advisors.

The academic advisor assists students with their course scheduling each semester and provides one-on-one academic coaching, supplemental advising, and academic success workshops throughout the academic year. A high priority is working with students who have reached academic warning or probation to reaffirm goals, connect with resources, offer problem-solving strategies, and regularly meet for progress checks.

With the advisor’s guidance, students learn to navigate the system of policies, procedures, and program requirements and are prepared to take responsibility for their decisions about courses, academic programs, and long-term plans. The academic advisor also helps students to assess their interests, values, and academic skills and to understand these in relation to discipline choice and potential future career or graduate school options.

Career Development Center

The UWest Career Development Center helps students transition from college to workplace, serving active students as well as alumni. Students receive assistance researching the employment market and locating internships. The center provides workshops to help students develop professional skills such as resume and cover letter writing, interview practice and preparation, and guided exploration of careers and majors. The Career Development Coordinator also provides personalized career planning and job search assistance.

Career Development offers a selection of books and materials to help students and alumni research careers and search for jobs. The center maintains a job board, updated weekly to inform students about upcoming career events as well as job and internship opportunities. Students may also use the center’s computers to apply for jobs online. Students are welcome to stop by and meet the Career Development staff and get a head start on career planning.

Students looking for permanent or short-term job opportunities are encouraged to visit the center in AD107, call 626.571.8811 ext. 463, or email careerdev@uwest.edu.

F-1 students who plan on participating in Optional Practical Training (OPT) after graduation may contact the center for assistance in the search for qualified employment as well as for tips on preparing for the application and selection process.
Disabilities Services

UWest is committed to providing students with disabilities equal access to all academic, social, and community opportunities offered through the university. This commitment complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, and applicable local, state, and federal antidiscrimination laws. Detailed information on accommodation policy and procedures is available from the Student Success Center.

UWest’s Student Success Center Coordinator facilitates all requests for reasonable accommodations. Accommodation does not include a provision to change academic standards but rather provides students with the opportunity to succeed in meeting those standards. Some common accommodations include additional time on tests, note takers, and reduced-stress test areas. A student should be aware that proof of accommodation by prior schools or colleges or on standardized tests does not automatically assure that the same or any accommodations will be provided by UWest.

Any request for accommodation must be initiated by the student. To initiate an accommodation request, the student must submit a Request for Accommodation and proof of the disability to the Student Success Coordinator. This request and all documentation should be submitted as early as possible following acceptance to UWest. All requests are confidential. It is important to begin this process as early as possible as no accommodation can be granted until approved by the Student Success Coordinator. Full details regarding this process, including forms, are available in the student Success Center.

Student disability complaints (including denial or failure to implement accommodations, academic adjustments, and auxiliary aids) should be addressed to the Student Success Coordinator, the Dean of Academic Affairs, or the US Department of Education at http://www2.ed.gov/about/offices/list/ocr/index.html or by mail at:

Office for Civil Rights
San Francisco Office
U.S. Department of Education
50 Beale Street, Suite 7200
San Francisco, CA 94105-1813

Student Development

While all of the areas within Student Affairs exist to support the whole-person development of our students, the Director of Student Development is a designated staff person who facilitates opportunities and projects for student employees, leaders, and volunteers. One such opportunity has been Student Leadership Development, typically held mid-August prior to the welcoming of new fall semester students and the return of continuing students. Emphasis is placed on morale and team building, understanding what it means to be a role model to one’s peers, learning business etiquette and customer service skills, planning activities and programs for the student community, and making preparations for the opening of the fall semester.
Student Life

Student Life offers co-curricular programs and activities to involve students in the campus community while they pursue their educational goals. These programs support students’ personal, intellectual, and social development. Co-curricular activities complement academic study and provide students with opportunities to pursue shared interests and develop as a whole person and responsible global citizen. For example, Student Life organizes museum trips, community outreach and service activities, barbecues, cultural events, competitions, and other student-centered programs to enrich university life outside the classroom.

This office also supports UWSG-sponsored events and collaborates with recognized student clubs to facilitate events and activities. Participation in activities, clubs, and organizations not only contributes to students’ personal, academic, and professional growth but also enhances their sense of belonging. Students are encouraged to start or join organizations or clubs that will help round out their UWest experience.

Student Success Center

UWest’s Student Success Center (SSC) is dedicated to working with students, faculty, and staff to enhance the academic and professional success of all students. The center’s primary purpose is to provide students with a variety of educational services in a comfortable, confidential, and collaborative learning environment. SSC services fall into three areas.

- **Academic tutoring**: assists students in understanding course-specific concepts and materials and provides study skills, learning tools, and research strategies designed to foster academic success at the university level.
- **Language**: helps non-native English speakers and English as a Second Language (ESL) students develop their understanding and application of the English language, assists graduate students with reading, speaking, and translating Classical Chinese.
- **Multi-literacy**: supports members of the university working on academic and/or professional writing, speaking, or multimedia projects or presentations throughout the creative process.

The SSC provides support with academic research and writing, oral presentation preparation, math, and other subjects upon request. SSC tutors work with individual students or small groups to identify and pursue desired academic outcomes by providing tools and strategies that decrease academic anxiety and develop student confidence and skill. SSC tutors also conduct workshops in areas such as academic writing, oral presentation skills, academic integrity, and study strategies. The SSC cultivates relationships with other UWest departments to promote and develop writing across the curriculum.

The SSC Coordinator facilitates the Student Early Alert System (SEAS) team. This system helps identify students who may be facing academic challenges or failure or other difficulties so that the SEAS team may offer them the best support available. The system can be used easily by UWest faculty or staff to notify the SEAS team of any student who may need support. It is important for students to know that being reported to SEAS does not constitute disciplinary action, but is a notification to both the student and SEAS team that the student may need additional support to succeed.
Wellness Center

The Wellness Center provides for the well-being of UWest students through counseling, education, consultation, and referrals at no additional cost to the student.

The primary services of the center are mental health assessment and counseling to help students address a variety of challenges and stresses in their daily life. Counseling sessions are time-limited, supportive, and confidential within the parameters of state law. Students in need of more extensive support will be assisted in finding an appropriate off-campus referral. Consultation is also available for students, staff, or faculty who may have concerns regarding a particular student.

The Wellness Center also facilitates or promotes health-enhancing offerings, both on and off campus, such as educational workshops, social exchanges, community service, fitness classes or sessions, and the sharing of health information through sources such as the national monthly online magazine, Student Health 101, www.readsh101.com/uwest.html.

The center is staffed by a licensed mental health provider and a non-licensed therapist in training. Hours and availability are posted and updated each semester on the Wellness Center’s website. Students are encouraged to drop in at ED217, located within the Student Community Resource Center. Since Wellness staff availability is limited, it may be preferable to call ahead or email for an appointment. Wellness Center contact information:

- 626.571.8811 extension 452
- email wellness@uwest.edu
Student Rights & Responsibilities

All UWest students enjoy freedom of expression both in and out of the classroom provided that they do not infringe on the rights of others. Such infringements include disruption of classes, physical violence, and verbal or written threats. Students also have the right to participate in any association that does not engage in illegal behavior or activities.

Students have the right to a fundamentally fair process in any action taken by UWest that may reasonably be expected to affect their standing with the university. Fundamentally fair processes include the right to notification and explanation of charges made and actions taken, a prompt, fair, and impartial hearing, and an appeals process.

UWest policies are designed to guarantee that each student enjoys certain rights as a member of the academic community. The university does not discriminate on the basis of race, ethnicity, sex, national origin, religion, age, gender or gender expression or identity, disability, sexual orientation, or any other classification that deprives any persons their rights as valued individuals. Students have the right to participate in the formulation and application of institutional policy related to both academic and non-academic student affairs. Student participation includes the right to access information, to express views, and to have these views respectfully considered by other members of the UWest community.

As part of the university community, students enrolled at UWest are expected to show commitment to their studies and behave in ways that reflect the university’s mission and values. All members of the UWest community share the task of creating and maintaining a safe and open atmosphere.
Student Conduct

UWest fosters a whole-person learning environment where students, faculty, and staff live and work together peacefully and productively. Academic and co-curricular programs are designed to promote individual and collective pursuits of academic excellence, social responsibility, and personal growth and happiness.

University rules are put into place to create and maintain an environment that allows students, faculty, and staff to work freely under the safest and most equitable conditions possible. These rules are driven by the university’s mission and values and serve as the guidelines that help protect each campus member’s well-being. UWest treats violations of these rules as matters of serious concern because such violations disrupt the individual lives of its students and the shared life of its community.

Conduct Expectations

All members of the UWest community, to preserve an environment that facilitates learning and supports students in achieving their personal and academic objectives, are expected to display conduct consistent with the UWest mission and values. This pertains to conduct on campus, online, and at authorized university functions.

UWest students are expected to engage in responsible and ethical conduct and to model good citizenship in and beyond the campus community. In both their work and their daily interactions, UWest students demonstrate a commitment to diligent scholarship, open-minded inquiry, and service to others. UWest students cultivate a caring spirit, personal integrity, and inclusive community. By upholding the university’s values of character, compassion, and community, UWest students refrain from harming or discrediting themselves, the university, or any other individual.

A student who commits an act of misconduct is subject to disciplinary action by the university. Code of conduct rules apply to misconduct that adversely affects the academic community as well as the rights and lives of other people. Students who advise or incite others to violate university rules are as responsible for the violations as the individuals who actually commit them. UWest reserves the right to enforce its own rules regardless of any criminal or civil proceedings.
Causes for disciplinary action include, but are not limited to, the following:

- dishonesty, cheating, or plagiarism;
- the submission of any work previously submitted to satisfy another requirement without approval from instructors;
- knowingly furnishing false information to the university;
- forgery or other misuse of university documents, keys, and identification cards;
- unauthorized reproduction* of copyrighted software or material for oneself or others, or receipt of unauthorized copies;
- theft of or damage to UWest property;
- unauthorized entry onto university properties;
- disrupting teaching, research, administration, disciplinary procedures, or other university activities;
- physical abuse or threats of violence;
- disorderly conduct or disturbing the peace;
- harassment, sexual harassment, exploitation or intimidation;
- smoking anywhere on campus except in designated areas;
- the use, possession, or sale of narcotics, illegal drugs, or alcohol on campus or at university functions;
- the use, possession, or sale of firearms, knives, swords, fireworks, or any kind of explosive or dangerous substance on campus or at official university functions;
- other violations of university policies or campus rules and regulations;
- any other action that violates local, state, or federal laws.

Careful note should be taken that UWest is not and cannot be considered a protector or sanctuary from the existing laws of the city, state, or federal government.

UWest reserves the right to dismiss any student, without refund, if the student fails to abide by university regulations or when dismissal is deemed to be in the best interest of either the student or the university. Students may appeal a dismissal for cause by submitting a General Petition form to the Dean of Student Affairs.

*The Department of Education requires that all students are informed of the serious issue of copyright infringement. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted including, but not limited to, textbooks and software. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For "willful" infringement, a court may award up to $150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. More information is available at www.copyright.gov.
Student Grievance

A grievance is a formal complaint made by a student in response to an alleged action of the university or any of its faculty members, administrators, staff, or students. General complaints or suggestions regarding any university policy or procedure are not considered grievances and should be submitted in writing directly to the Office of Student Affairs. Students seeking an exception to an established policy should file a General Petition as described in the Academic Affairs and Policy section of this catalog. Grades and grading grievances are not covered by this policy. The grade grievance policy is included under Academic Policy and Procedure in this catalog.

Students who believe that they have been deprived of any of the rights set forth under Student Rights and Responsibilities or any state, federal, or local codes have the right to initiate the student grievance process.

A grievable action is one that is unauthorized or unjustified and adversely affects the status, rights, or privileges of the student, including actions based on race, ethnicity, color, national origin or citizenship, religion, gender or gender expression and identity, sex, sexual orientation, disability, economic status, veteran status, or age.

Any student with a complaint shall make a reasonable effort to resolve the matter on an informal basis before initiating a grievance. An administrative staff member will assist the student in seeking resolution by informal means. If the informal process does not lead to a resolution that is satisfactory to the grievant, the student may request a formal grievance hearing. The formal grievance process is detailed in the UWest Student Conduct Handbook, available from the Office of Student Life.
Keeping the Campus Safe

UWest promotes community life guided by principles of peace and loving kindness and takes seriously the safety of the whole campus community. Any member of the community who observes a serious threat to the safety of the community or its members is expected to contact campus authorities immediately.

| Campus Security (24 hours a day, 7 days a week) | 213.798.5482 (direct line) campus.safety@uwest.edu or Extension 333 (on campus) |
| Residence Hall--RA On Call | 626.673.0339 |
| Rosemead Sheriff’s Department (business number) | 626.285.7171 |
| General Services Department (facility issues) | 626.571.8811 ext. 170 |
| Emergency (police, fire, EMT) | 911 |

The Campus Receptionist, located in the main lobby, is on duty Monday through Friday during business hours and can access all departments as needed. Residential Life staff and Campus Security are available around the clock when other offices are closed. Campus Security are active on campus Monday through Friday, 5pm-7am, and Saturday/Sunday 24 hours. The phones are staffed around the clock. If there is a serious threat to any individual’s personal safety and staff or security cannot be located the student should dial 911.

Any violation of campus safety rules will result in administrative disciplinary action and may also include notification to law enforcement, notification to the campus community, or other public safety alternatives as determined appropriate.

Endangerment of Self or Others

All members of the UWest community are expected to refrain from behavior that intentionally or accidentally endangers or threatens to endanger their own health or safety as well as the health and safety of other community members or visitors both on campus and at off-campus UWest-sponsored or related events. This includes threats of suicide or violence against others made in jest or otherwise.

Drugs & Alcohol

Out of concern for the health and well-being of all community members as well as respect for the Buddhist values on which the university is founded, UWest is a dry and drug-free campus. The use, possession, or sale of narcotics, illegal drugs, or alcohol on campus or at any university function is prohibited.

Weapons, Explosives, & Hazardous Materials

Possession or use of weapons, explosives, and other hazardous materials is expressly prohibited on campus or at UWest-sponsored events. This policy will be strictly enforced. Details of prohibited objects and materials are found in the Student Conduct Handbook.

Violence & Abusive Behavior

Violence, abusive behavior, and threats of violence are prohibited. This policy will be strictly enforced. A student alleged to have engaged in any violent, abusive, or threatening behaviors—including threats made in jest—may be suspended while an investigation is underway. This prohibition includes stalking, verbal abuse, abusive behavior via third parties and social media, and violent destruction of property. The Student Conduct Handbook contains a comprehensive list of such prohibited behaviors.
Nondiscrimination & Harassment Policies

University of the West fosters a diverse and inclusive learning environment where all individuals are valued and supported. In accordance with UWest’s mission and values, the university is committed to providing equal opportunities to students of all genders in all campus programs.

UWest does not discriminate on the basis of race, ethnicity, color, national origin or citizenship, religion, gender or gender expression and identity, sex, sexual orientation, disability, economic status, or age in the educational programs or activities it conducts. Such programs and activities include but are not limited to admission, academic and non-academic programs, and employment. Discrimination and harassment on the basis of classified statuses are prohibited by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Sections 504 and 508 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and various state laws and all subsequent amendments by the US Department of Education.

UWest takes seriously any complaint of discrimination. All complaints are investigated promptly and fully. Inquiries concerning UWest’s compliance with discrimination and harassment regulations, including campus policies and complaint filing, process, and resolution, may be addressed to the Dean of Student Affairs or the Office of Legal Services. Complaints may also be filed directly with:

US Department of Education, Office for Civil Rights Region IX
San Francisco Office
Old Federal Building, 09-8010
50 United Nations Plaza, Room 239
San Francisco, CA 94102-4102
www.ed.gov/ocr

Sexual Discrimination, Harassment, & Violence

Title IX of the Education Amendments of 1972 protects all people regardless of their gender or gender identity from sexual discrimination, which includes sexual harassment and violence. Sexual misconduct involving a student both on and off campus is prohibited; such misconduct includes any sexual or romantic behavior, attempted or completed, that goes beyond the boundaries of consent.

Sexual Misconduct

“Sexual misconduct” describes a variety of behaviors ranging from the most severe (violent assault) to harassment, and including exploitation. Sexual misconduct includes attempted or completed surreptitious visual observation or recordation, indecent exposure, knowingly transmitting sexual infection, inducing incapacitation for sexual purposes, sexual assault, sexual harassment, relationship abuse and violence (domestic violence and dating violence), stalking, and rape. Sexual misconduct can involve two people of the same or different genders, strangers, non-strangers, and/or more than two people. The university recognizes both men and women as potential perpetrators or victims of sexual misconduct. Intoxication of the perpetrator does not diminish his or her responsibility for an act of sexual misconduct.

Finding More Information

For definitions of prohibited behaviors, reporting and adjudication processes, confidential resources, and the like, see the university website or the UWest Student Conduct Handbook.
Defining Consent

Consent is an agreement between equal partners that includes clear, informed, and voluntary communication of intent.

The State of California Education Code has established an affirmative consent standard in the determination of whether consent was given by both parties to sexual activity: "Affirmative consent' means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent." (SB 967)

Consequences of Sexual Misconduct

Individuals alleged to have committed rape, sexual assault, and/or relationship violence may face criminal prosecution by law enforcement and may incur penalties as a result of civil litigation. In addition, employees and students may face disciplinary action at the university.

In addition to any criminal prosecution, students charged with sexual discrimination, harassment, or violence will be subject to the university conduct process and will be subject to appropriate university sanctions. In addition, during any investigation, UWest may implement interim measures to maintain a safe and non-discriminatory educational environment. Such measures may include immediate interim suspension from the university, required move from residence halls or other university-owned housing, adjustment to course schedule, or prohibition from contact with parties involved in the alleged incident. In all such proceedings, the university is committed to maintaining confidentiality, providing a trauma-informed response, and pursuing a fundamentally fair process for all parties involved. As in all conduct proceedings, determinations of responsibility for any alleged act are based on a preponderance of evidence.

Students who have complaints, questions, or concerns regarding sexual discrimination, harassment or violence should contact UWest’s Campus Title IX Coordinator.

Students may also contact the US Department of Education, Office for Civil Rights at 800.421.3481 or ocr@ed.gov. Complaint forms can be submitted online to the Office for Civil Rights at 2.ed.gov/about/offices/list/ocr/complaintintro.html.
Campus Title IX Coordinator

The Dean of Student Affairs serves as UWest’s Campus Title IX Coordinator and is available to explain and discuss a student’s right to file a criminal complaint (sexual assault and violence); the university’s complaint process, including the investigation process; how confidentiality is handled; available resources, both on and off campus; and other related matters. A student who is in the midst of an emergency should call the police immediately by dialing 911.

Suggestions & Complaints

The strength of UWest as a community lies in its commitment to open and multidirectional communication. Every member of the learning community—student, staff, and faculty—is empowered to contribute to the growth of this institution by sharing ideas, suggestions, and concerns with the administration.

To this end, any individual with a suggestion for improvement or with a concern or complaint that does not fall into a category defined under Academic or Student Affairs is encouraged to contact the Office of the President.

Email: Suggestions@UWest.edu
Mail: Office of the President
Re: Suggestion/Complaint
1409 Walnut Grove Ave.
Rosemead, California 91770

All suggestions and complaints are given serious consideration and all communications are considered confidential. While anonymous suggestions and complaints will be reviewed, anonymity does not allow for dialog. Individuals are therefore encouraged to include their contact information so the administration may respond.

WASC Senior College and University Commission

Complaints and Third Party Comments Policy

Accreditation by the WASC Senior College and University Commission (WSCUC) represents the Commission's judgment that an institution is satisfactorily achieving its mission and educational purposes and that it meets or exceeds the Commission's standards of quality, integrity, and effectiveness. The Commission values information provided by students, employees, and others in determining whether an institution's performance is consistent with the Standards of Accreditation and Commission policies and procedures.

Individuals should review the WSCUC Policy on Complaints and Third Party Comments carefully to determine whether their complaint falls within the scope of Commission policy and is eligible to be reviewed. The policy is available on the WSCUC website at www.wascsenior.org/.

State of California Bureau for Private Postsecondary Education

An individual may contact the Bureau for Private Postsecondary Education for review of a complaint. The bureau may be contacted at:

Address: 2535 Capitol Oaks Drive, Suite 400
Sacramento, CA 95833

Telephone: 916.431.6924
FAX: 916.263.1897

Detailed information on degree and certificate programs may be found under the listing for the respective department.
Open Enrollment & Certificate Programs

In addition to degree programs, UWest offers educational opportunities to individuals not interested in pursuing a degree. Students have the option of enrolling formally in a certificate program or taking courses one at a time through Open Enrollment. While admission to a certificate program or open enrollment does not indicate acceptance to a degree program, some courses taken under open enrollment may be applied to a UWest degree if a student later decides to enroll in a UWest degree program.

Certificates in Business Administration

- Undergraduate Certificate: 21 units
- Graduate Certificate: 21 units
- Post-MBA Certificate: 21 units

UWest offers customizable certificates, providing individuals the opportunity to consult with a program advisor to develop a personalized certificate program relevant to their own goals. Details regarding undergraduate, graduate, and post-MBA certificates are included in the Business Administration Department section of this catalog.

Teaching English to Speakers of Other Languages (TESOL)

- Undergraduate-level Certificate in TESOL: 18 units

The TESOL certification program is aligned to recognized TESOL guidelines. It is designed to meet the needs of individuals interested in teaching ESL, ESP, and EFL at home and abroad. The certificate is an excellent way to diversify an undergraduate or graduate degree. More information is provided in the English Department section of this catalog.

ESL Certificate Program

UWest offers extensive instruction in English as a second language (ESL). More information regarding the ESL program is provided in this catalog under the English as a Second Language section.

Languages

UWest offers instruction in Mandarin Chinese, Classical Chinese, Japanese, Pali, Sanskrit, and Tibetan, as well as Buddhist texts in those languages. These Asian languages are the keys to understanding the great civilizations of Asia and the traditions of Buddhism.
Buddhist Chaplaincy

Chair
Rev. Victor Gabriel, PhD

Faculty
Rev. Tina Jitsujo Gauthier, PhD

Adjunct Faculty
Rev. Daphna McKnight, PhD
Tom Moritz, MLS
Rev. Joseph Rogers, MDiv

Visiting Faculty in Residence
Pamela Ayo Yetunde, JD, ThD
University of the West offers one of only four accredited Master of Divinity programs specifically for Buddhists in the United States. The Buddhist Chaplaincy Department was founded as a division of Religious Studies in 2009 and became a separate department in 2012. The department offers one degree, the Master of Divinity (MDiv) in Buddhist Chaplaincy. The faculty, all of whom are engaged in the practice of Buddhist chaplaincy, specialize in preparing Buddhist practitioners for hands-on work in chaplaincy in interfaith settings, such as hospitals, hospices, police departments, prisons, and the military. The department collaborates closely with the Business Administration, Psychology, and Religious Studies departments. Religious Studies courses make up approximately half the coursework for chaplaincy students.

Philosophy & Objectives

Spiritual formation in Buddhist Chaplaincy is seen as the development of ethics, contemplative practice, and wisdom. The department is ecumenical, welcoming Buddhists from every branch of Buddhism as well as religious others. (Not all students identify as Buddhist or solely Buddhist.) Students are encouraged to engage in spiritual reflection and formation from within their own faith tradition and to share those reflections with their classmates. In addition, students learn about other faiths, such as Judaism, Christianity, Islam, Hinduism, Jainism, and Sikhism, to be of service to a wide variety of people in need.

The department upholds the standards of professional chaplaincy set forth by the Association of Professional Chaplains (APC) and encourages all students to complete Clinical Pastoral Education (CPE) or other clinical practicum experiences appropriate to their future work setting. These professional standards and trainings ensure that students gain hands-on experience in spiritual care and are ready to enter the world as professional Buddhist chaplains upon graduation.

Buddhist Chaplaincy Honor Code

Buddhist chaplaincy students are held to the highest standards of personal and professional conduct and ethics. By engaging in the study of interfaith chaplaincy or Buddhist ministry, students assume a role of spiritual leadership within the campus community. Serving in this role, it is essential that Chaplaincy students model respect for all others in ways informed by Buddhist wisdom and practices. Honoring the expression of differing opinions is not only a hallmark of good education, but also a requirement for genuine interfaith work.

Therefore, chaplaincy students are expected to engage in conduct that builds character, compassion, and community. Especially, they are expected to refrain from any conduct that would hurt, deride, or belittle another. Students who fail to uphold the values and code of conduct of the Buddhist Chaplaincy department or the university are subject to disciplinary action based upon the severity of the misconduct. Possible action may include suspension up to expulsion. Students may be placed on administrative leave for a specified period. During this time, students are expected to engage in self-reflection to decide if chaplaincy continues to be a good fit for their career aspirations. At the close of this period, students may petition for reentry into the program. Reentry is subject to university approval.

Students applying for ordination often request letters of recommendation from faculty. Students should understand that these letters reflect not only on their academic progress, but also on their general process of spiritual formation. Matters of individual conduct, participation in community life, and maturity in the academic setting are addressed in these letters.
Master of Divinity in Buddhist Chaplaincy

The Buddhist Chaplaincy program provides students with the knowledge and skills necessary to excel as Buddhist practitioners working in the field of professional chaplaincy. The program is designed to meet the needs of those who wish to engage in spiritual care and counseling work and to become properly trained and certified professionals.

The program incorporates the requirements of the Association of Professional Chaplains (APC) by offering 72 semester hours covering the nine core educational areas specified by the APC. These nine core areas are 1) ritual and liturgy, 2) comparative religions, 3) religious education, 4) pastoral care and counseling, 5) spiritual formation, 6) religious history, 7) institutional organization and administration, 8) sacred literature, and 9) theology/philosophy.

This program requires regular attendance on campus for classes, group processes, and other events. It is designed to serve local students and is not a low-residency or online program. Applicants should be prepared for long hours spent on campus and intense interaction with fellow students. Living near or on campus is highly recommended. Although this program can be completed on a part-time basis, full-time attendance is strongly recommended to facilitate the student’s required spiritual formation. Courses are designed to be taken in a prescribed sequence and not on an ad hoc basis. Full-time students are expected to take four classes, or 12 units, per semester to graduate in the specified three-year time period. Full-time students taking three classes, or 9 units, and part-time students should not expect to graduate in three years.
Program Learning Outcomes For Buddhist Chaplaincy

Wisdom & Skillful Means
Students are thoroughly prepared for academic and professional success.

**Knowledge**  Students summarize and explain Buddhist thoughts, texts, practices, rituals, and history; ideas, texts, practices, rituals, and history in non-Buddhist religions; classical normative literature and spiritual care and counseling theories that have shaped the roles and responsibilities of professional chaplaincy in clinical settings.

**Praxis**  Students demonstrate an ability to practice Buddhism and/or their religion.

**Ethics**  Students apply ministry, care, and counseling techniques in the context of spiritual life activities on campus; identify ethical issues raised by Buddhism and non-Buddhist religions and explore how they relate to modern humans and the world; and demonstrate academic integrity.

**Critical Thinking**  Students demonstrate an understanding of interfaith chaplaincy and psychological principles crucial to spiritual care and counseling work and identify and question underlying assumptions and ideologies that shape chaplaincy work using the tools of the academic study of religion.

**Communication**  Students clearly articulate their study and practice of Buddhism in both speech and writing.

Self-Awareness
Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

**Balance**  Students practice meditation and express its importance and applications in their work as caregivers.

**Character**  Students articulate the deepening of their learning and personal growth as they study the nine core areas of the program.

**Expression**  Students demonstrate an understanding of normative writing and Dharma talks, and produce examples of these kinds of writing/expression.

**Relationship**  Students participate in group process with their cohort to practice offering and receiving spiritual care and counseling with others.

Liberation
Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

**Pluralism**  Students exhibit an understanding of a range of religious texts and how to use them in the context of interfaith chaplaincy, and demonstrate an ability to facilitate and construct opportunities for inter-religious collaboration.

**Liberation from Suffering**  Students demonstrate understanding of various models of spiritual leadership, and knowledge and application of Buddhist values.

Interdependence
Students possess a holistic understanding of global interdependence to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

**Service**  Students put their education into practice by completing one unit of Clinical Pastoral Education (CPE) or the equivalent; organizing and offering spiritual life activities on campus; and applying and articulating their learning about interfaith work, psychology, clinical practice, and scripture in the context of spiritual life activities on campus and their instruction of meditation/other contemplative practices.

**Culture**  Students work a broad appreciation of human endeavors into their individual learning goals developed in conjunction with their advisor and professors.

**Core Courses (45 units):** All students are strongly encouraged to complete core courses in the following order. Substitutions or transfer units may be accepted with the approval of the student’s advisor and department chair. A minimum grade of B is required for each core course. Students who do not earn a B or higher in a core course may repeat that course one time only to achieve a passing grade.

**Electives (27 units)**: Students must complete at least the designated number of units from each elective area for a total of 27 elective units. Students may also fulfill elective requirements by taking applicable classes with partner institutions such as the Claremont School of Theology (CST) under a cross-registration agreement. Not all partner institution courses are applicable; students must check with their advisor before enrolling in any partner institution course to ensure it will apply to graduation. A minimum grade of C is required for each elective course applied to graduation. Students who do not earn a C or higher in an elective course may repeat that course one time only to achieve a passing grade.

*Topics announced each semester. Courses may be taken a maximum of three times for credit. Approval required.
**Dossier Requirement:** Rather than completing a thesis, Buddhist Chaplaincy students are required to submit a dossier that includes copies of the following course assignments:

1. MDIV 565 Buddhist Homiletics dharma talk paper
2. MDIV 645 Spiritual Care & Counseling verbatim
3. MDIV 650 Pastoral Theology ministry paper
4. MDIV 655 Spiritual Formation autobiography paper
5. MDIV 676 Advanced Topics in Professional Chaplaincy project paper

These items should be submitted to the department when a student is registering for the final term.

**Internship/Clinical Education Requirement:** Students are required to participate in a clinical internship during their studies. This requirement is typically met by completing one unit of Clinical Pastoral Education (CPE). However, another kind of internship may be appropriate depending on the clinical setting in which the student would like to specialize. Military chaplain candidates, for example, have their own unique training. The internship is done under the supervision of the institution the student serves. That institution may report back to UWest on the student’s progress. Students are solely responsible for locating, applying to, and completing their internship but may receive advice and guidance from their advisor. This requirement is in addition to the 72-unit graduation requirement.

**Contemplative Practice Requirement:** Students are expected to be engaged in some form of meditation, contemplative, religious, or spiritual practice for as many hours a week as they are taking units that semester. (For example, 12 units = 12 hours of practice per week.) Students should check in with their advisor every semester to ensure their spiritual practice supports their spiritual formation as chaplains. Students should also seek the services of professional psychotherapists, dharma teachers, and spiritual counselors to support them through the chaplaincy program.

**Other Considerations:** While ordination, endorsement, or certification is not required to graduate, it is helpful for students seeking work to obtain these credentials prior to completing the program because they may be required by employers. Students should have a plan in place for meeting the requirements for ordination, endorsement, or professional certification with whatever chaplaincy organization serves and supports spiritual care work in their chosen work setting. By the time of graduation, for example, students are encouraged to have obtained a written ordination or endorsement from their respective senior Dharma teachers, community, or lineage. UWest does not provide ordination or endorsement as part of the chaplaincy program.

**Graduation Requirements**

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 72 units with a minimum cumulative GPA of 3.0. A minimum grade of B is required for core courses and a minimum grade of C or P for all other courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade. All coursework must be at the graduate level; graduate courses previously applied to a bachelor’s degree cannot be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Research & Reading and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of credit from another institution.

Degrees are awarded at the close of the semester in which all degree requirements have been completed, the dossier has been accepted by the department, the Petition to Graduate form has been filed with the Registrar’s office, and the graduation fee has been paid.
Doctor of Buddhist Ministry

The Doctor of Buddhist Ministry is an advanced professional degree culminating in a dissertation project. This selective program enhances the practice of ministry for religious leaders who already hold a Master of Divinity or equivalent degree by cultivating their understanding and application of

a. the nature and purpose of ministry,
b. competencies in pastoral analysis and ministerial skills,
c. reflective capacities,
d. spiritual maturity, and
e. a well-developed personal and professional ethic.

The program applies a Buddhist perspective to ministerial issues facing practitioners in the contemporary world. Students gain a deeper understanding and commitment to the dharma (Buddhist teaching), while refining their ministerial application. Students develop research, writing, and communication skills to the level necessary to participate in professional academic discourse and practice-oriented domains of religion and service.

A Doctor of Buddhist Ministry degree is awarded on the basis of evidence that the candidate possesses knowledge of a broad field of applied learning and mastery of a particular area of concentration within it.

Honor Code

Buddhist ministry students are held to the highest standards of personal and professional conduct and ethics. By engaging in the study of Buddhist ministry, students assume a role of spiritual leadership within the campus community. Serving in this role, it is essential that ministry students model respect for all others informed by Buddhist wisdom and practices. Honoring the expression of differing opinions is not only a hallmark of good education but also a requirement for genuine interfaith work.

Therefore, ministry students are expected to engage in conduct that builds character, compassion, and community. Most significantly, they are expected to refrain from any conduct that would hurt, deride, or belittle another. Students who fail to uphold the values and codes of conduct of the Department of Buddhist Chaplaincy or the university are subject to disciplinary action based on the severity of the misconduct. Possible action may include suspension up to expulsion. Students may be placed on administrative leave for a specified period. During this time, students are expected to engage in self-reflection to decide if Buddhist ministry continues to be a good fit for their career aspirations. At the close of this period, students may petition for reentry into the program. Reentry is subject to university approval.
Admission

In addition to UWest graduate admission requirements, the following are required for admission to the Doctor of Buddhist Ministry program:

1. Completion of MDiv or MA in a related field with GPA of 3.0
2. 1 unit of Clinical Pastoral Care (CPE) with evaluation letter from CPE supervisor or three years of ministerial/temple work after completion of MDiv or MA
   a. CPE Evaluation letter must assess written communication, emotional and spiritual development
   b. One year of CPE Residency is highly recommended
3. Four letters of recommendation, including
   a. two letters from academic sources such as advisor, dean, chair
   b. one letter from peer such as dharma brother or sister
   c. one letter from pastoral supervisor or master
   d. Letters must address communication skills, spiritual practice, precept practice, community service
4. Interview, either in person or by telephone
Program Learning Outcomes

Wisdom & Skillful Means
Students are thoroughly prepared for academic and professional success.

</tbody>
</table>

**Languages (optional):** Students may apply up to 12 units of graduate language study in Pali, Sanskrit, Classical Chinese, or Tibetan. A maximum of 6 units each may be applied to B. Buddhist Studies and C. Interdisciplinary and Interfaith Studies. Language study is recommended during the first year of coursework or as soon as the relevant courses are offered.

**Candidacy Portfolio:** Upon completion of the 51-unit course requirement, students must petition to submit the candidacy portfolio. Students may enroll in BMIN 705 for one term while preparing and passing portfolio. With the chair’s approval, BMIN 705 may be repeated one time only. Credit is not applicable to graduation.

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>BMIN 705 Candidacy Portfolio</td>
<td>3</td>
</tr>
</tbody>
</table>
**Research Training (12 units):** Upon being granted candidacy status, the candidate enters the dissertation project phase. Students should be able to engage in advanced graduate level research, writing, and communication. Candidates register for BMIN 698A, 698B, 710, or a combination of these courses for a total of 12 units while engaged in the dissertation project process.

<table>
<thead>
<tr>

</tr>
<tr>
<td>BMIN 698B Dissertation Writing</td>
<td>3</td>
</tr>
<tr>
<td>BMIN 710 Research Training</td>
<td>3-9</td>
</tr>
</tbody>
</table>

**Continuous Enrollment:** After completing the 12-unit research requirement, candidates must maintain enrollment through successful submission of the dissertation project by enrolling in BMIN 715 each fall and spring semester. Enrollment in summer semester is not required. Credit is not applicable to graduation requirements.

<table>
<thead>
<tr>
<th>Course</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>BMIN 715 Continuous Enrollment</td>
<td>1</td>
</tr>
</tbody>
</table>

**Candidacy Portfolio:** After students have completed a minimum of 51 units of doctoral coursework, they must petition to submit the candidacy portfolio. Students are encouraged to enroll in BMIN 705 Candidacy Portfolio Preparation during the semester in which they are working on their portfolio. The candidacy portfolio includes three 10-15 page essays, one in each of the following areas: (1) Issues, (2) Methods, (3) Practice. Each essay must include a bibliography of sources. The candidacy portfolio must be submitted within one semester after the candidate has completed 51 units of coursework.

Students are expected to consult with their committee members to determine the focus and direction of each of the three essays that constitute the candidacy portfolio, as well as the reading lists serving as the foundation for the papers. The candidacy portfolio is graded pass, fail, or pass with distinction. If the candidacy portfolio is deemed not passing, the committee decides if and when it may be resubmitted. Additional course work may be required before the student is eligible to resubmit the portfolio.

Additional guidelines and details regarding the candidacy portfolio can be found in the Buddhist Ministry Graduate Student Handbook.

A student advances to candidacy status upon successful completion of the candidacy portfolio requirement and payment of the candidacy fee. Candidacy status will lapse automatically if the student loses graduate standing by academic disqualification or failure to comply with university policy on continuous registration. A readmitted student who was a candidate must again advance to candidacy and thereafter enroll as a candidate for at least one academic semester before the degree may be conferred. Readmission after a break in enrollment is not guaranteed.

**Research Training (Dissertation Project):** Upon advancing to candidacy, the candidate enters the dissertation project phase and is eligible to undertake advanced graduate-level research, writing, and communication. While engaged in the dissertation project process, candidates are required to register for BMIN 698A, 698B, 710, or a combination of these courses for a total of 12 units.

Candidates are expected to begin work immediately on the dissertation project proposal, outlining their intended dissertation project. This project is expected to be an original piece of research that makes a relevant contribution in the area of Buddhist practice, translation, or philosophical/theological thought. Candidates may propose an alternative form of presentation other than a conventional 200-page written dissertation, but it must include a substantial amount of written analysis and be deemed equivalent to the standard dissertation model in terms of critical apparatus and engagement with scholarly sources. The mode of presentation must be clearly outlined in the dissertation project proposal.

The completed proposal is reviewed by the doctoral committee, after which candidates are asked to present their proposal and respond to questions from the committee at the proposal defense. During the defense, the committee decides whether the proposal is accepted, accepted with revisions, or rejected. Candidates are expected to submit the dissertation project proposal during the semester following their advancement to candidacy.

The doctoral committee supervises the student’s program, approves the dissertation project, and conducts the oral dissertation project defense. Ordinarily, students defend the dissertation project just prior to its completion. Students must be in residence when defending. The defense should be scheduled during a regular academic session and is open to all members of the academic community. Following the defense, the doctoral committee awards the dissertation project a pass, pass with distinction, or not pass.
After the dissertation project is passed by the doctoral committee, the student makes any necessary revisions and submits at least two (2) copies to the library in accordance with the library’s formatting and binding guidelines. The revised dissertation project must be submitted to the library no later than one semester after the dissertation project defense. Students are required to maintain continuous enrollment through the term during which the dissertation project is submitted to and accepted by the library.

In addition to these requirements, students must submit a portfolio of their work to the department for assessment and review. (Portfolio guidelines are found in the Buddhist Ministry Graduate Student Handbook.)

Degrees are awarded effective the last day of the semester during which the dissertation project has been submitted to and accepted by the library, the portfolio has been completed, the Petition to Graduate form has been filed with the Registrar’s Office, and the graduation fee has been paid.

Important guidelines and procedures regarding the composition of the doctoral committee, dissertation project proposal, dissertation project defense, and final submission of the dissertation project can be found in the Buddhist Ministry Graduate Student Handbook.

Graduation Requirements

A minimum of 63 post-baccalaureate semester units in graduate courses as specified for each candidate by the doctoral committee appointed by the department chair or graduate advisor;

A minimum grade point average (GPA) of 3.0;

A Pass in the candidacy portfolio requirement, submitted when the student has completed a minimum of 51 units of doctoral course work;

A dissertation project demonstrating critical judgment, intellectual synthesis, creativity, and exemplary written or alternative modes of communication (with approval of the dissertation project committee).

**Minimum Grade Requirement:** Students must earn a minimum grade of B in all core courses and a minimum grade of C or P in elective courses. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

**Transfer of Credit from Other Institutions:** Students may be granted a maximum of 30 units of transfer credit for applicable graduate-level coursework towards the 51-unit course requirement. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.

**Application of Credit from Prior UWest Enrollments:** Students may apply toward the 51-unit course requirement a maximum of 36 units of graduate coursework completed at UWest in a master’s level program or under open enrollment. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor. Only graduate level coursework will be considered; however graduate courses previously applied to a bachelor’s degree cannot be applied to graduation.

**Residence Requirement:** The Doctor of Buddhist Ministry requires a minimum of three years of full-time graduate study or the equivalent in part-time study in addition to time to prepare the dissertation project. Students are allowed a maximum of four years to complete required coursework and an additional three years to complete the dissertation project. The time allowed will be adjusted for students entering with transfer credit.

**Continuous Enrollment:** After finishing all coursework, but before submitting the dissertation project, students must maintain continuous enrollment until the dissertation project is successfully defended. Failure to register and pay the associated tuition and fees may interfere with residence requirements and lead to lapse of candidacy status.

Degrees are awarded at the close of the semester in which all requirements have been fulfilled, the dissertation project has successfully been submitted to and accepted by the library (if applicable), the Petition to Graduate form has been filed with the Registrar’s office, and the graduation fee has been paid.

Introduction

University of the West’s business administration programs are designed to allow students to become professionals with solid technical knowledge and skills in their field and a high moral spirit of responsibility. The curricula of the programs are guided by the university’s mission, institutional learning outcomes, and these four departmental principles: excellence, self-cultivation, social responsibility, and skill development.

The Department of Business Administration offers the following programs:

Degree Programs

Bachelor of Arts (BA) in Business Administration
concentrations:
- Accounting
- Computer Information Systems
- International Business
- Marketing

Master of Business Administration (MBA)
concentrations (Optional):
- Computer Information Systems
- Finance
- International Business
- Nonprofit Organization Management

Certificate Programs

- Undergraduate Certificate in Business Administration
- Graduate Certificate in Business and Management
- Post-Master of Business Administration Certificate

Philosophy & Objectives

The Business Administration department is guided by the UWest mission, with Buddhist wisdom and values and the integration of Western and Eastern cultures serving as the foundation of the programs.

The objectives of the programs are two-fold:

1. to provide students with both knowledge and practical skills in the field of business administration, enabling them to transform theory into practice; and
2. to transform students into global citizens who demonstrate knowledge, responsible action, and compassionate service.
Bachelor of Arts in Business Administration

Introduction

UWest offers a Bachelor of Arts degree in Business Administration with concentrations in Accounting, Computer Information Systems, International Business, and Marketing. This program educates students using a cross-functional, cross-cultural perspective to equip them with the intellectual tools they need to assume responsible positions in organizations and to develop them into well-rounded professionals and managers with a capacity for lifelong learning.

The program is designed to ensure that students develop an integrated body of knowledge in the business and management of modern organizations; a set of essential business and management skills including interpersonal leadership, communication, and teamwork skills; a broad capacity for learning, critical thinking, and problem solving; a deep appreciation for the role of culture in managing organizations and dealing with institutional constituents including customers, employees, and suppliers; an effective business and management style that incorporates ethical values, social responsibilities, and personal beliefs; and a global view of personal fulfillment and organizational achievement in the context of societal and cultural values.

Business Administration majors meet with a program advisor during or before their first semester to discuss their personal goals and aspirations. Based on this self-exploration, students select the concentration that will best prepare them to fulfill their personal and professional life mission. Students who attend full-time may earn their bachelor’s degree in four years. Students attending part-time may expect a longer time to graduate.

Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<table>
<thead>
<tr>
<th>Knowledge</th>
<th>Students summarize and explain business operations and management.</th>

Program Requirements

General Education Requirement (51 units): All undergraduates must complete 51 units of general education, including 9 units at the upper-division level, as described in the General Education section of this catalog. This requirement is an integral part of UWest’s mission of producing a well-informed, balanced, versatile, intellectually capable, socially sensitive, and ethically committed person in all fields of study.

Lower-Division Core Courses (12 units): All students complete four lower-division core courses. These courses provide foundational theories, concepts, perspectives, principles, methods, and procedures of critical thinking and theoretical application.

### Business Elective (3 units)

Students select one business course (3 units) from any concentration.

### Business Capstone

The business program culminates in the 3-unit capstone course, BUS 480 Capstone: Strategic Management, commonly completed in a student’s final term.

### Practicum (1-3 units)

Students who lack practical business experience may be required to take BUS 497 Business Practicum. Students register for this class when they are enrolled in one or more courses in marketing, management, accounting, international business, finance, and computer information systems. The credit assigned for this course will be determined by the department chair. Students may complete two semesters in practicum for a maximum total of 3 units. Practicum units are not degree applicable.

### Graduation Requirements

Students must complete 120 units (including 51 GE units) as designated above with a cumulative GPA of 2.0 or higher. To satisfy the university’s residency requirement, undergraduates must complete at least 30 units, including 24 upper division units, at UWest.

Students’ prior education is evaluated for transfer credit at the time of admission. Once enrolled, students are expected to complete all remaining business curriculum at UWest. Any exception to this policy must be approved in advance by the department chair, and students must demonstrate cause. Students are required to complete their final 6 units in attendance at UWest and any approved transfer work must be completed prior to the last day of the student’s last term in attendance at UWest. A minimum grade of C (2.0) is required for the transfer of credit.
Minoring in Business Administration

Business Administration Minor for Non-Business Majors

The minor in Business Administration is designed for students enrolled in a UWest degree program other than business. This practical minor introduces non-business majors to fundamental concepts and tools used in business. To apply, students submit an approved Declaration of Minor to the Registrar’s Office.

Eligibility

1. Cumulative GPA of 2.5.
2. 45 units or more earned towards major requirements.

Requirements

Students minoring in Business Administration complete seven courses (21 units) as follows. This requirement may extend the time needed to graduate.

No more than 6 units of transfer credit may be applied toward minor requirements. Total transfer credit applied to degree requirements, including credits applied to the minor, may not exceed 90 units.

Core Requirements: 4 courses (12 units)

<table>

Business Administration Minors for Business Majors

Business majors who are in good standing, have earned a minimum of 45 units in the business curriculum, and are entering their third or fourth year of study are eligible to declare a minor in finance or management. Completion of a minor is not required for graduation but may enhance future career opportunities. The department chair’s approval is required. The minor requires the completion of five courses (15 units) in the declared area of study. These 15 units are in addition to the 69 units required for the major, and courses applied to the major cannot be applied to the minor. Completing a minor will extend the time needed to graduate.

No more than 6 units of transfer credit may be applied toward minor requirements. Total transfer credit applied to degree requirements, including credits applied to the minor, may not exceed 90 units.

Undergraduate Certificate in Business Administration

The Undergraduate Certificate in Business Administration is designed for individuals seeking to expand their knowledge and skills in business. The program introduces the fundamental concepts and practices of business to develop a broad-based practical understanding of its context, purpose, and underlying functional areas: accounting, economics, finance, marketing, and management. This certificate provides substantive content and techniques consistent with modern business principles and practices and will benefit those who are just starting out in the business world as well as seasoned professionals seeking a career transition with greater business responsibility. Working with a program advisor, students design a course of study to meet their specific needs.

To earn the Undergraduate Certificate in Business Administration, students complete 21 units of approved business coursework with a cumulative GPA of 2.0 or higher. Students may not apply transfer credit or courses previously completed at UWest to satisfy certificate requirements.

The following list includes some of the certificate areas offered. Students may work with the chair of the Business Administration Department to develop a personalized certificate program relevant to their own goals.

- General Management
- Nonprofit Organization Management
- Executive Management
- Human Resources Management
- International Business
- Accounting
- Finance
- Marketing
- Computer Information Systems
- Small Business/Entrepreneurship
- Quantitative Analysis/Analytical Methods
Master of Business Administration

Introduction

The MBA program provides in-depth technical education in specialized fields and addresses issues of management in different cultural contexts and ethical aspects of decision making. This program prepares graduates for leadership positions in for-profit and nonprofit organizations.

The two-year MBA program pays particular attention to cultural diversity within an organization as well as worldwide cultural differences, teaching students how to effectively and responsibly manage such differences. Students are educated in a friendly and caring learning community with small, interactive classes. Students acquire knowledge and skills while developing attitudes and values appropriate for leading and serving in a global society. The program builds on the university’s strengths in cross-cultural studies and community service based on Buddhist values of excellence, self-cultivation, and responsibility. Every student receives workplace experience through a hands-on internship.

The curriculum emphasizes

- Cultural differences as reflected in management or problem-solving styles
- Hands-on experience correlated to theoretical knowledge
- Business ethics including cause-effect analysis and responsibility toward self and society

MBA students meet with a program advisor during their first semester to discuss their personal goals and aspirations. Based on this self-exploration, students have the option of declaring a concentration in one of four areas: Computer Information Systems, Finance, International Business, and Nonprofit Organization Management.

The MBA program is designed for completion in two years of full-time study. Students who study during summer sessions may graduate sooner.

Students admitted to the MBA program may be required to complete program-specific undergraduate coursework to ensure that they have a solid academic foundation for success in graduate business coursework.

Department of Homeland Security’s STEM Requirement

The MBA with a concentration in Computer Information Systems conforms to Department of Homeland Security (DHS) requirements as a STEM (Science, Technology, Engineering, Math) degree program. International students graduating from this concentration may be eligible for a 24-month extension on their optional practical training (OPT) if their employment also meets eligibility requirements. Details may be found at https://www.uscis.gov/working-united-states/students-and-exchange-visitors/students-and-employment/stem-opt.

The list of the DHS-approved programs is available at http://www.ice.gov/doclib/sevis/pdf/stem-list.pdf. University of the West’s MBA with a concentration in Computer Information Systems is classifiable under CIP code 11.0401--Information Science/Studies.
Program Learning Outcomes

Wisdom & Skillful Means
Students are thoroughly prepared for academic and professional success.

Knowledge
- Students summarize and explain business functions and practices.
- Students explain business and management theories and compare and contrast them to Buddhist wisdom and values.
- Students demonstrate skills in quantitative analysis.

Praxis
- Students use the technical skills required in their field, such as finance, computer information systems, international business or nonprofit management.
- Students apply Information technology skills to the academic study of Business Administration.

Ethics
- Students integrate ethical values, social responsibilities, and personal beliefs to form effective business and management styles.
- Students maintain their academic integrity.

Critical Thinking
- Students apply business theories and practices to locate, analyze, and solve problems.
- Students identify and question underlying assumptions and ideologies that shape the academic study of business administration.

Communication
- Students clearly articulate their study of business administration in speech and writing.

Self-Awareness
Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

Character
- Students relate issues of effective business administration to their own self-exploration and character development.
- Students demonstrate effective leadership skills.

Expression
- Students apply their knowledge of business administration and management to explore and express ideas about themselves.

Relationship
- Students demonstrate effective teamwork skills.

Liberation
Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

Pluralism
- Students explain the impact of modern pluralism on business practices.
- Students explain the global context in which business and management practices take place.

Environmental Justice
- Students describe environmental issues and relate them to effective and sustainable business and management practices.

Liberation from Suffering
- Students relate issues in business administration and management to social, economic, and environmental issues.
Interdependence

Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

As Required

Program Prerequisites 0 to 15

**Program Prerequisites (0 to 15 units):** Program prerequisites create a foundation for the study of business at the graduate level. Students who did not complete equivalent coursework during their previous education may be required to complete up to 15 units of prerequisite coursework in addition to the 40 units required for graduation. All required prerequisites must be passed with a minimum grade of C. Students who do not earn a C or higher in a prerequisite course may repeat that course one time only to achieve a passing grade. Program prerequisites are not applicable to graduation.

Concentration/Elective Requirement (15 units)

No Concentration Declared: Students work with their program advisor to create a course of study relevant to their professional and life goals by selecting five MBA courses (15 units) across all concentrations.

Concentration Declared: Students have the option of declaring a concentration in one of the four areas listed below. Students who declare a concentration complete the following requirements:

Concentration (12 units): Students complete at least four courses (12 units) from their declared concentration

Elective (3 units): Students select one MBA course (3 units) from the concentration, other concentrations, or other courses not applied to another requirement.

With the department chair’s approval, students may declare a concurrent concentration in a second area of study. An additional 12 units selected from courses not applied to any other requirement must be completed in the second concentration.

</tr>
</tbody>
</table>

**Practicum:** Students who lack updated or practical business or management experience may be required to complete MBA 597 Management Practicum (1-3 units) prior to completing an internship. Students register for this class when enrolled in one or many of the following areas: marketing, management, nonprofit organizations, accounting, international business, finance, and computer information systems. This course may be taken twice. Units are not applicable to graduation.

**Capstone (3 units):** The MBA program culminates in the 3-unit capstone course, MBA 580 Capstone: Strategic Management, commonly completed in a student’s final term.

### Graduation Requirements

Students must complete 40 units as designated above with a cumulative GPA of 3.0 or higher, including 39 units of coursework and a 1-unit internship.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework taken at UWest for equivalent MBA courses; courses applied to a previous UWest degree or certificate are not applicable. Credits earned for program prerequisites and MBA 597 Management Practicum are not applicable to graduation.

No more than 6 units may be fulfilled through the transfer of graduate credit for courses completed prior to enrolling at UWest. Once enrolled, students are expected to complete all remaining coursework at UWest. Exceptions allowing a transfer of prerequisite or graduate credit after beginning the program must be approved in advance by the department chair, and students must demonstrate cause. Students are required to complete their final 6 units in attendance at UWest, and any approved transfer work must be completed prior to the last day of the student’s last term in attendance at UWest. A minimum grade of B (3.0) is required for the transfer of graduate credit and a minimum grade of C (2.0) for undergraduate courses transferred to satisfy prerequisite requirements.
Graduate Certificate Programs in Business Administration

The graduate certificate program is designed to help participants further their education and advance their careers. Individuals who have already earned a bachelor’s degree in business administration or another major (but not an MBA or other similar graduate degree) may earn a certificate in one of UWest’s professional tracks by completing a set of seven targeted courses (21 units) at UWest. Participants acquire in-depth knowledge, practical skills, and first-hand experience in the selected area of study.

Completion Requirements

Students must complete at least 21 units in a series of courses approved by the department chair or program advisor. A minimum GPA of 3.0 is required to graduate. Transfer credit and UWest courses completed during previous enrollments may not be applied to the certificate enrollment.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework for equivalent MBA courses. Program prerequisite courses are not applicable to graduation.

The Accounting Certificate is described below. The Business Administration Department will work with individuals and businesses to design concentrations to fit specific needs. While the courses differ, the basic outline of all concentrations follows the accounting model.

Accounting Certificate

This certificate prepares students for a career in accounting or a related field and is specifically designed to help students meet the education requirement for CPA exam eligibility.

Post-Master of Business Administration Certificate

The Post-MBA certificate program, offered jointly by the Department of Business Administration and Department of Continuing Education, is designed to help participants further their education and advance their careers. The program enables those who have already earned a Master of Business Administration or a similar advanced degree to earn a certificate in one of UWest’s eleven professional tracks by completing a personalized set of seven targeted courses (21 units). Participants acquire in-depth knowledge, practical skills, and first-hand experience in the selected area of study.

Post-MBA certificates are offered in the areas of

- General Management
- Nonprofit Organization Management
- Executive Management
- Human Resources Management
- International Business
- Accounting
- Finance
- Marketing
- Computer Information Systems
- Small Business and Entrepreneurship
- Quantitative Analysis Methods

Completion Requirements

Students must complete at least 21 units in a series of courses approved by the department chair. A minimum GPA of 3.0 is required to graduate. Transfer credit and UWest courses completed during previous enrollments may not be applied to the certificate enrollment.

With department chair approval, students may be allowed to substitute up to 6 units of 400-level undergraduate coursework for equivalent MBA courses.

Introduction

The Department of English is dedicated to offering students a unique learning experience. This experience introduces the rigorous study of English, challenging students to explore the dynamic relationship among literature, language, and culture. As a part of this exploration, students engage in mindful and critical reflection on a wide range of themes, concepts, and ideologies inherent to the study of English. Students develop responses to literature, demonstrating academic learning as well as social awareness and cross-cultural perspectives. The program’s approach to English supports the intellectual and personal development of its students, challenging them to engage in self-reflection through the study of English.

Bachelor of Arts in English

The Bachelor of Arts in English invites students to explore the different ways in which the field of English has been studied. Students gain a thorough knowledge of representative works, authors, and critical theories. The program presents an integrated approach to the study of English while delving into the nature of language in its literary and practical forms. The Bachelor of Arts degree in English is designed for completion in four years.

Students pursuing a BA in English at UWest have the option of selecting from two concentrations: literature or TESOL. Courses challenge students to consider different perspectives and to question their assumptions in order to promote reflective engagement with the text, with their peers and faculty, and with social issues and concerns of the day. In this way, each concentration not only introduces a body of knowledge particular to each field of English, but also challenges students to apply this knowledge to ethical dilemmas in the world as represented and discussed in literature.

All students complete a common core curriculum that provides a solid foundation in the study of English. This is followed by specialized study in the concentration. In the final year of the program, students conclude their studies with an integrative capstone.

Concentrations

Literature

The literature concentration in the English program equips students with the reading, writing, and research methods for understanding, analyzing, and evaluating literature. The concentration introduces students to a survey of significant works in English-language literature and the growing contemporary canon of Asian-American literary works. It provides an in-depth knowledge of literary genre, figures, and movements while presenting a variety of critical reading approaches (e.g. moral/intellectual, New Critical, historical, feminist, Marxist, reader response, etc.) for exploring the different traditions, experiences, and voices that make up literature.

As an integral component of these courses, the literature concentration also prepares students to explore complex representations of the human experience in literary texts. The concentration implements a reflective approach to critical response, pressing students to consider the moral and ethical dilemmas demonstrated in key human issues in literature: love, death, work, the nature of good and evil, images of gender and family, immigration and civil rights, and the American dream.

Teaching English to Speakers of Other Languages (TESOL)

The TESOL concentration is designed for students interested in theoretical and practical training in the teaching of English. Students explore the structure of English, teaching methods, and curriculum design. In addition to learning about literature in the English language, TESOL students diversify their degree by taking a sequence of courses in linguistics, second language acquisition, and TESOL pedagogy. The concentration culminates in a capstone teaching practicum. Students who complete the requisite coursework also receive TESOL certification.

In accordance with the university’s mission statement, the TESOL concentration highlights and explores the relationship between language and culture throughout the program. Students examine the historical, psychological, social, and political dimensions of language, language learning, and language use. While focused on preparing students for teaching, the TESOL concentration also challenges them to reflect on the ways language is tied to power, culture, and identity.
Program Learning Outcomes for the Bachelor of Arts in English

Wisdom & Skillful Means
Students are thoroughly prepared for academic and professional success.

<table>
<thead>
<tr>
<th>Knowledge</th>
<th>Students recognize and appreciate the breadth and depth of literary expression by a diverse field of authors writing in English across literary history.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Literature</td>
<td>Students identify, explain, and summarize major events, literary periods, literary terms, principal genres, and key critical and theoretical concepts important to the study of literature and its texts.</td>
</tr>
<tr>
<td>TESOL</td>
<td>Students identify, explain, and evaluate diverse linguistic, social, psychological, and political dimensions of language acquisition and use. Students demonstrate foundational knowledge of English on all linguistic levels and relate that knowledge to the various language learning competencies.</td>
</tr>
</tbody>
</table>

Praxis

| Literature | Students formulate written responses to literature with original argumentation drawing on multiple sources and applying literary terminology, theories, and criticism. |
| TESOL      | Students design and deliver engaging and effective TESOL curriculum tailored to diverse language levels, purposes, and learners. |

Ethics

| Students identify and engage ethical issues, cultural values, ideologies, and philosophical positions investigated by authors from diverse communities writing in English. |
| Students demonstrate personal and professional ethics in their decision-making, conduct, and behavior toward others. |

Critical Thinking

| Literature | Students read closely, critically, and actively to determine how texts create meaning and effect. Students identify, question, and engage underlying institutional, peer, and personal ideological assumptions that shape the academic study of literature. |
| TESOL      | Students incorporate critical thinking skills such as information processing, inferential reasoning, and cultural awareness into the TESOL content and instruction. |

Information Literacy

| Students demonstrate critical information literacy applied to research, writing, and documentation consistent with scholarship in English literary studies or TESOL. |

Communication

| Written Communication: Students express themselves clearly, coherently, and effectively for a variety of communicative purposes. |
| Oral Communication: Students explain complex and abstract content clearly, confidently, and effectively in a way that engages audiences across a variety of public speaking forums. |
Self-Awareness

Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

<table>
<thead>
<tr>
<th>Character</th>
<th>Students conduct themselves with honesty and integrity by demonstrating a sense of personal care and investment in the outcome of their work and how it impacts others.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Relationship</td>
<td>Students demonstrate effective teamwork and collaborative thinking skills.</td>
</tr>
</tbody>
</table>

Liberation

Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

<table>
<thead>
<tr>
<th>Pluralism</th>
<th>Students recognize and respect diverse cultures and worldviews other than their own and appreciate their impact on the production, interpretation, and valuation of literary texts as well as language acquisition and teaching.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Liberation from Suffering</td>
<td>Students help others by applying their English literary and linguistic knowledge through community-based language support.</td>
</tr>
<tr>
<td>Culture</td>
<td>Students appreciate the role of culture and recognize its reciprocal relationship with English language and literature.</td>
</tr>
</tbody>
</table>

| TESOL                      | Students demonstrate understanding of how cultural groups and individual cultural identities influence second language literacy and performance. |

Upper-Division (24 units): Students build on the knowledge, perspectives, and skills learned in their lower division courses to broaden their understanding of English literature and the English language. English majors in both concentrations complete 12 units, outlined below, from a selection of courses designed to prepare them to choose their degree concentration.

<table>
<thead>

Capstone (3 units): In addition to the concentration capstone, all students complete the comprehensive capstone for the BA in English. Students apply foundational theories, concepts, perspectives, and methods presented in the English program to analyze and evaluate the use of language in works of literature. The course challenges students to think comprehensively on the nature of language as an expression of literary imagination and as a reflection of cultural identity.

Concentration (15 units): Students complete 5 courses (15 units) in their declared concentration, including a 3-unit capstone specific to the concentration. A minimum number of courses must be completed in the categories indicated below.

Literature Concentration (15 units): Students deepen their knowledge and understanding of literary genres, figures, and movements in literature. Building on the core curriculum, concentration courses present a selection of canonical and non-canonical texts demonstrating diverse voices in literature. In the capstone, students apply knowledge acquired in the breadth of their coursework to reading, interpreting, analyzing, and evaluating the work of minority and immigrant authors.

TESOL Concentration (15 units): Students expand their knowledge of English and the English language, examining aspects of theoretical and applied linguistics, with a special emphasis on second language acquisition and teaching English as a second language. The concentration introduces theories, concepts, perspectives, and methods of the study, analysis, and teaching of languages. It also imparts practical knowledge in the design of course content, curriculum, and testing materials. The concentration capstone consists of a teaching practicum, rounding out the TESOL curriculum. Capstone students also examine how individuals, groups, and institutions acquire and use language.

The TESOL certificate is awarded upon completion of the required TESOL curriculum and LANG 301 with a cumulative GPA of 3.0 and successful completion of the TESOL exit exam.

Graduation Requirements

Students must complete 120 units as designated above with a cumulative GPA of 2.0 or higher. The residency requirement for the Bachelor of Arts states that at least 30 units, including 24 upper-division units, must be completed at UWest.

Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a minimum grade of C (2.0) prior to the last day of the student’s last term in attendance at UWest.
English Minor

The English minor at UWest is designed for students who wish to enhance their major program with the benefits of intensive study of English language and literature, including a better understanding and appreciation of literatures in English and improvement in critical thinking and communication skills.

Students minoring in English learn to analyze what they read; they learn to read critically, to think about both what is said and how it is said, and to employ various methods of criticism, including the latest theoretical approaches. They also learn to articulate in oral reports, in-class discussion, and written papers what they have discovered. Through extensive writing practice, students improve their writing proficiency, a valuable skill in any professional setting.

The English minor offers students an overview of the history, conventions, and practices of literature and rhetoric in English, while allowing students to experience a diversity of texts through electives of their choice. The emphasis on critical thinking and analytical writing makes the English minor valuable for students who are pursuing majors in a variety of disciplines.

UWest’s English minor requires 18 units for completion. Courses completed as part of the student’s general education or elective requirement may also be applied to fulfill minor requirements. Completing a minor may extend the time needed to graduate. To apply, students submit an approved Declaration of Minor to the registrar’s office. To be eligible students must

- be in good standing with a cumulative GPA of 2.0 or above
- have earned at least 24 units applicable to their degree
- have successfully completed the following core competencies:
  - ILR 101 College Success: Research & Study Skills
  - ENGL 101 English Composition
  - ENGL 102 Composition II: Critical Thinking

Transfer students may be allowed to enter the minor upon admission if the unit and course requirements above have been met. No more than 6 units of transfer credit may be applied toward the minor requirements, and total transfer credit applied to degree requirements, including credits applied to the minor, may not exceed 90 units.

Course Requirements (18 units): Students complete one course from each of the following categories.

TESOL Certificate

The TESOL Certificate program trains students in the knowledge and skills necessary to teach English as a second or foreign language. TESOL certification is of value to individuals interested in teaching English as a second language at language institutes, in community agency ESP and adult education, and to those who plan to teach English as a foreign language abroad. The certificate is also an excellent way to diversify an undergraduate or complement a graduate degree.

The TESOL certificate program is open to non-degree seeking students as well as degree-seeking students in any UWest major. Undergraduates interested in pursuing TESOL certification must declare a minor in TESOL and will receive the certificate upon completion of the TESOL curriculum.

Courses are sequenced and should be taken in the following order. Students concurrently enrolled in a degree program at UWest may take courses out of sequence with consent of both the English and major chairs.

The undergraduate TESOL certificate requires completion of 18 units as specified, including 15 units in required courses, a 3-unit practicum, and an exit exam. A cumulative 3.0 GPA in TESOL curriculum is required for the award of the certificate.

English as a Second Language

Affiliated with the Department of English

Chair: Michael Grosso, MSc
Director of ESL & Lead Instructor: Edward Chong, MA
Adjunct Faculty: Deviani Ashby, MA
David Ocañas, MS
Ching-ya Wang (Yvette) Rodrigues
Shelley Wood-Goldstein, MA
Shana Wright, MA, TESOL
English as a Second Language

UWest’s English as a Second Language (ESL) Program provides students with direct language instruction and support necessary to improve English proficiency for personal, professional, and academic purposes. Courses are offered across levels and skill areas to develop fluency through a comprehensive curriculum grounded in the language domains of speaking, listening, grammar, reading, conversation, pronunciation, and writing.

English for Academic Purposes (EAP) is integrated into the ESL curriculum to improve English skills necessary for collegiate success across core subject areas. Emphasis is placed on the following language domains: writing, reading, grammar, vocabulary, listening comprehension, fluency development, and oral intelligibility. Academic skills addressed include test- and note-taking skills, academic vocabulary usage, critical reading and writing, comprehending academic lectures, research and library skills, and formal composition forms and development, including research papers.

Instructors

UWest’s ESL faculty hold advanced degrees in such fields as English, TESOL, linguistics, and cultural studies. Many also teach courses in general education and English, giving them insight into the academic needs of students who plan to pursue a degree at UWest or another American university.

Academic English Bridge

(Affiliated with the Department of English)

Academic English Bridge (Bridge) curriculum prepares students who have gained a solid foundation in English to transition to collegiate-level studies. Students master the writing, reading, and oral communication skills required for success in the college classroom while honing their critical and analytical thinking and basic research skills. While Bridge courses in the 100 series and above are credit-bearing college-level classes, applicability towards a degree is contingent on degree program requirements.

Upon completion of the ESL sequence, students advance to Bridge coursework. Bridge coursework is optional for students enrolled solely in the ESL program, and mandatory for any student who plans to enter a degree program at UWest upon completion of the ESL program. Bridge courses may also be assigned to incoming degree students based on UWest and prior assessment.

Students granted conditional admission to a degree program due to English proficiency may not advance to academic courses without successfully completing appropriate ESL and Bridge coursework. Students who wish to move from an ESL enrollment to a degree program must apply to the program of interest. The admission review will include a review of performance in ESL and Bridge courses and may require further testing. However, admission to a degree program is not guaranteed based solely on the completion of English language instruction at UWest.

Full-time enrollment for students placed in ESL courses is 20 hours per week. This includes four courses at the specified level and one elective course designed to support specific needs. Each Bridge course meets three hours per week. F-1 students must enroll in at least four Bridge courses or the equivalent of 12 units to maintain status.
English Placement Test (EPT)

All instruction at UWest is in English; therefore all students admitted to degree programs must demonstrate English proficiency. Applicants entering directly into the ESL program and those with TOEFL or IELTS scores that do not meet the minimum required for full admission to a degree program are required to complete an English Placement Test (EPT) to determine their appropriate level of instruction. Applicants educated in the US, including international applicants who have successfully completed three or more years at a college or university academic program where English was the primary language of instruction, are not commonly required to submit a TOEFL or IELTS score or to take the EPT.

The applicant’s EPT score will determine if the applicant is placed in ESL or Academic English Bridge courses or passed directly to degree-level courses in the program of admission.

The EPT is offered during UDAYS, the week leading up to the first day of classes each term and on regularly scheduled testing days prior to UDAYS. There is a $100 EPT test fee charged for students who request testing at any other time.

About the Exam

<table>
<thead>
<tr>
<th>Section</th>
<th>Time</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Writing</td>
<td>30 minutes</td>
<td>Students write a short essay answering a question or prompt. A typical short essay will include an introduction, thesis statement, body that supports the thesis, and a conclusion.</td>

<td>Assesses reading skills. Students read short passages and answer 20 multiple choice questions.</td>
</tr>
<tr>
<td>Oral Interview</td>
<td>5-10 minutes</td>
<td>Students are interviewed individually and asked three questions about a specific topic. Students have one minute to answer each question.</td>
</tr>
</tbody>
</table>
EPT Scores & Placement

The following scores are used to determine placement. Initially, the EPT score is the sole placement determinant. In subsequent terms, while the EPT score remains a factor in a student’s progression, it is not the only factor. EPT scores must be supported by improved language proficiency as demonstrated by strong academic performance. Students must maintain a minimum GPA of 2.7 (B-) for all ESL and Bridge coursework to advance through the ESL/Bridge sequence.

ESL Program Advancement

To advance through each level in the program, students must

- earn a term grade point average of 2.7 (B-) to advance to the next level. Students who do not achieve a B- average must repeat all courses at that level until they meet the requirements for advancement to the next level.
- pass all courses in the sequence. A student who fails (earns a grade of F) any given ESL course may not advance and will be required to repeat the same level until requirements for advancement to the next level are met.

With the English chair’s approval, students may seek to advance more than one level by retaking the English Placement Test (EPT) at the end of the semester. However, it should be noted that students may be moved to a lower level based on the results of the retest.

ESL Attendance Policy

The ESL program is an intensive language learning program. To succeed, students must attend classes regularly and participate actively. Ninety percent (90%) attendance is required to receive a passing grade in any course.

Students who miss more than 10 hours of any ESL course during one semester without the instructor’s approval may be dropped from the course. F-1 students who are dropped from a course fall below full-time status (defined as 20 hours per week for language training) which can lead to termination of the student’s I-20. The international student advisor can answer questions regarding F-1 policies.

ESL Certificate of Completion

Full-time students enrolled in the ESL Certificate program will receive a certificate each semester upon the successful completion of all courses with an average grade of B- or better. A grade of F in any class will not allow a student to progress or to receive a certificate. Each certificate acknowledges completion of one semester of ESL courses at the specified level. ESL courses are neither degree-applicable nor do they count as academic credit.
Course Descriptions
English as a Second Language (Non-Credit)

Level 010 Introductory ESL
Entry-level ESL. No prerequisites.

ESL 011
Introduction to Reading Comprehension
Fundamental vocabulary and reading skills. Students learn how to read and understand short selections and practice the sounds and spelling of English.

ESL 012
Introduction to English Writing
Instruction in basic written English. Students have written practice in grammar, usage, punctuation, spelling, and simple sentence structure.

ESL 013
Introduction to English Grammar
Fundamental rules of usage, parts of speech, basic sentence structure, questions, short answers, negations, and functions of simple verb tenses. Instruction focuses on contextualized and basic communicative exercises.

ESL 014
Introduction to Speaking & Listening
Basic oral and listening comprehension skills through natural communication activities and authentic English presented in themes and dialogs.

Level 020 Beginning ESL
Prerequisite: Level 010 with minimum grade of B- or qualifying score on EPT

ESL 021
Beginning Reading Comprehension
Basic reading and vocabulary skills in American English. Students learn to read and understand short selections, and practice the sounds and spelling of English.

ESL 022
Beginning Composition
English sentence structure and basic paragraph development.

ESL 023
Basic Grammar
Acquisition of form, meaning, and usage of basic structures in English. Focus is on basics, such as sentence patterns, questions and short answers, pluralization, simple and continuous verb tenses, and parts of speech including pronouns and prepositions.

ESL 024
Beginning Speaking & Listening Skills
Builds communication skills through practice. Listening activities are thematically organized and provide practice in understanding and responding to spoken English. Students increase their conversational competence through exposure to authentic discourse and natural communication activities.
Level 030 Intermediate ESL
Prerequisite: Level 020 with minimum grade of B- or qualifying score on EPT

**ESL 031**
Intermediate Reading Comprehension
Introduces reading skills necessary to succeed in college classes. Focus is on high-interest reading selections with pre- and post-reading activities.

**ESL 032**
Intermediate Composition
Initial skills necessary to cope with the collegiate writing demands from paragraph development to basic essays.

**ESL 033**
Intermediate Grammar
Contextual approach to English grammar and sentence analysis. Includes syntactic structures, verb forms and tenses, types of nouns, the use of articles and determiners, gerunds, and infinitives.

**ESL 034**
Intermediate Speaking & Listening Skills
Oral communication through high-interest listening activities, pronunciation and intonation practice, and theme-based conversation that incorporates relevant aspects of American culture and customs. Introduces basic oral presentations.

Level 040 High-Intermediate ESL
Prerequisite: Level 030 with minimum grade of B- or qualifying score on EPT

**ESL 041**
High-Intermediate Reading Comprehension
Develop higher-level reading vocabulary and critical thinking skills necessary to become competent, independent, and actively involved readers. Course work includes critical reading exercises aimed at developing strategies that help readers approach texts independently and confidently.

**ESL 042**
High Intermediate Composition
Academic and creative essay writing. Emphasis is placed on editing and revision techniques for proper organization, structure, and style.

**ESL 043**
High Intermediate Grammar
Full verbal morphology, perfect tenses, modals, active and passive voice, the conditional, causative forms, and various types of subordinate clauses. Grammar is presented in meaningful contexts, approached analytically and synthetically, and practiced both orally and in writing.

**ESL 044**
High Intermediate Speaking & Listening Skills
Improves language competence and pronunciation through natural communication activities and authentic English input. Students engage in oral presentations and interview situations.
Level 050 Advanced ESL
Prerequisite: Level 040 with minimum grade of B- or qualifying score on EPT

ESL 051
Advanced Reading Comprehension
Improve academic reading skills needed for collegiate success, including a variety of English texts, such as magazine articles, short stories, and newspaper reports. Coursework includes oral presentation and discussion as well as writing tasks designed as pre- and post-reading activities. Weekly paced readings help students to increase their reading speed.

ESL 052
Advanced Writing
Preparation for college-level writing. Writing projects focus on organization and logical development and help the student acquire more sophisticated syntactic structures and vocabulary. Students improve grammatical accuracy and develop effective editing skills.

ESL 053
Advanced Grammar
Further development of language skills necessary for academic reading, writing, and debate. Covers advanced grammatical concepts such as verb tense, modality, specificity, reference, number and agreement, as well as the different types of clauses used in English. Students identify, analyze, apply, and paraphrase more sophisticated grammatical structures.

ESL 054
Advanced Speaking & Listening
Improves listening and speaking ability for academic purposes through advanced listening and speaking exercises. Emphasis is placed on researched oral presentation, debates, and formulating critical questions and participating in classroom discussions.

Level 060 Upper Advanced ESL
Prerequisite: Level 050 with minimum grade of B- or qualifying score on EPT

ESL 061
Upper Advanced Reading Comprehension
Develops reading comprehension and vocabulary skills required for college success. Students read a variety of authentic academic texts including essays, research papers, reports, literature, etc. Practices reading fluency through analytical and critical reading for writing purposes. Helps students become more independent and invested in their college career.

ESL 062
Upper Advanced Writing
Develops collegiate composition skills by means of research-based writing. Emphasis is on developing MLA citation skills and their application to multiple paragraph essays, reports, summaries, and other academic texts. Students hone their understanding and use of structure, coherence, and rhetorical conventions.

ESL 063
Upper Advanced Grammar
Develops discourse grammar skills necessary for college-level reading, writing, and oral communication. Focus is on the development of fluency and accuracy of grammatical concepts such as tense and aspect system, clause structures, and modality.

ESL 064
Upper Advanced Speaking & Listening
Improves communicative competence skills for collegiate success with a focus on academic speaking and listening. Emphasis is on developing oral and aural fluency and accuracy by completing projects such as reports and speeches and by engaging in critical and analytical discussions reflective of college-level demands.
ESL Electives

ESL 035
American English Pronunciation
Prerequisite(s): instructor approval
Sounds, stress, intonation, and rhythm. Students improve their awareness of English pronunciation and learn how to monitor themselves. Coursework includes individual assessment, interactive exercises, songs and poetry, and recording assignments.

ESL 036
American Cultural Issues
Prerequisite(s): none
Fundamental English skills, including reading, vocabulary, listening, and speaking in an interactive environment. Students engage in discussion and relate contemporary political and social topics to their own lives. In addition, classes include cultural activities that incorporate film presentations and field trips for a better understanding of American language and culture.

ESL 037
Basic English Communication
Prerequisite(s): none
A low-intermediate multi-skills course designed to improve the English language fluency across language needs, with emphasis on oral and written communication skills.

ESL 038
Everyday Idioms and Slang
Prerequisite(s): none
Idioms, expressions, slang and word combinations in order to communicate more fluently and naturally in many everyday situations.

ESL 045
Conversation for English Language Learners
Prerequisite(s): level 030 with a minimum average grade of B- or qualifying score on EPT
Advanced oral communication skills to improve spoken fluency in academic, professional, and social settings.

ESL 046
American Culture: Los Angeles
Prerequisite(s): none
A multi-skills level course that blends language learning with Los Angeles history and cultural heritage.

ESL 047
TOEFL Preparation
Prerequisite(s): level 040 with a minimum average grade of B- or qualifying score on EPT
Designed to prepare students for the Internet-based Test of English as a Foreign Language (IBT TOEFL) and for success in an academic setting. Integrated skills approach to reading, writing, speaking, and listening. Academic vocabulary skills and academic culture are also included.

ESL 057
Storytelling
Prerequisite(s): none
Designed to develop English language skills, such as reading comprehension, vocabulary building, creative reading and creative written expression. Students are introduced to the diversity of fiction, poetry and drama in English and asked to produce their own creative work.

ESL 067
English Skills for College Success
Prerequisite(s): none
A multi-skills level course that develops language and academic skills necessary for a successful transition into American university.
Academic English Bridge Course Descriptions

90 Academic English Series

ENGL 90A
Academic Writing (3 units)
Prerequisite(s): Advancement from ESL or placement score
Prepares students for college-level composition. Focus includes writing from paragraph to essay, developing and organizing ideas, building unified and coherent compositions, and incorporating MLA citations and references.
Not degree applicable
Minimum passing grade: B-

ENGL 90B
Academic Speech (3 units)
Prerequisite(s): Advancement from ESL or placement score
Develops academic speaking skills. Students build skills required for success in the classroom, such as public speaking, fluency, intelligibility, and lecture and broadcast evaluation.
Not degree applicable
Minimum passing grade: B-

ENGL 90C
Academic Grammar (3 units)
Prerequisite(s): Advancement from ESL or placement score
Develops advanced discourse grammar skills necessary for success in college-level classes. Focus is on advanced grammatical concepts for academic writing.
Not degree applicable
Minimum passing grade: B-

ENGL 90D
Academic Reading (3 units)
Prerequisite(s): Advancement from ESL or placement score
Preparation for college-level reading. Focus includes critical and analytical reading skills for academic texts, information literacy skills for college writing, and academic vocabulary.
Not degree applicable
Minimum passing grade: B-

100 Academic English Series

100-level courses focus on specific academic English language competencies necessary for success at the undergraduate level. Courses may be applied to undergraduate elective requirements when applicable to program. The minimum passing grade for all 100 series courses is B-.

ENGL 100A
College Writing (3 units)
Prerequisite(s): ENGL 090A w/B or higher, or placement score
Essay writing for academic purposes. Building on ENGL 090A composition skills, students apply the writing process to organize and develop thesis-driven essays. Students practice effective expository writing incorporating outside sources and learn to develop arguments through multiple drafts.
Degree applicable upon approval
Minimum passing grade: B-

ENGL 100B
College Speech (3 units)
Prerequisite(s): ENGL 090B w/B- or higher, or placement score
Speaking and listening requirements to prepare students for the American college classroom. Emphasizes public communication and presentation skills in a variety of academic settings.
Degree applicable upon approval
Minimum passing grade: B-
ENGL 100D

College Reading (3 units)

Prerequisite(s): ENGL090D w/B- or higher or placement score

Preparation for college-level reading. Focuses on developing critical and analytical reading skills for vocabulary development, comprehension, and information literacy.

Degree applicable upon approval
Minimum passing grade: B-

ENGL 100G

College Grammar (3 units)

Prerequisite(s): ENGL090D w/B- or higher or placement score

COURSE DESCRIPTION HERE.
Degree applicable upon approval
Minimum passing grade: B-

English for Specific Purposes (ESP)

English for Specific Purposes provides working professionals and busy students with specific language instruction and support through a series of scheduled six-week modules with courses conveniently scheduled on evenings and weekends. The curriculum is designed to help students improve their English proficiency for personal, professional, and academic purposes.

Students may select courses focusing on special topics in spoken English, such as conversation skills, professional English, pronunciation and accent reduction, workplace communication, as well as a number of courses addressing the needs of small business owners. Courses prepare students to participate fully in the community and the workplace. The program also serves exchange students, undergraduates, and graduate students seeking to improve their written and spoken language proficiency.

This program is offered in 36-hour modules of intensive instruction. Each course meets three hours per session twice a week for six weeks. The program includes courses at the basic, intermediate, and advanced levels. Level tests are held one week prior to the start of the module so that students may select courses at the level that meets their needs.

ESP 076 TOEIC Preparation
Evening English for Specific Purposes (ESP) Course Descriptions

American Conversation Practice

ESP 020
Basic English Communication Practice
Basic level
Focuses on basic communication needs of basic-level English language learners. Focus of curriculum is in areas such as pronunciation, vocabulary, reading, writing, listening and speaking.

ESP 021
Conversation Practice for Advanced Speakers
High-intermediate to advanced
Builds fluency through discussion and conversation of a number contemporary issues.

ESP 022
In-Depth Discussion Practice
High-intermediate to advanced
In-depth discussion of current issues and topics to improve discussion strategies and management while developing fluency and content knowledge.

ESP 023
Focus on Pronunciation & Accent Reduction
Open to all levels
Improves pronunciation and accent skills for intelligibility; specific focus on consonant & vowel phonetic awareness, rhythm and intonation, and spelling-pronunciation relationships.

ESP 024
Conversation for Everyday Use
Intermediate to advanced
Practices familiar and practical daily topics to improve fluency and casual conversation skills.

ESP 025
American Customs & Etiquette
Open to all levels
Introduction to typical American customs and etiquette. Eases acculturation into daily life by understanding commonly accepted manners and acceptable social interaction.

ESP for Business

ESP 040
Language for Business Negotiation
Intermediate to advanced
Builds negotiation skills to improve business relations, professionalism, and effective communication in the workplace.

ESP 041
Language Skills for Customer Service
Intermediate to advanced
Develops customer service skills to enhance customer and employee relations.

ESP 042
Language Skills for Service Industries
Intermediate to advanced
Practical English language skills necessary for professional customer service, employee interaction, and merchant relations in service industries such as restaurants and hotels.
English Skills for Business Professionals

ESP 051
English for Corporate Communication
Intermediate to advanced
Develops communication skills in business English for use in the corporate environment.

ESP 052
Executive Reading, Vocabulary, & Idioms
Intermediate to advanced
Develops business speaking and reading ability for more professional communication and conversation.

ESP 053
Writing Skills for the Workplace
Open to all levels
Develops workplace writing skills order to improve communication, clarity, and professionalism.

ESP 054
Conversation for the Workplace
Intermediate to advanced
Practices workplace speaking skills to build fluency, confidence, and accuracy.

ESP 055
English Skills for Small Business Owners
High-intermediate to advanced
Builds a foundation of professional spoken and written skills to improve communication with employees and increase productivity and efficiency in the workplace.

Test Preparation & Enrichment Courses

ESP 070
Everyday Vocabulary
Open to all levels
Builds vocabulary for everyday use. Students develop their knowledge about and ability to use idioms, slang, and other common English terms.

ESP 071
Computer Literacy for English Language Learners
Open to all levels
Develops English and basic computer skills with activities and tasks that involve using computer technology.

ESP 072
Writing to Improve Communication Skills
Open to all levels
Written communication organizational strategies to improve overall English communication.

ESP 075
TOEFL Preparation
Open to all levels
Test taking skills for each section of the Test of English as a Foreign Language (TOEFL): reading, listening, speaking, and writing.

ESP 076
TOEIC Preparation
Open to all levels
Test taking skills for each section of the Test of English for International Communication (TOEIC): reading, listening, speaking, and writing.

Monica Sanford, MDiv
General Education

General Education (GE) is an integral part of each UWest undergraduate program. All students complete 51 units of GE as part of their bachelor’s degree requirements. GE course selections reflect UWest’s conviction that the higher education of the whole person requires a breadth of knowledge beyond the specialized study and training covered in the majors.

University of the West’s General Education courses empower students to design their own lives, their personal philosophies, their unique ways of being in this world. As they move through their GE coursework, our students explore their inner selves and learn how to face challenges, to make decisions, and to adapt in a rapidly changing world. Along the way, each UWest undergraduate develops and refines the vital skills of writing, critical thinking, and speaking. UWest graduates possess the knowledge, awareness, and skills to be self-reliant, ethical, responsible global citizens who value service to others and respect for the environment.

Program Learning Outcomes for General Education

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<table>
<thead>
<tr>
<th>Historical Foundations</th>
<th>Students explain and evaluate the events and developments in Eastern and Western history that have shaped the modern world.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mathematics</td>
<td>Students perform and apply the principles, operations, and strategies of arithmetic, algebra, and statistics.</td>
</tr>
<tr>
<td>Natural Sciences</td>
<td>Students express and apply the key teachings and principles in the biological and/or physical sciences.</td>
</tr>
<tr>
<td>Religion and Philosophy</td>
<td>Students describe and discuss questions concerning the nature, meaning, and value of human existence. They are able to assess different worldviews and moral teachings.</td>
</tr>
<tr>

<td>Students express and apply key teachings and principles of human behavior and social relations.</td>
</tr>
<tr>
<td>Humanities</td>
<td>Students express an appreciation of diverse cultural, linguistic, and literary environments.</td>
</tr>
</tbody>
</table>

Core Competencies

| Information Literacy        | Students can determine the nature and extent of information needed, access information effectively and efficiently, evaluate information and its sources critically, and access and use information ethically and legally. |
| Quantitative Reasoning      | Students can understand, create, and apply to real-world problems and social issues sophisticated arguments supported by quantitative evidence and clearly communicate those arguments in a variety of formats using words, tables, graphs, mathematical equations, etc. |
| Written Communication       | Students communicate information and ideas clearly and persuasively following the conventions of academic writing. |
| Oral Communication          | Students are able to present information and ideas clearly and persuasively following the conventions of public speaking. |
Self-Awareness

Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

Character

Students can relate General Education course content to their own self-exploration and character development.

Liberation

Students recognize the diversity and dignity of all beings and understand their own role in the pursuit of social justice.

Pluralism

Students recognize the central role pluralism plays in the modern world and can appreciate cultures/worldviews other than their own and actively engage with them.

Interdependence

Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

Service

Students recognize the importance of service-oriented approaches to people, society, and the environment, and are able to serve others.

Interconnectedness

Students demonstrate compassionate sensitivity toward themselves and others.

Category 9

**Capstone Course in General Education (3 units):** To ensure that students have met the goals of UWest’s GE program, the program concludes with one capstone course. This course provides an experience in comparative study at the 400 level, where the skills and knowledge developed in core and breadth are integrated. Students apply knowledge acquired in individual areas to an interdisciplinary field of study.

<table>

<td>3</td>
</tr>
</tbody>
</table>

**Graduation Requirements**

All undergraduate students are required to complete 51 GE units in the nine subject categories above in addition to their core degree requirements. A minimum 9 GE units must be in upper-division courses (numbered 300 or higher).
Learning Community 2016-17: Self & Community

Students entering college for the first time have the opportunity to join UWest’s inaugural learning community, Self & Community. Self & Community integrates academics, student life, and residence life to help students make the transition to college by creating an inclusive and supportive environment that focuses specifically on their needs, interests, and success. Faculty and other advisors and mentors help students develop the resilience and skills they will need to realize their educational goals. Through involvement with high-impact curricular and co-curricular activities, students are provided advisement and resources to keep their lives in balance and their studies on track.

Self & Community students explore multiple pathways for personal growth, participate in campus customs, traditions, and social activities that support their studies. They also learn to access knowledge inherent in their family and cultural backgrounds, incorporating that significant heritage into their learning. The resulting synthesis of self-understanding and a rich cultural experience empowers students to develop critical thinking and writing skills that will continue to serve them long after they graduate. This whole-person context allows students to create new stories by which to understand themselves and the world. The Self & Community experience guides and challenges students to develop their own personal philosophies that equip them to become decisive and effective problem-solvers prepared to contribute to the larger community creatively and ethically.

Self & Community Curriculum

Self & Community members participate in four degree-applicable interdisciplinary courses created especially for the learning community. Students learn with, from, and on behalf of one another, developing a connection fueled by shared academic inquiry and supported by social and cultural self-exploration. Members of Self & Community are also fully engaged in campus life. Whether commuting or living on campus, every term students enroll in classes outside the learning community, join clubs and events offered to students from all programs, and grow relationships with peers, faculty, and staff across the UWest community.

Students’ schedules include one Self & Community course each semester for four consecutive semesters. The remaining courses each semester are selected to facilitate progress towards graduation.

First Semester
LC 101 Self: Who am I?
Students investigate who they are and what has shaped their lives so far, experiencing multiple approaches to self-exploration, self-empowerment, self-reflection, and self-value.

LC 101 fulfills the 3-unit GE Category 6C requirement. Exception: English majors apply this course towards their General Elective requirement.

Second Semester
LC 102 Journey: Where am I going?
Students explore their own life narratives within the context of historical and contemporary heroic journeys.

LC 102 fulfills the 3-unit GE Category 5A requirement.

Third Semester
LC 201 Character: How will I act?
Students begin to synthesize their life experience, cultural and familial heritage, and education into personal value systems.

LC 201 fulfills the 3-unit GE Category 3B Philosophy requirement.

Fourth Semester
LC 301 Community: What can I offer?
The learning community experience culminates in this gateway course. Students incorporate their explorations in the preceding courses to link their personal value systems with their major goals.

LC 301 fulfills one 3-unit requirement in the major field of study as follows:

University of the West  2016-2017
Liberal Arts

Chair
Janice S. Gore, PhD
Bachelor of Arts in Liberal Arts

University of the West’s Liberal Arts degree program offers each undergraduate a self-designed cross- and interdisciplinary learning path. Liberal Arts majors follow their intellectual curiosity to pursue specific interests and a wide-ranging understanding of the history and sweep of human endeavor. Liberal Arts concentrations allow each student to create across disciplines a cluster of courses focused on whatever sparks her or his intellect. Liberal Arts majors graduate from University of the West with a strong sense of self and an understanding of how to live well and with purpose in the world.

The Bachelor of Arts degree in Liberal Arts is designed for completion in four years of full-time study.

Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<td>Students communicate information and ideas clearly and persuasively following the conventions of academic writing.</td>
</tr>
<tr>
<td>Oral Communication</td>
<td>Students are able to present information and ideas clearly and persuasively following the conventions of public speaking.</td>
</tr>
</tbody>
</table>
Self-Awareness
Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

Character
Students can relate General Education course content to their own self-exploration and character development.

Liberation
Students recognize the diversity and dignity of all beings and understand their own role in the pursuit of social justice.

Pluralism
Students recognize the central role pluralism plays in the modern world and can appreciate cultures/worldviews other than their own and actively engage with them.

Interdependence
Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

Service
Students recognize the importance of service-oriented approaches to people, society, and the environment, and are able to serve others.

Interconnectedness
Students demonstrate compassionate sensitivity toward themselves and others.

Course Requirements

<table>
<thead>
<tr>
<th>Area</th>
<th>Required Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>51, 9 of which must be upper-division</td>
</tr>
<tr>
<td>Liberal Arts Electives</td>
<td>69, 42 of which must be upper-division</td>
</tr>
<tr>
<td>Total</td>
<td>120</td>
</tr>
</tbody>
</table>

General Education Courses (51 units): All undergraduates must complete 51 units of general education, including nine units at the upper-division level, as described in the General Education section of this catalog. This requirement is an integral part of UWest’s mission to produce well-informed, balanced, versatile, intellectually capable, socially sensitive, and ethically committed graduates in all fields of study.

Liberal Arts Electives (69 units): Students complete 69 units of elective coursework, including at least 42 units of upper-division courses (numbered 300 or 400). Students may select undergraduate courses from all majors. Courses completed to fulfill general education requirements may not be applied to this requirement.

Student-Developed Concentrations (18 units): Liberal Arts majors have the option of creating concentrations to provide an in-depth focus to their program. Courses completed to fulfill a concentration are applied to the Liberal Arts Electives requirement. While a concentration is not required, it is an excellent opportunity for students to establish a foundation for future career paths or graduate studies. Courses completed to fulfill general education requirements may not be applied to a Liberal Arts concentration.
Student-Developed Concentrations

Each student-developed concentration must include 18 units of courses related to its theme. Students should seek the advice and approval of the Liberal Arts chair when developing such concentrations. These concentrations provide students the opportunity to integrate courses from multiple disciplines while pursuing their special interests and passions.

Examples of Concentrations

- Global Studies: Integrate business, history, political science, religion, foreign language, culture, and related fields
- Diversity and Multiculturalism: Integrate anthropology, sociology, psychology, religion, language, and related fields
- Contemplative Studies: Integrate Buddhist studies, contemplative practice, meditation, philosophy, and psychology
- Buddhist Psychology
- Business: Focus on areas such as management, finance, marketing, entrepreneurship, and international business
- Social Justice and Human Rights
- Contemporary and Historical Relations between East and West
- Interdisciplinary Perspectives and Practices
- Mind and Mindfulness
- Buddha and the Information Age
- Religion and Psychology

Graduation Requirements

Students must complete 120 units as designated above with a cumulative GPA of 2.0 or higher. UWest’s residency requirement for the Bachelor of Arts states that at least 30 units, including 24 upper division units, must be completed at UWest.

Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a minimum grade of C (2.0) prior to the last day of the student’s last term in attendance at UWest.

</table>
Psychology is the study of human experience across the lifespan including individual (cognition, emotion, behavior) and family/community systems. The psychology program at University of the West emphasizes the dimensions of multicultural and cross-cultural influence. Course offerings in psychology include introductory and advanced instruction in both Western and Eastern systems of psychological theory and practice.

Philosophy and Objectives

UWest’s psychology program prepares students to be innovative critical thinkers, ready to meet the needs of a dynamic and complex global community. Consistent with the university’s mission, the department not only aims to cultivate leading edge awareness, knowledge, and skills, but also aspires to educate the whole person by nurturing social responsibility and integrity. The culturally diverse faculty and staff contribute to awakening an appreciation of cultural differences.

Bachelor of Arts in Psychology

The learning outcomes for the BA Psychology degree are informed by the American Psychological Association’s 10 Optimal Guidelines for the Undergraduate Psychology Major as well as the university’s institutional learning outcomes. These outcomes reflect the knowledge and skills undergraduates are expected to acquire during their studies at UWest.

Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

**Capstone (3 units)**: The psychology degree culminates in the course PSYCH 495 Capstone Eastern & Western Perspectives on Contemporary Issues.

**Graduation Requirements**

Students must complete 120 units as designated above with a cumulative GPA of 2.0 or higher. UWest’s residency requirement for the Bachelor of Arts states that at least 30 units, including 24 upper division units, must be completed at UWest.

Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a C (2.0) prior to the last day of the student’s last term in attendance at UWest.
Master of Arts in Psychology

The goal of UWest’s Psychology Department is to reduce suffering and increase happiness in the world through the application of mental health practices. The 63-unit Master of Arts in Psychology – Marriage and Family Therapy prepares students to meet requirements for California licensure to provide psychotherapy as Marriage and Family Therapists (MFT). The program focuses on the intersection between Buddhist psychology and Western multicultural and recovery-oriented evidence-based practice in helping individuals, couples, families, and groups.

Beyond having mastered standard MFT competencies, UWest graduates are

- grounded in Recovery-Oriented Practice, putting clients at the heart of treatment, focusing upon co-creating a life worth living;
- well-practiced at making ethical decisions from the overlapping lenses of multiculturalism, Buddhist psychology, and biomedical/behavioral health law and ethics;
- clinically and personally skilled in contemplative practice;
- versed in effective practices that borrow heavily from Buddhist psychology, such as Mindfulness-Based Stress Reduction, Mindfulness-Based Cognitive Therapy, Acceptance and Commitment Therapy, Compassion Focused Therapy, and Dialectical Behavioral Therapy Skills Training;
- trained in the fundamentals of Emotionally Focused Therapy for couples; and
- experienced in the applications of Interpersonal Neurobiology from the inside out.

The university takes pride in offering small teacher-student ratio, diversity, and individual attention in the classroom as the faculty nurtures all aspects of the therapist’s personhood, particularly intrapersonal awareness, interpersonal and multicultural knowledge, and the skills to turn this awareness and knowledge into helpful interactions with others. In 2015, UWest’s MA in Psychology was ranked as the 9th most affordable graduate psychology program in the United States.

The program is aligned to the requirements of California Business and Professions Code Section 4980.37, as regulated by the California Board of Behavioral Sciences (BBS). Coursework prepares students for the California MFT license examinations, and to meet best practices outlined by the American Association for Marriage and Family Therapy and the California Association of Marriage and Family Therapists. More information about the MFT license can be found at http://www.bbs.ca.gov.

UWest also maintains a 42-unit Master of Arts degree in Multicultural Counseling specifically for students enrolled in the 63-unit program who, after beginning their studies, find they are not a good fit for the profession or whose life circumstances prevent them from currently engaging in supervised clinical work. New students are not admitted into the 42-unit program, and transfer into the program is at the discretion of the chair. It is important to note that the 42-unit Master of Arts in Psychology does not meet the requirements to sit for a license in Marriage and Family Therapy (MFT) or Licensed Professional Clinical Counselor (LPCC) in any state. In accordance with California State regulations, students who complete and receive the 42-unit master’s degree cannot, post-graduation, transfer or apply those credits toward the completion of an MFT license program. Additional details about the 42-unit master’s program may be found in the 2015-2016 Academic Catalog and the UWest MFT Student Handbook.
Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

**Knowledge**

Students demonstrate the knowledge needed to synthesize various psychotherapeutic approaches.

Students describe and explain the ethics and laws pertaining to mental health services for MFTs.

Students list and discuss the various psychotherapeutic theoretical approaches and corresponding diagnostic and intervention techniques.

**Praxis**

Students conduct thorough intake interviews including suicide assessments, summarize the themes of the interview, and identify goals and potential treatment plans for therapy.

Students demonstrate competency in the assessment, detection, and intervention for spousal abuse as well as for abuse reporting for all categories.

**Ethics**

Students effectively apply MFT field ethics, and state and federal laws to case vignettes and in vivo counseling sessions.

**Critical Thinking**

Students apply critical and creative thinking, skeptical inquiry and, when possible, the scientific method to discern, evaluate, and criticize specific issues in psychology.

**Communication**

Students clearly articulate their study of psychology in writing and speech.

Self-Awareness

Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

**Character**

Students are fully present, mindfully aware of the moment, during client sessions.

**Expression**

Students express an increased level of self-awareness as it applies to their role as therapists, including an understanding of and ability to articulate their own cultural values and biases.

**Relationship**

Students demonstrate case conceptualizations that reflect a refined understanding of the impact that their own cultural identities and related values have on the therapeutic process (specifically the therapeutic alliance/relationship).

Liberation

Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

**Pluralism**

Students develop cultural responsiveness in terms of intake, diagnosis, treatment planning, and intervention selection.

**Liberation from Suffering**

Students discuss the various types of privilege and oppression that often arise for select cultural identities, such as select racial and ethnic groups, socioeconomic status, gender, sexual orientation, age, and physical and mental ability.
**Interdependence**

Students possess a holistic understanding of global interdependence in order to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

Internship/Clinical Education (6 units): Students are required to gain 6 units of fieldwork (practicum) at an approved practicum site. Upon completion of 18 units of coursework students may seek the chair’s approval to pursue a practicum. All fieldwork and practica placements must be approved by the department chair and training director before training begins.

Training sites must have a written contract with UWest indicating the commitment to abide by the supervisory conditions required for the pre-MFT licensure requirements, as guided by California’s Board of Behavioral Sciences (BBS).

Students entering an approved practicum must enroll in PSYCH 700 and PSYCH 710 in consecutive terms. Students collecting supervised hours for graduation and for licensure must maintain continuous enrollment by enrolling in PSYCH 702 (during summer sessions) or PSYCH 711 (following completion of PSYCH 710).

Comprehensive Exam or Thesis: All students are required to pass a comprehensive exam in their final semester.

Upon recommendation of the department chair, students who would like to pursue a PhD upon completion of the MA may be permitted to complete a thesis rather than the comprehensive exam. While the thesis is usually completed in one term, with the chair’s approval students may apply for an extension of one additional term. Students must maintain continuous enrollment in PSYCH 699A until the thesis is submitted to and accepted by the library. Credit for PSYCH 699A is not applicable to graduation.

<table>

</table>
Specialization Courses (Optional): While specialization courses are not degree applicable, students may choose to take these courses to increase expertise, expand their CV/resume, and acquire training unavailable elsewhere. Chair’s approval is required. Units earned for these courses will not be applied to graduation requirements.

To ensure that enrollment in specialization courses does not interfere with sequenced completion of required coursework, most specialization courses are offered only during summer sessions. If taken during the fall or spring semester, the specialization course must be in addition to all courses required for that term.

In addition to the courses listed below, students may select specialization courses from other offerings in MA Religious Studies and MDiv Buddhist Chaplaincy.

Sample Course Progression - Full Time Enrollment

First Year

Term 1 Fall Semester
PSYCH 505 Multicultural/Buddhist Community Mental Health
PSYCH 532 Law & Ethics
PSYCH 533 Multicultural Counseling
PSYCH 531 Theories I

Term 2 Spring Semester
PSYCH 501 Experimental Design & Statistical Analysis
PSYCH 536 MFT I: Family
PSYCH 505A Group Process

Term 2.5 Summer Session (Optional)
PSYCH 702 Intersession Practicum (required if supervised clinical training spans or begins during summer session)
PSYCH 537 Motivational Interviewing (specialization course: not degree applicable)

Second Year

Term 3 Fall Semester
PSYCH 504 Counseling Children & Adolescents
PSYCH 538 Psychological Testing
PSYCH 551 Theories II: Buddhist-Inspired Evidence-Based Practice
PSYCH 700 Practicum

Term 4 Spring Semester
PSYCH 540 Counseling Across the Lifespan
PSYCH 556 MFT II: Couples
PSYCH 600 Group Psychotherapy
PSYCH 710 Advanced Practicum

Third Year

Term 5 Fall Semester
PSYCH 623 Poverty, Dislocation, & Stigma
PSYCH 643 Trauma & Resiliency
PSYCH 651 Buddhist Psychology & Addiction (required if not completed during summer session)

Term 4.5 Summer Session (Optional)
PSYCH 702 Intersession Practicum (required if collecting supervised clinical hours after completing PSYCH 710)

Optional Specialization Course
PSYCH 651 Buddhist Psychology & Addiction (required course offered during summer session)

Term 6 Spring Semester
PSYCH 545 Psychopharmacology
PSYCH 607 Advanced Seminar in Culture & Psychotherapy
PSYCH 633 Sex, Sexuality, & Gender
PSYCH 699B Comprehensive Exam
PSYCH 712 Continuing Practicum (required if collecting supervised clinical hours after completing PSYCH 710)

Optional Specialization Course
REL 530 Topics in Buddhist Meditation

Graduation Requirements:

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 63 units with a minimum cumulative GPA of 3.0 and pass a comprehensive exam or thesis. A minimum grade of B is required for all courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade. All coursework must be at the graduate level; graduate courses previously applied to a bachelor’s degree cannot be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of credit from another institution.

Degrees are awarded at the close of the semester in which all degree requirements have been completed, the comprehensive exam has been passed or the thesis has been submitted to and accepted by the library (if applicable), the Petition to Graduate form has been filed with the Registrar’s office, and the graduation fee has been paid.

The Religious Studies Department specializes in the study of Buddhism and comparative religion, offering both an MA and PhD in Religious Studies. In addition to their teaching mission, faculty are involved in various research projects, including detailed study of Chinese-, Sanskrit-, and Pali-language Buddhist texts and the study of Asian religions in the contemporary world. The Religious Studies Department works closely with other departments, particularly Buddhist Chaplaincy and Psychology, providing a bridge between the study of religion—past, present, and future—and the problems of modern life.

Philosophy & Objectives

Through the study of religion students acquire a deep understanding of religious practices, ideas, outlooks, and concerns that have influenced and continue to influence human culture and existence. Asian religious traditions, particularly Buddhism, provide the core focus and foundation of the program. The department is dedicated to open academic inquiry and religious diversity and committed to fostering an environment that furthers religious understanding between East and West. Students from all religious backgrounds are encouraged to bring their own unique and enriching perspective to the study of religion.

Master of Arts in Religious Studies

The Master of Arts in Religious Studies is a two-year, full-time degree program that allows students to gain a critical appreciation and understanding of different facets of religion. In close consultation with a faculty advisor, students design a course of study tailored to their own interests and needs. Students may draw on courses offered at University of the West to create an emphasis in Buddhist canonical languages, history and texts, comparative religions, Humanistic Buddhism, Chinese religions, South Asian religions, Buddhism and psychology, Buddhism and contemporary culture, Buddhist theology and ministry, or an area central to their particular interests.

Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

<table>
<thead>
<tr>
<th>Knowledge</th>
<th>Students summarize and explain different facets of religion and religious life.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Praxis</td>
<td>Students apply the tools and theories used in the academic study of religion.</td>
</tr>
<tr>
<td>Ethics</td>
<td>Students identify ethical issues raised by religion(s) and explain their significance.</td>
</tr>
<tr>
<td>Critical Thinking</td>
<td>Students think critically about specific religious traditions and about the academic study of religion, in general.</td>
</tr>
<tr>
<td>Communication</td>
<td>Students engage in scholarly writing and presentation.</td>
</tr>
</tbody>
</table>

Self-Awareness

Students are prepared to engage in an ongoing process of self-understanding that enables them to lead happy, purposeful lives characterized by healthy relationships to self and others.

| Character                          | Students critically relate religious teachings to their own self-exploration and character development. |
Liberation

Students recognize the diversity and dignity of all human beings and understand their own role in the pursuit of social justice.

<table>
<thead>
<tr>
<th>Pluralism</th>
<th>Students acknowledge the value of religious diversity.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Liberation from Suffering</td>
<td>Students critically relate religious teachings to issues of suffering.</td>
</tr>
</tbody>
</table>

Interdependence

Students possess a holistic understanding of global interdependence to cultivate compassionate thought, speech, and action in service to themselves, others, and the environment.

| Culture | Students critically evaluate the role of religion in human culture and society. |

</tr>
<tr>
<td>Specialization &amp; Electives</td>
<td>27</td>
</tr>
<tr>
<td>Total</td>
<td>36</td>
</tr>
</tbody>
</table>

Core Courses (6 units): During the first two semesters, all students complete the two core courses below. Students will acquire knowledge of the tools and theories used for the advanced academic study of religion. A minimum grade of B is required for each core course. Students who do not earn a B or higher in a core course may repeat that course one time only to achieve a passing grade.

<table>
<thead>
<tr>

<tbody>
<tr>
<td>REL 600 History &amp; Theory of the Study of Religion</td>
<td>3</td>
</tr>
<tr>
<td>REL 607 Research Methods</td>
<td>3</td>
</tr>
</tbody>
</table>

Religious Diversity Requirement (3 units): In consultation with their faculty advisor, all students select at least one course in comparative religion or a religious tradition outside their area of focus. Students gain understanding, respect, and appreciation of religious and cultural diversity. A minimum grade of C is required. Students who do not earn a C or higher may repeat that course one time only to achieve a passing grade.

Specialization and Electives (27 units): All students complete nine courses. Students are encouraged to develop an area of emphasis in consultation with their faculty advisor, reflecting a structured approach to the students’ focus and interests. A minimum grade of C is required for each specialization and elective course applied to graduation. Students who do not earn a C or higher in a course may repeat that course one time only to achieve a passing grade.

One course per semester may be taken at an approved collegiate partner such as the Claremont School of Theology. Students acquire knowledge and research and writing skills in their chosen area of emphasis or focus.

Portfolio Requirement: Students must submit a portfolio of their work to the department for assessment and review. This portfolio must be submitted by Friday of the 14th week in the student’s final term. Portfolio guidelines are found in the Religious Studies Graduate Student Handbook.
Optional PhD Preparation Track

For students planning to pursue further academic study and apply to a doctoral-level program, the following components are optional, although highly recommended. These courses can be applied toward graduation.

Language: Students may pursue up to 12 units of language study as part of their overall coursework. Language study is recommended during the first year of coursework or as soon as the relevant courses are offered.

Thesis Project: Students may enroll in the 3-unit course REL 700 Thesis Project at the outset of the semester in which they intend to write and submit their thesis. They select a relevant research subject in consultation with the professor supervising their project. The thesis must be at least 50 double-spaced pages in length (excluding the title page, abstract, and bibliography). The master's candidate must have a thesis committee approved by the department chair prior to the end of the semester during which REL 700 Thesis Project is taken. This committee is composed of three faculty members, including the student’s advisor. With the approval of their advisor and the department chair, students may choose to pursue an alternative to the traditional thesis (e.g. publishable article, multimedia project).

The final draft of the thesis or comparable project must be formatted according to university guidelines and submitted to the library before the end of the term in which the student is graduating. Students receive 3 units of thesis credit, applicable to the specialization requirement, when the thesis is accepted by the library. A student who fails to meet the submission deadline is not eligible for thesis credit.

Students may enroll in REL 700 for a second subsequent semester only with the approval of the thesis committee and department chair. If granted an extension for submission, the student must maintain continuous enrollment by enrolling in REL 700 and paying all applicable tuition and fees through the term during which the thesis is accepted by the library. A student who fails to meet the submission deadline is not eligible for thesis credit. If granted an extension for submission, the student must maintain continuous enrollment by enrolling in REL 700 and paying all applicable tuition and fees through the term during which the thesis is accepted by the library.

Graduation Requirements

Students are expected to complete graduation requirements in a timely manner and to maintain good standing.

Students must complete course and program requirements as listed for a total of 36 units with a minimum cumulative GPA of 3.0. A minimum grade of B is required for core courses and a minimum grade of C or P for all other courses applied to graduation. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade. All coursework must be at the graduate level; graduate courses previously applied to a bachelor’s degree cannot be applied to graduation.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Up to 6 units may be fulfilled through the transfer of graduate credit from another institution. Students are required to complete their final 6 units in attendance at UWest. Any pre-approved transfer work must be completed with a minimum grade of B (3.0) prior to the last day of the student’s last term in attendance at UWest.

Degrees are awarded at the close of the semester in which all coursework has been completed, the portfolio has been accepted as complete, the thesis has successfully been submitted to and accepted by the library (if applicable), the Petition to Graduate form has been filed with the Registrar’s office, and the graduation fee has been paid.

Time to Degree Standards

Full Time: Students who enroll full-time in this program are expected to complete their degree in two years (four semesters). Any request for an extension of the time to degree must be submitted through a General Petition and approved by the chair. The maximum time to degree allowed after all approved extensions is four years.

Part Time: Students who intend to enroll on a part-time basis must meet with the chair to develop an appropriate standard and timeline. This timeline may not exceed four years.

Students should be aware that a failure to meet time to degree standards may result in loss of visa eligibility and/or funding support or in dismissal from the program.
Doctor of Philosophy in Religious Studies

The Doctor of Philosophy (PhD) in Religious Studies is an advanced research degree leading to a dissertation. Research and writing skills are developed to the level necessary to participate in professional academic discourse. A doctoral degree is awarded on the basis of evidence that the recipient possesses knowledge of a broad field of learning and expert mastery of a particular area of concentration within that field.

UWest offers two concentrations in its doctoral program. First, doctoral students may specialize in Buddhist Studies. This is for advanced research in the comparative study of Buddhism in relation to another religion, or the intensive study of an aspect of Buddhism, leading to a dissertation. Second, a doctoral student may choose Comparative Religions. This is for advanced research in the comparative study of religions.

Progress through the doctoral program is determined by coursework, language requirements, and the successful completion of qualifying examinations and a dissertation. As a means of tailoring the program to the needs and interests of individual students, the number and content of these examinations will be individualized by the doctoral committee. Failing any qualifying examination twice in a row may result in termination of the student’s enrollment in the program.

Program Learning Outcomes

Wisdom & Skillful Means

Students are thoroughly prepared for academic and professional success.

*Topics announced each semester. A student may take these courses for credit more than one time with the approval of the instructor and the department chair.

Research Training (12 units): After successful advancement to candidacy, students complete a total of 12 units in advanced graduate-level research and writing.

- REL 698A Dissertation Proposal Seminar: 3 units
- REL 698B Dissertation Writing Seminar: 3 units
- REL 710 Dissertation Research: 3 units

Languages: Students must earn 12 units in a primary language and 6 units in a secondary language. Students with a concentration in Buddhism must acquire intermediate working knowledge in a Buddhist classical language (e.g. Pali, Sanskrit, Chinese, Tibetan) as their primary language requirement. This coursework is required, but is not degree applicable, and may be waived based on a student’s prior experience, education, and/or proficiency.

Qualifying Examinations: Students are required to petition to take the qualifying examinations when they have completed a minimum of 51 units of doctoral coursework and have fulfilled the language requirements. The qualifying examinations cover three subject fields to be determined individually between the student and members of the doctoral committee. Students are encouraged to take REL 705 (Qualifying Examination Preparation) during the semester they are preparing and planning to take their examinations. Qualifying examinations must be completed within one semester following the completion of 51 units of coursework.

The qualifying examinations are written. Students are expected to consult with their committee members to prepare reading lists that will serve as the basis for each of the three field examinations. The examinations take place over a two-week period and must be taken on campus. Each examination takes three hours, and students are not allowed to consult books, notes, or the Internet during the examination. Qualifying examinations are graded pass, fail, or pass with distinction. If a student fails an examination, the doctoral committee will decide if and when it may be repeated. Additional work may be required before the student is eligible to retake an examination.

Additional guidelines and details regarding the qualifying examinations can be found in the Religious Studies Graduate Student Handbook.

Advancement to Candidacy (Dissertation): A student advances to candidacy status upon successful completion of the qualifying examinations and payment of the candidacy fee. Candidacy status lapses automatically if the student loses graduate standing by academic disqualification or failure to comply with university policy on continuous enrollment. A readmitted student who was a candidate must again advance to candidacy and thereafter enroll as a candidate for at least one academic semester before the degree may be conferred. Readmission after a break in enrollment is not guaranteed. Continuous enrollment is required through all stages of the dissertation process, beginning with advancement to candidacy and ending at the close of the term during which the dissertation is accepted by the library.
Research Training (Dissertation): Upon advancing to candidacy, the candidate enters the dissertation phase and is eligible to undertake advanced graduate-level research and writing. While engaged in the dissertation process, PhD students are required to register for REL 698A, 698B, 710, or a combination of these courses for a total of 12 units.

Stage 1: Preparing the Proposal and Research Training
Candidates undertake advanced graduate-level research and writing, completing a total of 12 units in REL 698A, 698B, 710, or a combination of these courses.

During this stage, candidates begin work on the dissertation proposal under the supervision of their doctoral committee, outlining their intended dissertation project. The dissertation project must be an original piece of research based on primary sources that makes a relevant contribution to the student’s field of study. The proposal is reviewed by the doctoral committee, after which students attend the proposal defense to present their proposal and respond to the questions of the committee. During the proposal defense, the committee decides whether the proposal is accepted, accepted with revisions, or rejected. Candidates are expected to submit the dissertation proposal during the semester immediately following their advancement to candidacy.

Stage 2: Dissertation Writing and Defense
Candidates prepare the dissertation after passing the proposal defense. The doctoral committee provides feedback throughout the dissertation writing stage, approves the dissertation, and conducts the dissertation defense, a final oral examination. Ordinarily, students defend the dissertation just prior to its completion. Students must be in residence when defending. The defense must be scheduled during a regular academic session (fall or spring semester) and is open to all members of the academic community.

Stage 3: Dissertation Submission
After passing the dissertation defense, the candidate makes all necessary revisions and submits at least two (2) copies to the library in accordance with the library’s formatting and binding guidelines. The revised dissertation must be submitted to the library no later than one semester after passing the defense. During this semester, the candidate must maintain continuous enrollment by enrolling in REL 715.

Graduate Portfolio: In addition to these requirements, students must submit a portfolio of their work to the department for assessment and review. (Portfolio guidelines are found in the Religious Studies Graduate Student Handbook.)

Important guidelines and procedures regarding the composition of the doctoral committee, dissertation proposal, dissertation defense, and final submission of the dissertation can be found in the Religious Studies Graduate Student Handbook.

Graduation Requirements
A minimum of 63 post-baccalaureate semester units in graduate courses as specified for each candidate by the doctoral committee appointed by the department chair or graduate advisor;

Fulfillment of the language requirements;

A minimum grade point average (GPA) of 3.0;

A Pass in the qualifying examination, taken when the student has completed a minimum of 51 units of doctoral coursework;

Submission to the library of a research dissertation demonstrating critical judgment, intellectual synthesis, creativity, and skill in written communication.

Minimum Grade Requirement: Students must earn a minimum grade of B in all core courses and a minimum grade of C or P in elective courses. Students who do not earn a passing grade as specified may repeat that course one time only to achieve a passing grade.

Students may apply no more than 6 units (two courses) of Directed Reading & Research and 6 units (two courses) of independent study towards graduation. Students are allowed no more than 12 units of unfinished coursework (i.e. incompletes and withdrawals) over the duration of the program.

Transfer of Credit from Other Institutions: Students may be granted a maximum of 30 units of transfer credit for applicable graduate-level coursework towards the 51-unit course requirement. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.
Application of Credit from Prior UWest Enrollments: Students may apply toward the 51-unit course requirement a maximum of 36 units of graduate coursework completed at UWest in a master’s level program or under open enrollment. Courses with a B (3.0) or higher are eligible for consideration. Applicability is determined by the department chair or advisor.

All coursework must be at the graduate level; graduate courses previously applied to a bachelor’s degree cannot be applied to graduation.

Continuous Enrollment: After finishing all coursework students must maintain continuous enrollment through the term during which the dissertation is accepted by the library. Continuous enrollment is maintained by enrolling in research courses REL 698A, REL 698B, or REL 710 and upon completion of the 12-unit research requirement, REL 715. Failure to register and pay the associated tuition and fees may interfere with residence requirements and lead to lapse of candidacy status.

Degrees are awarded at the close of the semester in which all requirements have been fulfilled, the dissertation has successfully been submitted to and accepted by the library (if applicable), the Petition to Graduate form has been filed with the Registrar’s office, and the graduation fee has been paid.

Time to Degree Standards

Doctoral students are expected to advance to candidacy within four years from their original start date, and to complete all degree requirements, including publication of the final dissertation, within seven years from their original start date. The maximum time to degree allowed after all approved extensions is ten years from the original start date. The maximum time to degree will be adjusted for students entering with transfer credit.

Students are evaluated annually for time-to-degree progress. If the established time to degree standard is reached and the student has not completed a required milestone, such as qualifying exam, advancement to candidacy, dissertation proposal, or dissertation defense, the student is placed on departmental monitoring for a period of one additional term. If at the end of this term adequate progress has not been achieved toward the milestone, the student is placed on academic probation for one additional term.

A student may be dismissed upon recommendation of the department and with the Chief Academic Officer’s approval if adequate progress is not observed during the probation period. If dismissed prior to advancement to candidacy, the dismissal is permanent.

If dismissed after advancement to candidacy, the student may petition for reinstatement under the following condition only:

Student submits with the petition an acceptable first draft of the dissertation that clearly demonstrates it is reasonable to expect that the student may defend and publish the final dissertation no later than ten years from the original start date in the program.

If reinstatement is granted, the student must retroactively pay continuous enrollment tuition at a rate of one unit of tuition per term for each fall and spring term that has elapsed since the last term of enrollment. Tuition will be charged at the rate in effect at the time of reinstatement.

Reinstated students who fail to publish the final dissertation within ten years of the original start date are permanently dismissed.

Prerequisites

Applicable prerequisites must be met prior to enrollment in a course.

- Graduate status is a prerequisite for enrollment in all graduate courses.
- MDIV courses are open only to students enrolled in Buddhist Chaplaincy and Buddhist Ministry or with BC chair’s approval.

Any exceptions to prerequisite requirements must be approved by the student’s department chair and the course instructor.

Undergraduate Course Descriptions

Anthropology

ANTHR 101
Anthropology (3 units)
Prerequisite(s): ENGL 101
Introduction to historical, physical, cultural, psychological, and archeological aspects of human development. Scientific perspectives and methodology introduce humanity as a natural phenomenon, the result of past and present evolutionary forces.

ANTHR 301
Special Topics in Anthropology: Ethnicity & National Identity (3 units)
Prerequisite(s): ENGL 101 & ANTHR 101 or SOC 100
Cross-cultural study of ethnicity and nationalism. Examines concepts of social identity and considers how gender, language, religion, and national identity interact. Also explores the historical and societal macro process for the development of ethnic identities.

Art History & Appreciation

ART 101
Art Appreciation (3 units)
Prerequisite(s): none
Overview of Western art history from the 19th century Romantics through the 20th century Modernists.

ART 201
Art Appreciation Museum Tour (3 units)
Prerequisite(s): ART 101
Focuses on artists and art movements (e.g., Renaissance, Impressionism, Cubism). Includes on-location museum tours where students examine the actual works by artists under discussion.

Biology

BIO 100
Introduction to Biology (4 units)
Prerequisite(s): none
Principles of biology stressing the relationship of all organisms. Topics include cells, reproduction, genetics, embryology, botany, animal behavior, metabolism, evolution, and human psychology. Includes 15 hours of lab.
## Business Administration

### BUS 200
**Business Law (3 units)**
**Prerequisite(s):** none
Briefly introduces laws and regulations affecting the business environment. Focuses on business laws, including laws regarding contracts, product liability, business organization, employment, antitrust, and environmental protection. Incorporates ethical considerations and international perspectives.

### BUS 201
**Principles of Microeconomics (3 units)**
**Prerequisite(s):** Math 101
Principles of individual consumer and producer decision making in various market structures, the price system, market performance, and government policy.

### BUS 202
**Principles of Macroeconomics (3 units)**
**Prerequisite(s):** Math 101
Principles of macroeconomic analysis and policy, unemployment and inflation, financial institutions, international trade, economic growth, and comparative economic systems.

### BUS 210
**Introduction to Financial Accounting (3 units)**
**Prerequisite(s):** Math 101
Fundamental accounting concepts, theories, techniques and principles essential to the administration of a business enterprise: analyzing and recording financial transactions, accounting valuation and allocation practices, preparation, analysis and interpretation of financial statements, and international accounting issues.

### BUS 241
**Web Design & Development for Small Business (3 units)**
**Prerequisite(s):** none
Web page development and web site planning. Topics include web site planning, web page design and HTML. Students will demonstrate proficiency in web design tools, skills and practices. Projects focus on web presence requirements for small and mid-sized companies.

### BUS 301
**Managerial Economics (3 units)**
**Prerequisite(s):** BUS 201 & BUS 303
Applications of microeconomic theory to managerial decisions and planning. Analysis of resource and product markets of firms. Production functions, cost, output decisions and pricing strategies under various market constraints.

### BUS 302
**Entrepreneurship (3 units)**
**Prerequisite(s):** none
Examines the nature of entrepreneurship, and its role and significance to business innovation and job creation. Explores major issues involved in choosing strategies for small firms and the structural challenges unique to entrepreneurial firms that impact their performance, sustainable growth, and profitability.

### BUS 303
**Business Statistics (3 units)**
**Prerequisite(s):** Math 113, Math 181, or Math 205
Introduction to the basic statistical concepts and techniques necessary to organize and analyze data within the framework of business problems and applications. Topics covered include data collection and presentation, probability distributions, sampling theory, hypothesis testing, analysis of variance, and simple regression analysis. Students will be introduced to computer-based tools used in the analysis of statistical data.

### BUS 304
**Management Science (3 units)**
**Prerequisite(s):** BUS 303 or approval of instructor
Explores management science (operations research) topics including optimization techniques of linear programming, transportation and nonlinear models, queuing models, simulation, project scheduling, advanced inventory, order and production, quantity discounts, and safety stock models.
BUS 306
Business Communications (3 units)
Prerequisite(s): none
Focuses on communication skills in the business setting. Students learn about message strategy, effective business writing, presentation skills, verbal and non-verbal components of communication, and small group communication. Appropriate computer skills are incorporated into the course.

BUS 307
Managerial Accounting (3 units)
Prerequisite(s): BUS 210
Introduction to accounting concepts and methods used in managerial planning, control, and decision making. Focuses on budgeting, costing techniques, analysis methods, relevant costs, and capital budgeting decisions. Emphasis is on the use of financial information for internal management decision making.

BUS 308
Principles of Management (3 units)
Prerequisite(s): none
Introduction to fundamental management principles and theories as well as the basic functions and skills necessary to effectively perform basic management responsibilities including planning, organizing, leading, and controlling.

BUS 310
Intermediate Accounting I (3 units)
Prerequisite(s): BUS 307
Accounting principles as they relate to financial reporting. Income determination, asset valuation, and the form and contents of financial statements, long-term liabilities.

BUS 311
Intermediate Accounting II (3 units)
Prerequisite(s): BUS 310
Intangibles and stockholders’ equity, earnings per share, and long-term investment along with complex revenue recognition problems, pensions, leases, inter-period tax allocation, and accounting for inflation.

BUS 312
Auditing (3 units)
Prerequisite(s): BUS 310
A study and critical appraisal of current auditing standards related to the examination of financial statements by an independent auditor. The significance of the audit report, the nature, accumulation and evaluation of evidence in an audit, and the moral and ethical problems of the auditor are some of the topics covered.

BUS 313
Cost Accounting (3 units)
Prerequisite(s): BUS 307
Analysis of cost data and other accounting information necessary for internal decision making and evaluation of financial performance.

BUS 320
Organization & Management (3 units)
Prerequisite(s): BUS 308
Focuses on the study of organizational behavior and the environmental forces affecting today’s management practices. Reviews various levels of management and its role in the sustainable development and utilization of resources to achieve organizational objectives and social responsibilities.

BUS 330
Principles of Marketing (3 units)
Prerequisite(s): none
Introduction to basic marketing concepts and the nature of marketing activities in contemporary society and the firm. Covers marketing mix variables and decision processes involved when dealing with public agencies and corporations. Marketing concepts are integrated from the disciplines of behavioral science and economics, as well as from modern systems theory.

BUS 331
Consumer Behavior (3 units)
Prerequisite(s): BUS 330
Study of the decision processes of individuals and groups toward consumer products and their implications to marketers. Emphasis on individual, group, and external determinations of consumer attitudes and behavior.
BUS 340
Management Information Systems (3 units)
Prerequisite(s): none
Introduction to management information systems. Topics covered include foundation concepts of information systems in business; information technologies such as computer hardware, software, database, and telecommunications and networks; business application of information technologies such as Internet, Intranet, Extranet, and electronic business and commerce, decision support; and a brief introduction of information system development life cycle.

BUS 341
Business Programming I (3 units)
Prerequisite(s): BUS 340
Introduction to basic programming including language syntax, event-driven and object-oriented design process, data types, variables, control logic, subroutines, and functions.

BUS 342
Business Programming II (3 units)
Prerequisite(s): BUS 341
Develops programming skills to the intermediate level. Students will learn the concepts of encapsulation, inheritance, and polymorphism.

BUS 345
Internet Marketing (3 units)
Prerequisite(s): BUS 330
Focuses on how to apply marketing concepts, theory, and methods in internet marketing settings. Discusses uniqueness and effective ways of internet marketing.

BUS 351
International Business (3 units)
Prerequisite(s): none
Introduction to globalization and the sociocultural, economic, political, and legal environments of international business. Examines the risks, challenges, and opportunities of competing in the global marketplace. Emphasizes different management approaches applied in a global setting.

BUS 405
Business Forecasts (3 units)
Prerequisite(s): BUS 303
Introduces basic forecast models with an emphasis on the use of the computer to run such models and solve actual problems.

BUS 410
Advanced Accounting (3 units)
Prerequisite(s): BUS 310
Business combinations, inter-company transactions, and other aspects of inter-corporate stock ownership necessary for the preparation of consolidated financial statements. Foreign transaction and partnership accounting are also covered.

BUS 412
Advanced Auditing (3 units)
Prerequisite(s): BUS 312
Current problems in auditing with an emphasis on the application of statistical sampling to auditing and audit of computer-based accounting records.

BUS 413
Cost Analysis & Budgeting (3 units)
Prerequisite(s): BUS 307
Basic cost analysis for decision making in pricing, product mix, capacity building, and budgeting for operations and capital expenditures. Study of basic budgeting techniques.

BUS 414
International Accounting (3 units)
Prerequisite(s): BUS 307
Accounting concepts, standards, and procedures for the international business environment. Accounting information systems under different legal, cultural, social, political, and economic conditions. International and national accounting reporting practices will be emphasized.

BUS 415
Financial Management (3 units)
Prerequisite(s): BUS 303 & BUS 307
Focuses on the fundamental tools and techniques applicable to financial planning of businesses as well as institutions that play major roles in the financial world. Covers valuation of securities, risk-return relationships, capital budgeting, management of current assets and liabilities with extension to international areas.
BUS 416
Investment Management (3 units)
Prerequisite(s): BUS 415
Focuses on problems of investment and portfolio management. Concepts of risk evaluation and investment criteria, analysis of interest rate movements, investment valuation and timing, and regulation and administrative problems of the industry are covered.

BUS 417
Federal Tax Law (3 units)
Prerequisite(s): BUS 307
A survey of federal tax law including those relating to corporations and individuals. Estate, gift taxes, and taxation of the trusts will be covered. An introduction to federal tax research will be provided.

BUS 418
Nonprofit Accounting (3 units)
Prerequisite(s): BUS 307
Concepts, principles, and problems of fund accounting for government, nonprofit organizations, and community organizations. Emphasis is on the role of accounting in decision making in government and nonprofit organizations.

BUS 419
Financial Statement Analysis
Prerequisite(s): BUS 210
In-depth review of financial statements and interpretation of financial statement data to evaluate the performance, health, and sustainability of the enterprise. Financial ratios and other analytic tools are introduced to evaluate a firm's financial performance against industry standards and competitors, as well as the firm's past financial performance.

BUS 420
Marketing Management (3 units)
Prerequisite(s): BUS 330
Study of marketing strategies, programs, and plans on which sound marketing practices are based; special emphasis on analyzing marketing situations.

BUS 425
Chinese Management Philosophy (3 units)
Prerequisite(s): none
Introduces major Chinese philosophies and their effects on management. Explores the unique tradition and practices of Chinese management in areas of decision making, leadership, and personnel management.

BUS 426
Risk Management & Insurance (3 units)
Prerequisite(s): BUS 320
Insurance as an economic and business institution; survey of fire, casualty, and life insurance for potential consumers or professionals.

BUS 427
Human Resources Management (3 units)
Prerequisite(s): BUS 308 & 320
Contemporary concepts and procedures in compensation and staffing. Current topics and controversial issues in human resource management are covered.

BUS 431
Services Marketing (3 units)
Prerequisite(s): BUS 330
Study of the unique characteristics of services and their implications for the development of effective marketing strategies and programs and plans for service businesses, including professional services, not-for-profit services, and international services.

BUS 433
International Marketing (3 units)
Prerequisite(s): BUS 330
A study of all aspects of the marketing unique to international business. Examines the impact of cultures, ethics, history, politics, and social customs on marketing thinking and practices worldwide.

BUS 434
Marketing Research (3 units)
Prerequisite(s): BUS 303 & BUS 330
Addresses the managerial issues and problems of systematically gathering and analyzing information for making private and public marketing decisions. Covers the cost and value of information, research design, information collection, measuring instruments, data analysis, and marketing research applications.
BUS 435
Case Studies in Marketing (3 units)
Prerequisite(s): BUS 330
Applied case study approach involving the decision-making processes behind strategic marketing management including decisions related to product, distribution, promotion and pricing strategies and the identification of target markets.

BUS 436
Advertising (3 units)
Prerequisite(s): BUS 330
Examines methods, objectives, and types of advertising media and strategies used by a company to deliver its brand and product messages to target customers. Topics include the use of traditional and nontraditional advertising methods, media planning, creative message strategy and execution, and the role of advertising in the firm’s promotional mix.

BUS 439
Small Business & Entrepreneurial Marketing (3 units)
Prerequisite(s): BUS 330
Explores practical and cost-effective strategies and methods to generate leads and new customer acquisition. Topics include strategic partnerships, local marketing, search engine optimization, social networking, crowdsource funding, and niche marketing.

BUS 440
Accounting Information Systems (3 units)
Prerequisite(s): BUS 340 & BUS 307
The design and operation of electronic data processing systems in accounting and the use of the auditor.

BUS 442
Technical & Fundamental Analysis of Financial Securities (3 units)
Prerequisite(s): BUS 415
Technical analysis of securities using graphs and equations; fundamental analysis of securities based on corporation accounting data and business prospects.

BUS 443
Data Structure & Database Management (3 units)
Prerequisite(s): BUS 340
Introduction to the in-depth view of the features and concepts of relational database structures. Stresses data modeling concepts using entity relationship and semantic object techniques, normalization, relational database implementation, and concurrent database processing.

BUS 444
Systems Analysis, Design & Implementation (3 units)
Prerequisite(s): BUS 340
Fundamental concepts and skills for analyzing and designing information systems. Introduces and studies various methodologies, documentation techniques, and communication processes. Utilizes systems analysis and design tools and project management techniques in project completion.

BUS 445
Data Communications & Networking (3 units)
Prerequisite(s): BUS 340
Introduction to the technology and management of telecommunications and networks, the Internet, Intranet, Extranet, and World Wide Web. Detailed analysis of the features and functionality of TCP/IP, LAN and WAN. Studies of network integration with rapidly evolving e-Commerce and e-Business.

BUS 446
Computer Security, Controls, & Ethics (3 units)
Prerequisite(s): BUS 340
Surveys techniques to secure and protect computer hardware, software, data, and facility. Studies controls for errors, disaster recovery, and intentional attacks focusing on their effectiveness and cost. Assesses and mitigates the security risk implications from the legal, social, and ethical environment perspective.

BUS 447
E-Commerce (3 units)
Prerequisite(s): BUS 340
Introduction to building Web commerce sites, from planning through deployment. Study of front-end e-Commerce sites and e-Business infrastructure and fulfillment management. Explains how to identify the most familiar and the best Web commerce opportunities and how to capitalize on them.
BUS 448
Decision Support Systems (3 units)
Prerequisite(s): BUS 340
Provides fundamental knowledge of how to apply information technologies to support managerial decision making and to improve the quality of decision making. Topics include decision support systems (DSS), group decision support systems (GDSS), executive information and support systems (EIS/ESS), expert systems (ES), and data warehouse and data mining.

BUS 452
Exporting & Importing (3 units)
Prerequisite(s): BUS 351
Studies basic rules, principles, and current practices in exporting and importing. Also examines practical harmonization of custom services and regulations of different countries, import/export procedures, intermediary services, and roles of related international organizations.

BUS 453
International Finance (3 units)
Prerequisite(s): BUS 415
Provides a framework for evaluating the opportunities, costs, and risks of international operations. Focuses on financial, tax, economic, political, and legal issues that an international financial manager faces. Also covers foreign exchange rates, risk assessment, balance of payment, and financial alternatives and tradeoffs.

BUS 454
International Business Law (3 units)
Prerequisite(s): BUS 200
Examines business laws governing international operations. Focuses on international arbitration of investment disputes, the impact of nationalism on traditional ownership strategies, and how to establish a corporation in civil law countries. Includes case studies.

BUS 455
Seminar on Doing Business in the United States (3 units)
Prerequisite(s): none
Discusses how to plan start and operate a sustainable and profitable business in the United States. Examines practical issues, concepts, and key factors used in successful entrepreneurial ventures, including access to capital, essential financial and strategic management, and other key factors, such as IP rights. Focuses on the role of strategic business planning and its practical application in case studies.

BUS 456
Seminar on Doing Business in Asia (3 units)
Prerequisite(s): none
Examines opportunities and barriers in doing business in Asia. Discusses successful and failed cases in doing business in Asia from language, cultural, social, economic, and political perspectives.

BUS 463
Financial Security Trading & Analysis (3 units)
Prerequisite(s): BUS 415
Applies modern computer and data facilities to conduct fundamental and technical analysis, security portfolio tracking, performance measurement, and trading simulation and strategies. Focuses on the application of modern portfolio theory and asset allocation models in selecting and evaluating stocks and bonds and practices investment of real money in the financial markets. Students in this class manage UWest’s special endowment.

BUS 464
Financial Institutions & Markets (3 units)
Prerequisite(s): BUS 415
Introduction to financial institutions, including commercial and investment banks and insurance companies; discusses financial markets and their functions and regulations, including stock and bond markets, currency trading, and financial derivative markets.

BUS 465
Financial Derivatives (3 units)
Prerequisite(s): BUS 415
Introduction to financial derivatives and their markets. Focuses on forwards, futures and options, and their pricing.

BUS 470
Business Philosophy & Ethics (3 units)
Prerequisite(s): at least 75 units earned or approval of the department chair
Discusses ethical problems in modern organizations and their negative effects on the society; reviews different philosophies relevant to business and ethics from different religious perspectives, particularly humanistic Buddhism, and explores how such philosophy and ethics can be better used in solving modern business ethical problems.
BUS 480

Capstone: Strategic Management (3 units)
Prerequisite(s): BUS 320, BUS 330 & BUS 415, Usually taken in final semester before graduation.
Capstone course designed to provide an integrative perspective on strategy formation and management of an enterprise. Students develop a multidisciplinary understanding of business planning and strategy by drawing on previous coursework taken in the program and the various functional areas of business.

BUS 496

Special Topics (3 units)
Prerequisite(s): Completion of all required courses or upon approval of program advisor
Covers emerging and special topics related to student selected concentrations.

BUS 497

Business Practicum (1-3)
Prerequisite(s): department chair's approval
For students who lack real business knowledge/experience. Students register for this class when they are working to gain the required knowledge/experience in relevant subjects such as marketing, management, accounting, international business, finance, and computer information systems. Students may take this class three times. Credits do not apply to graduation.
Pass/No Pass only

BUS 499

Independent Study (3 units)
Prerequisite(s): Completion of all required courses and with faculty advisor and department chair's approval
Student chooses an approved area of interest and works closely with a faculty member to gain and improve the understanding of the study subject.

Capstone, General Education

CAP 401

Religion, Science, & Society (3 units)
Prerequisite(s): completion of at least 42 units in General Education, including all GE Core Competencies
Integrates knowledge students have gained from other General Education courses. Examines close interaction between religion, science, and society in detail, with particular reference to how they influence one another. Explores such topics as religion and social conflict, science and cultural change, gender and religion, and the science vs. religion debate.
Minimum Passing Grade: C

Chinese Language, Modern

CHN 101

Beginning Mandarin I (4 units)
Prerequisite(s): none
Introduction to the fundamentals of Mandarin Chinese, including its sound system, writing system, basic vocabulary, and basic sentence structure, with emphasis on the four basic language skills: listening, speaking, reading, and writing. Introduces basic terminology and social contexts that may be useful for students in the fields of religious studies, psychology, and business, among others.

CHN 102

Beginning Mandarin II (4 units)
Prerequisite(s): CHN 101
Continuation of Beginning Mandarin Chinese I. Strengthens the communication skills of listening, speaking, reading, and writing, and reviews the basic sound features. Commonly used characters, vocabulary, and sentence patterns are introduced and expanded. Introduces basic terminology and social contexts that may be useful for students in fields including religious studies, psychology, and business.
CHN 301
Intermediate Mandarin (3 units)
Prerequisite(s): CHN 102
Building on the skills learned from CHN 102, further develops intermediate-level skills of communication in Chinese: speaking, listening, reading, and writing. Also introduces various aspects of Chinese everyday life, society, culture, and tradition. Helps students in fields including religious studies, psychology, and business to further their professional development related to China and Chinese society.

Contemplative Studies

CONT 101
Introduction to Contemplative Practice (3 units)
Prerequisites: none
Study of contemplative theories and practices from a variety of traditions, with special emphasis on mindfulness practice, its Buddhist origins, its ethical context, and modern secular applications. Experiential component includes contemplative practice and journaling.

CONT 301
Buddhist Social Ethics (3 units)
Prerequisite(s): ENGL 102
Applies contemplative pedagogy to study the five precepts within Buddhism on an individual and collective level in the context of US social justice. Based on major studies in the field of Buddhist ethics.
This course may be applied to fulfill 3 units toward one of these GE categories: 4A: Religion or 4B: Philosophy.

English

ENGL 90A
Academic Writing (3 units)
Prerequisite(s): Advancement from ESL, UWest EPT score, WPT score, or permission of English department chair
Prepares students for college-level composition. Focus includes writing from paragraph to essay, developing and organizing ideas, building unified and coherent compositions, and incorporating MLA citations and references.
Not degree applicable
Minimum passing grade: B-

ENGL 90B
Academic Speech (3 units)
Prerequisite: Advancement from ESL, UWest EPT score, WPT score, or permission of English department chair
 Develops academic speaking skills. Students build skills required for success in the classroom, such as public speaking, fluency, intelligibility, and lecture and broadcast evaluation.
Not degree applicable
Minimum passing grade: B-

ENGL 90C
Academic Grammar (3 units)
Prerequisite: Advancement from ESL, UWest EPT score, WPT score, or permission of English department chair.
Develops advanced discourse grammar skills necessary for success in college-level classes. Focus is on advanced grammatical concepts for academic writing.
Not degree applicable
Minimum passing grade: B-

ENGL 90D
Academic Reading (3 units)
Prerequisite: Advancement from ESL, UWest EPT score, WPT score, or permission of English department chair.
Preparation for college-level reading. Focus includes critical and analytical reading skills for academic texts, information literacy skills for college writing, and academic vocabulary.
Not degree applicable
Minimum passing grade: B-
ENGL 100A
College Writing (3 units)
Prerequisite: ENGL 090A w/B- or higher, UWest EPT or WPT score
Essay writing for academic purposes. Building on ENGL 090A composition skills, students apply the writing process to organize and develop thesis-driven essays. Students practice effective expository writing incorporating outside sources and learn to develop arguments through multiple drafts.
Degree applicable upon approval
Minimum passing grade: B-

ENGL 100B
College Speech (3 units)
Prerequisite: ENGL 090B w/B- or higher, UWest EPT or WPT score
Speaking and listening requirements to prepare students for the American college classroom. Emphasizes public communication and presentation skills in a variety of academic settings.
Degree applicable upon approval
Minimum passing grade: B-

ENGL 100D
College Reading (3 units)
Prerequisite: ENGL 090D w/B- or higher or UWest EPT score
Preparation for college-level reading. Focuses on developing critical and analytical reading skills for vocabulary development, comprehension, and information literacy.
Degree applicable upon approval
Minimum passing grade: B-

ENGL 100G
College Grammar (3 units)
Prerequisite: ENGL 090 C w/B- or higher or placement score
Develops advanced discourse grammar skills necessary for success in university course work. Focus is on functional grammatical concepts for academic writing and research.
Minimum passing grade: B-

ENGL 101
English Composition (3 units)
Prerequisite(s): grade of B- or higher in ENGL 100A or qualifying score on the English or Writing Placement Test
Training in effective written composition. Assignments include expository and argumentative essays and preparation of a documented short research paper on themes that include issues of East/West cultural understanding.
Minimum passing grade: C

ENGL 102
Composition II: Critical Thinking (3 units)
Prerequisite(s): ENGL 101
Introduction to the elements and applications of critical thinking and writing. Emphasis on argumentative, persuasive, analytical, and evaluative writing, along with the assessment and uses of sources.
Minimum passing grade: C

ENGL 201
Introduction to Literary Studies (3 units)
Prerequisite(s): none
Introduction to literary research, and training and practice in the examination of literary texts from various theoretical and critical approaches. Coursework includes poetry, fiction, and drama and emphasizes close reading skills as students develop effective strategies for critical thinking and writing about literature.

ENGL 315
Reading Poetry (3 units)
Prerequisite(s): none
Study of critical issues (metrics, diction, figurative language, symbolism, irony and ambiguity, form and structure) and aesthetic issues, including evaluative criteria, followed by close critical analysis of a selection of representative poems.

ENGL 320
Reading Drama (3 units)
Prerequisite(s): none
Examination of representative plays; readings may range from Greek to modern drama. Emphasis on critical approaches to dramatic text; study of issues such as plot construction, characterization, special uses of language in drama, and methods of evaluation.
ENGL 325
Reading Fiction (3 units)
Prerequisite(s): none
Introduction to prose narrative, its techniques and forms. Analysis of short and long narratives and of critical issues such as plot, characterization, setting, narrative voice, and realistic and nonrealistic forms.

ENGL 326
Seminar: Women Writers (3 units)
Prerequisite(s): ENGL 101
Examination of literature by women and their tradition in English. Survey of literary works by women writers with emphasis on roles of women, portrayal of nature and society, and evolution of forms and techniques in writing by American women.

ENGL 340
Literary Theory & Criticism (3 units)
Prerequisite(s): none
Survey of the history and development of literary criticism from Aristotle’s Poetics to twentieth-century theories such as New Criticism, Structuralism, Deconstruction, Psychoanalysis, Feminism, and Post-colonialism.

ENGL 342
Seminar: Literary Landscape(s) of Los Angeles: Promised Land, Utopia, Apocalypse (3 units)
Prerequisite(s): ENGL 101
Examines the diverse literary heritage of Los Angeles by considering how the city is imagined through the optics of utopia and catastrophe, with special emphasis on LA as a representative space for critiquing/confronting American’s urban ecology past, present, and future. Course includes fiction, creative non-fiction, drama, and poetry.

ENGL 345
Critical Reading, Writing, & Analysis of Literary Forms (3 units)
Prerequisite(s): none
Introduction to the theory and practice of literary analysis. Examination of the concept of literary tradition; consideration of research methods; application of critical theory to textual analysis and the writing of literary criticism.

ENGL 400E
Academic Skill Building for Graduate Students (3 units)
Prerequisite: UWest EPT, TOEFL, or IELTS score or upon recommendation of the program chair
Preparation for graduate-level study in the US. Focuses on graduate-level reading, writing, research, information literacy, and citation skills.
Degree applicable upon approval
Minimum passing grade: B-

ENGL 411
Seminar: Sacred Literature in Translation (3 units)
Prerequisite(s): ENGL 102
Literary study of Eastern and Western canonical sacred texts with emphasis on literary devices and narrative structures in historical, political, psychological, philosophical, and theological themes. May be repeated once for credit with chair’s approval.

ENGL 412
Seminar: Folklore & Mythology: Oral Traditions to Popular Culture (3 units)
Prerequisite(s): ENGL 102
Examines major forms of folklore (e.g., myths, legends, epics, beliefs, rituals, festivals) and the theoretical approaches used in their study. May be repeated once for credit with chair’s approval.

ENGL 413
Seminar: Literature & Other Arts (3 units)
Prerequisite(s): ENGL 102
Investigates relationship of literature and other arts, including music, painting, photography, other visual arts, sculpture, performing arts, and architecture. Topics may include literature written in English as well as literature in translation. May be repeated once for credit with chair’s approval.

ENGL 414
Seminar: Literature & Psychology (3 units)
Prerequisite(s): ENGL 102
Explores the intersection of literature and psychology with attention to how authors assimilate imaginative archetypal material that enriches their literary works. May be repeated once for credit with chair’s approval.
ENGL 425
 Seminar: Survey of the Novel (3 units)
 Prerequisite(s): none
 Emphasizing form, this course examines the development of the English novel from its beginnings to the present day.

ENGL 426
 Depictions of Asia in English Literature (3 units)
 Prerequisite(s): ENGL 101; recommended ENGL 340
 Examines and analyzes the various depictions of Asia and Asians in British and US literature with an emphasis on Post-colonial and Feminist criticism.

ENGL 427
 Buddhism in American Literature (3 units)
 Prerequisite(s): ENGL 102
 Examines the rich literary response to the transmission, assimilation, and indigenization of Buddhism in the United States, from its introduction in the 19th century to its post-War emergence through to the late-twentieth century. Readings of both Buddhist-influenced and consciously Buddhist authors.

ENGL 428
 Introducing the Beat Generation: Beatitudes to Buddhism (3 units)
 Prerequisite(s): ENGL 102
 An overview of the uniquely American literary and cultural movement known as the Beat Generation, introducing major figures and key texts while examining their continued literary and social significance. Primary focus is on major voices of the movement, Allen Ginsberg, Jack Kerouac, and William S. Burroughs, while exploring the role of lesser-known artists, the contributions of women writers, and the influence of jazz and the visual arts. Course highlight the ways in which Buddhist thought informs the writings of the Beats.

ENGL 461
 Romanticism & Revolution (3 units)
 Prerequisite(s): ENGL 102
 Explores the historical and philosophical ideas rooted in the French Revolution and in response to the Enlightenment and Industrial Revolution that contributed to the emergence of Romanticism and its influence on the development of new literary forms.

ENGL 462
 Scientific Romance to Steampunk: Victorian Literature & Science (3 units)
 Prerequisite(s): ENGL 102
 Examines the interplay of society, literature, technology, and scientific discourse in the emerging genre of Science Fiction during the Victorian Age. Focuses on the development of the genre, its formal features, and the cultural work it continues to perform. Authors considered include Darwin, Bulwer-Lytton, Shelley, Verne, Wells, Stevenson, and Doyle as well as authors and graphic novelists writing in the recent Steampunk tradition.

ENGL 470
 Studies in Contemporary Literature (3 units)
 Prerequisite(s): ENGL 102
 Study of drama, fiction, nonfiction, prose, and poetry by selected British and American writers of the 20th and 21st centuries.

ENGL 472
 Seminar: Literary Non-Fiction (3 units)
 Prerequisite(s): ENGL 102
 Examines "The Literature of Fact" through a detailed reading and analysis of a wide variety of literary nonfiction, including autobiography and memoir, biography, journals and diaries, travel writing, humor writing, science writing, literary journalism, and personal essays. Draws on critical theory to interrogate how authors deploy literary narrative techniques such as internal narration, dialogue, compression of time and character, to construct "true" stories. Students engage with what makes such texts "literary."

ENGL 475
 Shakespeare: Text, Film, & Stage (3 units)
 Prerequisite(s): ENGL 102
 Textual study of selected plays by Shakespeare combined with television and cinematic productions, including recorded stage productions. Sheds light on the prescribed plays in reference to time period, criticism, and dramatic structure, while exploring how directors, actors, and audiences interpret Shakespeare for modern audiences.
ENGL 487
Travel Writing & Empire: Studies in Postcolonial Theory & Literature (3 units)
Prerequisite(s): ENGL 102
Textual study of travel writing and its role in Victorian culture and British imperialism. Examines rhetorical and narrative techniques employed by a number of representative travelogues, and the role these played in constructing the exotic Other as well as British national identity.

ENGL 490
Literature Capstone: Writing American Historical Memory & the Immigrant Experience (3 units)
Prerequisite(s): successful completion of a minimum of 9 units in the Literature concentration
A comparative study of the American immigrant experience designed to integrate the knowledge of literary history, criticism, and literary forms that students have gained from other literature courses in the major. Explores American literature as a powerful venue for documenting our histories, memories, and families through a multiplicity of cultural perspectives and literary narratives. Focuses on the immigrant experience in America by addressing the issues of assimilation, exclusion, acculturation, Americanism, ethnicity, monolingualism, and multiculturalism through the close textual reading of a selection of literary forms such as autobiographies, plays, poems, short stories, novels, essays, and biographies. Students draw upon their accrued knowledge and experience with the study of literature and its forms in order to examine and ultimately reflect on the dynamics of American society in relation to immigration and ethnicity, both old and new.

Film History & Appreciation

FILM 101
Film Appreciation (3 units)
Prerequisite(s): ENGL 101
Survey of film focusing on formal aspects such as costume, performance, visual design, editing, sound, genre, and the production process. Discusses key films and directors and their place in the culture and evolution of the art of motion pictures.

ENGL 495
Writing Culture: Literary Imagination & Cultural Identity (Comprehensive English Capstone) (3 units)
Prerequisite(s): senior standing
Explores the relationship between language, literature, and culture, specifically the ways in which literature represents, expresses, and defines the perception/reception of culture through its linguistic construction. Central to the course is the question: Does culture speak language or does language speak culture? Students draw upon their background in English linguistic and literary theory as they study a variety of texts from across genres, cultures, and literary history. Topics include the politics of language and the role non-standard English plays as a form of resistance, power/empowerment, and an assertion of cultural identity through the use of vernacular, paralinguistic, colloquial, pidgin/hybrid, idiomatic, and slang expressions that are perceived as ‘culturally’ specific. Examples may be drawn from the writings of Twain, Joyce, Kingston, Tan, Faulkner, Williams, and others.

FILM 301
Focused Studies in Film History (3 units)
Prerequisite(s): ENGL 101
Focuses on an aspect of film history and aesthetics (e.g., the silent era, animation, the western, comedy, science fiction). Topic announced each semester. Course may be repeated three times for additional credit.
History

HIST 110
World History: Origins to 1500 (3 units)
Prerequisite(s): ENGL 101
Survey of the development of world civilization and major cultures from the Neolithic Revolution until the European conquest of the Americas. The civilizations of the Ancient, Classical, and Postclassical periods are studied, with focus on the rise of cities, organization of society, varieties of religious expression, the examination of political, social, and gender structures in relation to economic and demographic development, and interaction between civilizations and major cultures.

HIST 120
World History: 1500 to Present (3 units)
Prerequisite(s): ENGL 101
Broad thematic survey of the origin and development of the modern world, emphasizing both regional histories and global interactions. Major themes include global implications of imperialism, intellectual and cultural adjustments to modernity, total war, the birth of nations, changes in women’s rights and roles, and the eclipse of world communism.

HIST 210
History of the United States: Origins to 1865 (3 units)
Prerequisite(s): ENGL 101
Survey of the social, political, and cultural history of the US from early human migration and the founding of the colonies to the end of the Civil War.

HIST 220
History of the United States: 1865 to Present (3 units)
Prerequisite(s): ENGL 101
Survey of the social, political, and cultural history of the US from the end of the Civil War to the present.

HIST 225
History of the United States: 1945 to Present (3 units)
Prerequisite(s): ENGL 101
Study and evaluation of the events that transpired in the United States during the Cold War era of 1945 to the present. Examines the major social, economic, and political changes that shaped the modern American dynamic, including events such as the civil rights movement, women’s rights, the Vietnam War, the Korean conflict, republicanism, liberalism, nationalism, and environmentalism.

HIST 250
Asian History: Earliest Times to 1600 (3 units)
Prerequisite(s): ENGL 101
Survey of Asia from ancient times to the end of the 16th century. Covers the historical developments of social structures, political systems, cultural values, and religions in China, Japan, India, and West and Southeast Asia. Similarities and differences among these civilizations are also compared and contrasted.

HIST 260
Asian History: 1600 to Present (3 units)
Prerequisite(s): ENGL 101
Survey of Asia from the beginning of the 17th century to the present. Also explores the impact of Western colonialism/imperialism on Asian society.

HIST 318
History of China: Republican to Present (3 units)
Prerequisite(s): ENGL 101
Study of modern Chinese history from the overthrow of imperial rule to the present. Topics include interactions between China and the West, democracy and modernization in China, the May Fourth Movement, the Nationalistic Revolution, the Sino-Japanese Wars, the rise of Communism, the Cultural Revolution, and reform since the 1980s.
**HIST 378**  
Cultural & Intellectual History of Modern Europe (3 units)  
Prerequisite(s): ENGL 101  
Overview of the principal themes, trends, and methodologies involved in the study of Modern European history. Acquaints students with themes and issues dominating the field. Readings introduce both classical and current research in the field, ranging from more “traditional” topics such as the French and Russian revolutions, the industrial revolution, and World War One to recent explorations of cultural, political, and economic history.

**Interdisciplinary Studies**

**IDS 210**  
The Great War: Art, Film, & Literature (3 units)  
Prerequisite(s): ENGL 102  
Focuses on representations of the Great War in the arts. Students learn to appreciate and analyze primary texts to critically address the ways in which fine art, film, and literature represent and are impacted by the experience, memory, and legacy of the “the war to end all wars.” This course may be applied to fulfill 3 units toward one of these GE categories: 2A: World/US History, 6A: Fine Arts, or 6C: Literature.

**IDS 310**  
Art & Anthropology (3 units)  
Prerequisite(s): ENGL 102  
Study of the anthropological perspectives on art, aesthetics, and expressive culture. Includes a cross-cultural examination of the social function of art and the production, consumption, exhibition, and representation of non-western art. Emphasis on how art in non-western contexts is shaped and influenced by global art movements. This course may be applied to fulfill 3 units toward GE category 5A: Anthropology or 6A: Fine Arts.

**IDS 330**  
Environmental Leadership (3 units)  
Prerequisite(s): ENGL 102  
Preparation for informed, active engagement with personal and community challenges involving the natural world, “the environment.” Topics include historical understandings of the environment in diverse traditions, alienation from nature, human impacts on nature, and emerging solutions leading to equilibrium and steady-state human relationships to the environment. Students evaluate key environmental issues at global, national, regional, state, and local levels and propose sustainable solutions. This course may be applied to fulfill 3 units toward one of these GE categories: 4B: Philosophy, 2A: World/US History, or 5E: Political Science.
Information Literacy & Research

ILR 101
College Success: Research & Study Skills (3 units)
Prerequisite(s): none

With a focus on developing information literacy skills, provides “whole person” training, tips, and tools for survival and success in college, including strategies for time management, note-taking, and goal-setting. Class projects build skills in research, test-taking, active reading, and academic writing. Students also learn how UWest’s mission and values relate to their lives inside and outside the classroom. Includes participation in weekly lab for supplemental instruction and co-curricular learning experiences.
Minimum passing grade: C

Japanese Language

JPN 101
Beginning Japanese I (4 units)
Prerequisite(s): None
Introduction to the basics of Japanese including pronunciation, grammar, and basic reading and writing of Hiragana and Katakana with an emphasis on speaking and listening to standard conversational Japanese.

JPN 102
Beginning Japanese II (4 units)
Prerequisite(s): JPN 101
Continuation of Beginning Japanese I. Develops an intermediate level of conversational Japanese, grammar, reading, and writing, including reading and writing approximately 90 Kanji characters.

JPN 301
Intermediate Japanese I (3 units)
Prerequisite(s): JPN 102
Building on the skills of JPN 102, further develops intermediate-level skills of communication in Japanese: speaking, listening, reading, and writing. Also introduces various aspects of Japanese life, culture, and tradition.

JPN 302
Intermediate Japanese II (3 units)
Prerequisite(s): JPN 301
Continuation of JPN 301. Develops a more advanced level of communication in Japanese, including use of honorifics and reading and writing longer sentences in Japanese. Further develops the understanding of Japanese culture and society.
Language

LANG 220
Structure of Modern English (3 units)
Prerequisite(s): none
Grammar and usage of contemporary English, with emphasis on morpho-syntactical description and analysis of Standard English.

LANG 301
Introduction to Linguistics (3 units)
Prerequisite(s): ENGL 101 or enrollment in the TESOL Certificate Program
Introduces linguistics, the scientific study of human language, with a focus on English. Considers languages as structured systems of form and meaning, with attention also to the biological, psychological, cultural, and social aspects of language and language use.

LANG 340
Seminar: Language & Literature (3 units)
Prerequisite(s): ENGL 102; recommended LANG 301
Examines the literary uses of language. Topics include poetic language and meter, poetic language and syntax, literature and cognitive metaphor, and the representation of speech and thought through fictional narrative. Includes the relationship between syntactic patterning and the author’s world-view, the social conventions surrounding literary utterances, and issues of literature and translation.

LANG 410
Sociolinguistics: Varieties of English (3 units)
Prerequisite(s): LANG 301
With an emphasis on English in America, students examine the place of language in society and how the divisions of societies into social classes and ethnic, religious, and racial groups are mirrored by linguistic differences. Includes the way language is used differently by men and women, and the interaction between language and politics.

LANG 450
History of the English Language (3 units)
Prerequisite(s): ENGL 102 & LANG 301; recommended LANG 220
Explores the types of change which languages may undergo as an aid to understanding present-day pronunciation, spelling, word formation, grammar and usage in English. Covers the nature and motivation of linguistic evolution, and the methods by which unattested early stages of known languages may be reconstructed. Guided linguistic analysis of literary examples from Old, Middle, and Modern English

LANG 470
Multilingualism (3 units)
Prerequisite(s): LANG 301
Examines questions such as how two or more languages exist in an individual mind and how bilinguals decide when to switch from one language to the other. Topics range from language contact phenomena (language change, pidgins and creoles) to issues of language politics.
Learning Community

LC 101
Self: Who am I? (3 units)
Prerequisite(s): Enrollment in Learning Community
First term Learning Community course. Students investigate who they are and what has shaped their lives so far, experiencing multiple approaches to self-exploration, self-empowerment, self-reflection, and self-value.
This course fulfills the 3-unit GE Category 6C: Literature requirement. Exception: English majors apply this course towards the General Elective requirement.

LC 102
Journey: Where am I going? (3 units)
Prerequisite(s): LC 101
Second term Learning Community course. Students explore their own life narratives within the context of historical and contemporary heroic journeys.
Course fulfills the 3-unit GE Category 5A: Anthropology requirement.

LC 201
Character: How will I act? (3 units)
Prerequisite(s): LC 102
Third term Learning Community course. Students begin to synthesize their life experience, cultural and familial heritage, and education into personal value systems.
Course fulfills the 3-unit GE Category 3B: Philosophy requirement.

LC 301
Community: What can I offer? (3 units)
Prerequisite(s): Enrollment in Learning Community
Fourth term Learning Community course. The learning community experience culminates in this gateway course. Students incorporate their explorations in the preceding courses to link their personal value systems with their major goals.
Course fulfills one 3-unit requirement in the major field of study as follows:

<table>
<thead>
<tr>
<th>Business Administration</th>
<th>English</th>
<th>Liberal Arts</th>
<th>Psychology</th>
</tr>
</thead>
<tbody>
<tr>
<td>Students complete LC 301 in place of BUS 302</td>
<td>One upper division major elective</td>
<td>One upper division elective</td>
<td>One upper division major elective</td>

</tbody>
</table>

Literature

LIT 101
Introduction to Literature (3 units)
Prerequisite(s): none
An introduction to influential literary works written in the English language.

LIT 102
Introduction to Asian Literature (3 units)
Prerequisite(s): ENGL 101
Introduction to influential Asian writings in English translation.

LIT 301
Writing about Literature (3 units)
Prerequisite(s): ENGL 101
Intensive practice in writing expository prose with an emphasis on written response to literature. Aims to help the writer develop to a high degree, clarity of purpose, logical development of ideas, effective argument, and precision of linguistic expression.
LIT 302  
Creative Writing (3 units)  
Prerequisite(s): ENGL 101; LIT 101 or ENGL 201  
Explores the role of author and audience in the process of interactive narrative, poetry, and drama. Narrative, poetic, and dramatic issues such as, theme, character conflict, imagery, rhyme, meter, plot, and others are explored through reading, writing, and analysis of short stories, poems, and dramatic works. Students search for an interactivity that allows the artist to engage active readers while cultivating a unique voice.

LIT 310  
Survey of British Literature (3 units)  
Prerequisite(s): ENGL 101 & LIT 101  
Survey of significant works and authors in British literature. Explores major writers, periods, literary movements, and genres in relationship to the socio-historical circumstances of their production.

LIT 311  
Survey of American Literature (3 units)  
Prerequisite(s): ENGL 101 & LIT 101  
Survey of works and authors that have shaped American literature. Explores major writers, periods, literary movements, and genres in relationship to the socio-historical circumstances of their production.

LIT 312  
Survey of Asian American Literature to 1980 (3 units)  
Prerequisite(s): ENGL 101  

LIT 401  
Major Authors & Literary Movements in the US (3 units)  
Prerequisite(s): ENGL 102  
Survey of various movements and their major authors significant to the literary landscape of the United States. Students explore literary movements, their manifestos, and representative works ranging from American Romanticism, Transcendentalism, Realism, Modernism, Literature of the Absurd, Existentialism, Lost Generation, Beat Generation, and Harlem Renaissance, among others.

LIT 410  
Topics in Asian American Literature & Criticism (3 units)  
Prerequisite(s): ENGL 102  
Survey of post-1980 Asian American literature. Explores key literary and critical issues, such as race and geography, aesthetics, cultural work and immigrant labor, kinship and sexuality, model minority, and Orientalism in novels, poetry, autobiography, drama, graphic novels, short fiction, and essays.

LIT 420  
Studies in African American Literature (3 units)  
Prerequisite(s): ENGL 102  
Survey of African American literature covering a wide range of theoretical, historical, format, and thematic perspectives. Course material includes oral and written forms of expression and storytelling, such as folktales, spirituals, sermons, ballads, blues, speeches, slave narratives, fiction, poetry, drama, and essays. Topics may include African American autobiography, 20th-century African American literature and film, black diaspora literature, postmodern African American fiction, Afro-Futurism, and African American satire.

LIT 430  
Topics in Chicana/o Literature (3 units)  
Prerequisite(s): ENGL 102  
Explores topics related to Chicano/Latino communities in Southern California, including Chicana/Chicano visions of Los Angeles; immigration, migration, and exile; autobiography and historical change; Chicana/Chicano journalism; and labor and literature. Course introduces students to oral and written expression, including poetry, corridos, testimonios, folklore, novels, graphic fiction, short stories, as well as drama.
Mathematics

MATH 025
Pre-Algebra (3 units)
Prerequisite(s): none. Placement in MATH 025 is determined by Math Assessment Test score.
Preparation for MATH 101. Students perform basic arithmetic involving whole numbers, integers, fractions, decimals, and percentages. Other topics include order of operations, algebraic reasoning, and introduction to algebraic expressions and equations.
Minimum passing grade: C
Not degree applicable

MATH 101
Intermediate Algebra (3 units)
Prerequisite(s): grade of C or better in MATH 025 or equivalent, or qualifying score on the Math Assessment Test.
Focus on solving linear equations, systems of equations, and quadratic equations by factoring and the quadratic formula. Other topics include graphing linear equations, performing basic arithmetic with polynomials and rational expressions, and factoring polynomials. Prepares students for MATH 181, MATH 205, or MATH 113.
Minimum passing grade: C

MATH 113
Pragmatic Mathematics (3 units)
Prerequisite(s): MATH 101
Prepares students for the use of mathematics in real-world applications. Explores the fundamental understanding of logic, sets and counting, probability, statistics, and finance. Students use quantitative reasoning in projects such as a personal financial portfolio.

MATH 181
College Algebra (3 units)
Prerequisite(s): MATH 101
Solving and graphing polynomials, rational and transcendental functions, and conic sections, along with exponential and logarithmic equations. Other topics include introduction to solving linear equations using determinants, function theory and notation, sequences, and the Binomial Theorem.

MATH 205
Descriptive & Inferential Statistics (3 units)
Prerequisite(s): MATH 101
Introductory course designed for students majoring in business, social sciences, and behavioral sciences. Overview of descriptive and inferential statistics. Students learn to read, interpret, and present data in a scientific way. Covers frequency distributions and various statistical graphs, along with measures of central tendency such as mean and median, measures of variability such as range and standard deviation, as well as correlation coefficients and linear regression. Study of inferential statistics includes probability, sampling techniques, confidence intervals, and hypothesis tests.

Performing Arts

PA 210
Theater for One from Page to Stage (3 units)
Prerequisite(s): ENGL 101 & SPCH 101
Studying texts and performances from a wide variety of performance artists, students use narration, enactment, characterization, and dialogue to bring their unique stories to life in a written and performed solo piece. Examines the ways in which writing and performing our stories can have a transformative, healing effect on ourselves and our audience.
Philosophy

PHIL 110
Introduction to Western Philosophy: Pre-Socratics–Present (3 units)
Prerequisite(s): ENGL 101
Introduction to a variety of major philosophical figures, including the ancient Greeks (Socrates, Plato, Aristotle), medieval Christians (Augustine and Thomas Aquinas), and modern thinkers (Hobbes, Spinoza, Kant, Hegel, Kierkegaard).

PHIL 120
Introduction to Eastern Philosophy: India, China, & Japan (3 units)
Prerequisite(s): ENGL 101
Survey of selected major philosophical systems in India (Vedanta, Samkhya-Yoga, Early Buddhism, and Madhyamika), China (Confucius, Mencius, Lao Zi, and Neo-Confucianism), and Japan (Saicho, Kukai, Honen, and Dogen).

PHIL 200
Philosophy as a Guide to Living (3 units)
Prerequisite(s): ENGL 101
Introduction to the philosophic tradition as a way of living. Draws from both East and West in an effort to reveal that both traditions place a premium on the ways in which ideas shape particular ways of life.

PHIL 310
Early Western Philosophy (3 units)
Prerequisite(s): ENGL 101
Study of the origins of Western thought in the writings of the Pre-Socratics, Socrates, Plato, Aristotle, Stoicism, Epicureanism, Epictetus, Plotinus, and Marcus Aurelius. Their influence on medieval Christian thinking is also explored.

PHIL 320
Early Chinese Philosophy (3 units)
Prerequisite(s): ENGL 101
Studies the teachings of tradition-defining thinkers in ancient China, including Confucius, Mencius, Lao Zi, Zhuang Zi, Mo Zi, Han Feizi, and the Book of Changes. Course also covers Neo-Confucianism, Neo-Daoism, Chinese Buddhism, and the Confucian synthesizer Zhu Xi.

Political Science

POL 101
Political Science (3 units)
Prerequisite(s): ENGL 101
Introduction to political thought from Plato and Confucius to the modern period.

POL 301
US Government (3 units)
Prerequisite(s): ENGL 101
Introduction to the US federal, state, and local political systems and to the political philosophies on which they are founded. Focuses on how the political system works on various levels and on theories and motives underlying political participation.
Undergraduate
PSC 100 - PSYCH 310

Physical Sciences

PSC 100
Introduction to the Physical Sciences (3 units)
Prerequisite(s): None
Study of the earth and physical sciences, including physics, chemistry, earth sciences, and space sciences. Introduces concepts, techniques, and technology used in the study of humanity’s physical environment.

Psychology

PSYCH 100
Introduction to Western Psychology (3 units)
Prerequisite(s): none
Surveys the broad field of western psychology by introducing theories and concepts to understand individual thought and behavior over the lifespan. Topics include biological, cognitive, social, and developmental influences on behavior. Research methods for the social sciences and abnormal psychology are introduced. Also explores the impact of culture and the influence of Eastern thought on Western perspectives.

PSYCH 150
Introduction to Buddhist Psychology (3 units)
Prerequisite(s): none
Introduction to basic teachings, western science, and psychological insights from Theravada, Mahayana, and Tibetan (Vajrayana) Buddhist traditions. Students examine the basic Buddhist model for the creation and continuation of mental suffering, nature of mind, cultivation of skillful states of mind and body, and effective meditative practices and mindfulness. Students explore the human mind from both Buddhist and psychological perspectives, utilizing contemplative activities to enhance learning.

PSYCH 210
Eastern & Western Perspectives on Cognitive Psychology (3 units)
Prerequisite(s): ENGL 101
Introduces Buddhist and Western concepts and theories of perception, understanding, imagination, thinking, reasoning, and other cognitive functions, with comparisons and contrasts between the two systems. Students are provided with opportunities for self-exploration particularly though these lenses.

PSYCH 220
Eastern & Western Perspectives on Affective Psychology (3 units)
Prerequisite(s): ENGL 101
Explores how emotions influence motivation, attitudes, personality, and other related psychological constructs. Special attention is paid to comparing and contrasting Eastern and Western views of emotion (i.e. distinct affective preferences). Students have opportunities for self-reflection and observation surrounding such topics as equanimity vs. emotion (dys)regulation, self-control vs. interpersonal neurobiology, how culture shapes affect expression, and the ways in which understanding diverse views of affect increases cross-cultural compassion, sympathy, and celebration.

PSYCH 300
Research Design & Data Analysis in Psychology (3 units)
Prerequisite(s): ENGL 101, MATH 205, & PSYCH 100
Exploration of psychological research questions. Students are introduced to the manner in which research studies are created through quasi-experimental and experimental (quantitative and qualitative) designs, various ways in which research data is analyzed, and the implications of data interpretation. The course examines these areas through the key lenses of ethics and culture.

PSYCH 310
Physiological Psychology (3 units)
Prerequisite(s): PSYCH 300
Focuses on the biological basis of individual thought and behavior. Brain structure, hormones, biochemical, and genetic factors are explored. Special attention is paid to behavioral health interventions and the mind-body connection.
PSYCH 320
Psychology of Learning (3 units)
Prerequisite(s): ENGL 101
Introduces how learning affects behavior. Students explore the history of behaviorism and the principles and applications of behavior modification, including the contributions of Pavlov, Watson, Skinner, and Bandura. Ethical issues and cultural implications are discussed.

PSYCH 330
Developmental Psychology (3 units)
Prerequisite(s): ENGL 101
Examines human development across the lifespan. Major theories of human development, including those from physical, cognitive, psychological, and social perspectives are covered from a multicultural perspective. Special attention is paid to issues related to aging and long-term care.

PSYCH 340
Psychology of Personality (3 units)
Prerequisite(s): ENGL 101
Surveys prominent and influential views of personality development, such as behavioral and learning perspectives, biological views, cognitive theory, humanistic theories, and trait approaches. Cultural implications, such as cultural sensitivity, application of personality theory to diverse populations, and multicultural and cross-cultural limitations of select theories are addressed throughout.

PSYCH 350
Social Psychology (3 units)
Prerequisite(s): ENGL 101
Explores society’s impact on individual thoughts, beliefs, values, and behaviors. Historical and influential theories and related research investigations are introduced and discussed. Investigates the influence of culture and current socio-political norms.

PSYCH 360
Fieldwork (1-4 units)
Prerequisite(s): Approval of department chair
For students who wish to gain hands-on and/or specialized training in mental health service delivery. The student must demonstrate how the placement/project is related to his or her studies in psychology and related professional career goals.

PSYCH 400
Sensation & Perception (3 units)
Prerequisite(s): PSYCH 300
Surveys the senses and explores physiology, neural anatomy, and the psychology of how sensory information is translated into the known world.

PSYCH 404
Introduction to Child & Adolescent Theory & Intervention (3 units)
Prerequisite(s): PSYCH 330
Surveys contemporary, multicultural, and contextual approaches to child/adolescent counseling theory and intervention. Students gain hands-on experience through role play in art and play therapy techniques. Special attention is given to mindfulness based approaches. Course covers laws and ethical considerations in the treatment of children, including informed consent and mandated reporting. Special attention is paid to cultural considerations, including but not limited to, access to care, socioeconomic status, and level of acculturation.

PSYCH 410
Introduction to Western Psychotherapy (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Explores various historical, contemporary, and empirically supported approaches to psychotherapy. Benefits and limitations of each are discussed. Also covers cross-cultural implications, including problems with treatment generalizability, as well as problems with justice and care access for select multicultural groups.

PSYCH 415
Psychological Disorders (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Explores the historical views and current perspectives of abnormal behavior, including categorical versus dimensional perspectives. Major diagnostic categories and criteria, individual and social factors of maladaptive behavior, and types of therapy are reviewed. Also covers various methods of clinical assessment and research strategies. Special attention is paid to the impact of culture on abnormality.
PSYCH 418
Psychological Tests & Measurements (3 units)
Prerequisite(s): PSYCH 300.
Covers various psychological assessment procedures, including structured and unstructured interviews, self-report inventories, objective personality tests, ability and preference tests, individual intelligence (IQ) tests, and projective tests. Test administration ethics and the importance of psychometrics, such as validity and reliability, are covered and the cultural limitations of each are discussed throughout.

PSYCH 420
Cross-Cultural Psychology (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Explores the dynamic influence of cultural group identity. Students increase their awareness of their own complex and dynamic cultural identities. Values, beliefs, and differential cultural expectations are covered. Also discusses various multicultural and cross-cultural psychological theories and influential research investigations.

PSYCH 425
Psychology & Education (3 units)
Prerequisite(s): ENGL 102, PSYCH 330
Explores educational applications of principles of cognitive development, learning, perception, memory, and language development. Includes general instructional issues, multicultural perspectives, gifted and talented children, early childhood education, and the education of traditionally underrepresented groups and special needs populations.

PSYCH 430
Industrial-Organizational Psychology (3 units)
Prerequisite(s): ENGL 102; PSYCH 300 or BUS 308
Examines practices of modern organizational and personnel psychology, including selection, placement, training, motivation, job analysis, evaluation, human factors, counseling in the workplace, multicultural concerns, and the processes involved in developing and maintaining organizations.

PSYCH 440
Psychology of Religion (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Explores cross-cultural spiritual and religious experience through the framework of psychological methods, concepts, and theories. Students examine the integration of spirituality and psychology as seen in counseling practice. Topics include psychosocial development, death, conversion, mysticism, morality, guilt, mental health, wellness, coping, and counseling strategies.

PSYCH 450
Buddhist Psychology (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Examines Buddhist views of mental functions, motivation, emotion, personality, human development, social ethics, and psychotherapy according to Buddhist concepts and beliefs; relates these concepts to corresponding and contrasting Western views.

PSYCH 455
Buddhist & Scientific Approaches to Mind (3 units)
Prerequisite(s): ENGL 102, PSYCH 210
Offers an exploration of Buddhist teachings regarding the mind and their comparisons with neuroscientific findings about the brain.

PSYCH 465
Buddhist Practices & Mental Health (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Covers the ways in which Buddhist Wisdom is being integrated into Western mental health care. Historical and contemporary theory, research, and practice are reviewed.

PSYCH 470
Integrative Psychology of Living & Dying (3 units)
Prerequisite(s): ENGL 102, PSYCH 100
Explores issues related to psychological and spiritual thoughts of life and death, mechanisms for coping with dying and loss, and cultural differences in encounters with death. These issues are discussed from both Western and Buddhist psychological perspectives.
PSYCH 490
Advanced Topics in Psychology (3 units)
Prerequisite(s): ENGL 102, PSYCH 100, & PSYCH 150
Advanced study of a Buddhist and/or multicultural topic in psychology. Topics are announced each semester according to students’ academic needs and interests. May be repeated once for credit with chair’s approval.

PSYCH 491
Directed Reading & Research (3 units)
Prerequisite(s): Chair’s approval
Individual student identifies an approved area of interest not covered in established courses. Student works closely with a faculty member and may be expected to perform extensive hands-on research. With the chair’s approval, students may apply a maximum of two terms of directed reading and research towards graduation requirements.

Religious Studies

REL 201
Religions of the East (3 units)
Prerequisite(s): ENGL 101
Survey of the major religious traditions of India, China, and Japan, including major developments in these great traditions.

REL 202
Religions of the West (3 units)
Prerequisite(s): ENGL 101
Basic themes of the Western religious traditions, including Judaism, Christianity, Islam, Bahai, Zoroastrianism, the mystery religions, and the religions of ancient Egypt, Mesopotamia, and Greece.

REL 300
Dimensions of Religion (3 units)
Prerequisite(s): ENGL 101
Introduces the dimensions and functions of religion with an emphasis on religious beliefs, experience, institutions, language, and rituals.

PSYCH 495
Eastern & Western Perspectives on Contemporary Issues in Psychology & Counseling (3 units)
Prerequisite(s): Permission from advisor
Psychology capstone course. Contemporary issues from the perspectives of both Eastern and Western psychological views are explored. Special focus is placed on applications of counseling and psychotherapy techniques promoted by the two traditions.

REL 301
Fundamentals of Buddhism (3 units)
Prerequisite(s): ENGL 101
Overview of Buddhist religious traditions (Theravada, Mahayana, and Vajrayana), principal teachings, the position of the Buddha in the traditions, and communities comprised by the traditions. Also discussed are Buddhist art and literature, devotion, meditation, ethics, and the Sangha.

REL 322
Living Buddhism (3 units)
Prerequisite(s): ENGL 101
Half-semester course that introduces students to the philosophy and practice of Buddhism in a contemporary setting. Culminates in a 3-day, 2-night retreat at Hsi Lai Temple.
SRVLG 100 - TESOL 400

Service Learning

SRVLG 100

Service Learning (1 unit)

Prerequisite(s): none

Supervised service learning experiences in the local community. Examines social justice issues such as violence against women, hunger, homelessness, and environmental justice. Learning is both theoretical and experiential.

Pass/No Pass only

Sociology

SOC 100

Introduction to Sociology (3 units)

Prerequisite(s): ENGL 101

Study of social influences on human behavior focusing on cross-cultural examination of social patterns and processes, structure and function, conflict and change in society, and multicultural interaction.

Speech Communication

SPCH 101

Oral Communication (3 units)

Prerequisite(s): grade of B- or better in ENGL 100B, where appropriate

Training in clear and effective public speaking, including impromptu and extemporaneous styles. Students learn how to prepare and deliver engaging, audience-centered presentations. Special emphasis on interpersonal communication as a building block to communicating publicly.

Minimum passing grade: C

Teaching English To Speakers Of Other Languages

TESOL 400

Foundations of TESOL (3 units)

Prerequisite(s): LANG 301 or enrollment in the TESOL Certificate Program

Explores current TESOL perspectives for English language teachers. Course focuses on second language acquisition theories, describing learners and teachers, managing learners, and learning resources in the classroom and focusing on the language.
TESOL 420
Methods of Teaching Second Languages (3 units)
Prerequisite(s): LANG 301 or enrollment in the TESOL Certificate Program
Examines current principles, methods, approaches and techniques relevant to teaching in an English language learning classroom. Emphasis is placed on applying such methodologies in curriculum design, classroom management, and language assessment.

TESOL 430
Language Testing (3 units)
Prerequisite(s): LANG 301, TESOL 400, TESOL 420
Explores current language assessment principles and theories. Course focuses on analyzing and designing language skills test instruments for practical application in English learner classroom. Special emphasis is placed on test construction validity, reliability, and fairness.

TESOL 450
Syllabus & Material Design (3 units)
Prerequisite(s): LANG 301, TESOL 400, TESOL 420
Focuses on curriculum, lesson planning, techniques and material design. Special emphasis is placed on course and syllabus construction, planning goals and objectives, and creating English language instructional activities and materials for classroom teaching.

TESOL 460
Practicum in TESOL (3 units)
Prerequisite(s): LANG 301, TESOL 400, TESOL 420
Curriculum design for the English language learning classroom. Upon completion of the practicum, students undergo a comprehensive exam to complete the certificate program.

Wellness

WELL 100
Yoga for Body & Mind (1 unit)
Prerequisite(s): none
Basic Hatha Yoga includes pranayama (breathing techniques) combined with asanas (physical postures), meditation, and relaxation. Appropriate for all levels, emphasizing proper alignment, modifications, and restorative elements, leaving the mind and body renewed, restored, and revived.
Pass/No Pass only

WELL 105
Kung Fu for Body & Mind (1 unit)
Prerequisite(s): none
Covers basic self-defense situations, stressing both physical and mental aspects of the art. Includes history and philosophy of kung fu.
Pass/No Pass only

WELL 120
Strength Training & Fitness (1 unit)
Prerequisite(s): none
Introduction to fitness and weight training. Working with the instructor, students set a fitness goal and track their progress. Draws upon the fields of physiology, structural kinesiology, and human anatomy. Topics covered include weight training, diet, cardiovascular training, personal motivation, and healthy body image. Students are encouraged to approach health and wellness with loving kindness and compassion to themselves and their bodies while working toward their fitness goals.
Pass/No Pass only

WELL 130
Willpower (1 unit)
Prerequisite(s): none
Cultivation of willpower to control choices, manage stress, and make positive life changes. Emphasizes understanding the nature of willpower based on the latest psychological and physiological science research while discarding unfounded and damaging myths and beliefs. Students select a willpower challenge to work on, tailoring their own plan to control attention, emotions, cravings, or other behaviors.
Pass/No Pass only
WELL 140

Ballroom Dancing (1 unit)

Prerequisite(s): none

Introduction to Ballroom and Latin dancing. Students learn how to recognize music and rhythm, the character and style of each dance, leader and follower roles, and technique in a mutually compassionate and understanding environment. Also covers historical underpinnings and trends within the greater partner-dancing world. A great way for students from all parts of the globe to come together to develop a universal language.

Pass/No Pass only

WELL 141

Partner Dancing (1 unit)

Prerequisite(s): none

Focuses on a specific form of partner dancing each semester, covering music/rhythms, character and style, leader and follower roles, and technique associated with specific partner dances. Also addresses historical underpinnings and trends within the greater partner dancing world.

Pass/No Pass only
Graduate Course Descriptions

Graduate courses are open to graduate students only. Exceptions require department chair and advisor approval.

Buddhist Chaplaincy

Enrollment in Buddhist Chaplaincy courses is restricted to students enrolled in the Buddhist Chaplaincy and Buddhist Ministry programs. Any exceptions must be approved in advance by the chair of this department.

MDIV 511
Communication Skills for Chaplaincy (4 units)

Prerequisite(s): none

Equips students with the fundamental skills necessary for relating with others in the context of professional chaplaincy. Students explore such topics as basic attendance, deep listening and reflective listening, body language, family map, teamwork, giving and receiving feedback, conflict resolution, and group process.

MDIV 515
Power, Privilege, & Difference (3 units)

Prerequisite(s): none

Expands knowledge gained in MDIV 511, teaching students how to effectively relate with groups and systems. Students explore such topics as male privilege, racism, multicultural competency, mediation, diversity, responsibilities and task accomplishment, roles and relationships, and communication patterns. Certain topics introduced in MDIV 511 are explored in greater depth here, including group process and conflict resolution.

MDIV 525
Chaplaincy Roles & Competencies (3 units)

Prerequisite(s): none

Introduces the field of professional chaplaincy, personal and professional ethics, as well as the values, standards, competencies, and responsibilities involved in working in various clinical settings. Students study the history of and prerequisites for work in various chaplaincies. Special attention is given to current trends and issues across the field.

MDIV 530
Interfaith Rituals for Chaplaincy (3 units)

Prerequisite(s): none

Focuses on the ritual components and qualities of spiritual/cultural competencies required for professional spiritual care and counseling in the diverse religious landscape of twenty-first century North America. Through group practicum and discussions, students develop the necessary awareness and tools to work within the multicultural and multireligious environment of today’s hospitals, prisons, universities, etc.

MDIV 540
Sacred Abrahamic Texts in Spiritual Care & Counseling (3 units)

Prerequisite(s): none

Provides the Buddhist practitioner working in professional chaplaincy a macroscopic view of sacred Abrahamic texts and their content, as well as resources for further exploration. Special attention is given to helping students develop some degree of comfort working with Abrahamic texts in the context of Buddhist chaplaincy.

MDIV 565
Buddhist Homiletics: Writing & Giving Dharma Talks (3 units)

Prerequisite(s): none

Introduces the art of writing and giving dharma talks. Various styles and types of dharma talks are studied and considered. Working closely with the professor and their colleagues, students identify particular styles and methods to help them in their own homiletic work. Students also explore how to relate the professional imperatives of chaplaincy with the imperatives of a Buddhist faith.
MDIV 590
Service Practicum (3 units)
Prerequisite(s): Graduate status
Examines various types of service, from community efforts to international humanitarian work. Special attention is given to Buddhist concepts of service and social engagement and how these are similar to and different from those coming from the Abrahamic traditions and secular contexts.

MDIV 599
Directed Reading & Research (3 units)
Prerequisite(s): Completion of 9 units at the graduate level
Enrollment restricted to graduate students in the Buddhist Chaplaincy program; requires the consent of the supervising professor and the department chair. A paper is required. A maximum of 3 units may be taken in a semester and a maximum of 6 units may be applied to graduation.
Pass/No Pass only

MDIV 601
Buddhist Ministry & the Prison-Industrial Complex (3 units)
Prerequisite(s): none
Examines the historic participation of Buddhists in ministry activities within the prison-industrial complex. Main focus is on the United States, with India, Great Britain, and other countries receiving some attention. Through their in-depth look at a ministry setting in which Buddhist Americans have been particularly active, students gain a robust knowledge of operating within specialized care settings.
(Note: This is a unique, infrequently offered course. Students taking this course take it in place of MDIV 676; they may not take both courses except in special circumstances and with the permission of their advisor and the department chair.)

MDIV 640
Seminar in Buddhist Ministry (3 units)
Prerequisite(s): Graduate status
Provides the opportunity to explore unique and particular issues in Buddhist chaplaincy. Special attention is given to an overview of scriptures across Buddhist traditions that have informed ministry, spiritual care and counseling techniques, and the chaplain’s personal spiritual practice.

MDIV 646
Spiritual Care & Counseling (4 units)
Prerequisite(s): none
Introduces theories and practices for clinical spiritual care and counseling work. Special attention is paid to literature in the field of healthcare chaplaincy about medical ethics, measuring effective care, and working in diverse settings.

MDIV 650
Pastoral Theology (3 units)
Prerequisite(s): none
Introduces the history, key texts, and practice of pastoral theology. Students gain the background and the methods necessary to make their own contributions to this area of writing. Supervised by the professor, students explore important texts for the particular chaplaincies in which they work.

MDIV 655
Spiritual Formation for Buddhist Chaplains (3 units)
Prerequisite(s): none
Examines the ways influential thinkers have understood stages of transformation in spiritual development. Students explore the ways in which significant works may deepen their own personal practice as well as their approach to chaplaincy.

MDIV 661
Organizational & Legal Issues in Ministry & Spiritual Care (3 units)
Prerequisite(s): none
Introduces institutional administration and organization in ministry and spiritual care, and considers best practices, roles and responsibilities, and resources for spiritual leaders. Special attention is given to nonprofit administration, legal issues, and management. Students also consider these matters specifically in the context of professional chaplaincy.

MDIV 670
Spiritual Leadership (3 units)
Prerequisite(s): none
Introduces spiritual leadership and social ethics and considers values, responsibilities, functions, and resources for spiritual leaders. Students explore examples and archetypes of spiritual leadership in the Buddhist traditions. Students also examine spiritual leadership in the context of professional chaplaincy practice.
MDIV 676
Advanced Topics in Professional Chaplaincy (4 units)
Prerequisite(s): none
Provides the opportunity to explore unique and particular issues in professional chaplaincy work. Special attention is paid to pastoral diagnosis, working with a care team, and current concerns in the various fields of chaplaincy.

Buddhist Ministry

BMIN 600
Seminar: Buddhist Issues & Frameworks (3 units)
Prerequisite(s): MDIV 650
Advanced critique of the history, key texts, and practice of Buddhist ministry. Students explore the background and issues that contextualize their research area.

BMIN 607
Research Methods (3 units)
Prerequisite(s): none
Develops essential skills for engaging in quantitative and qualitative research at the doctoral level with focus on research methods relevant to the student’s area of research.

BMIN 610
Ethics in Buddhist Ministry (3 units)
Prerequisite(s): MDIV 670
Advanced examination of the relationship between professional and personal ethics in the area of ministry.

BMIN 620
Engaged Compassion (3 units)
Prerequisite(s): MDIV 655
Examines the aspects of spiritual maturity as defined by developed meditation and ritual life, understanding of edge states, perspective taking, and spiritual bypass as seen in traditional and contemporary texts.

BMIN 698A
Dissertation Proposal Seminar (3 units)
Prerequisite(s): Instructor’s approval
Seminar focused on the development of the dissertation proposal. Topics to be discussed include: selection of the dissertation topic, development of an original argument, situating one’s topic in relation to existing scholarship, and Buddhist-inspired strategies for writing and completing the project. Applicable to doctoral research requirement. Pass/No Pass only

BMIN 698B
Dissertation Writing Seminar (3 units)
Prerequisite(s): Advancement to candidacy and instructor’s approval
Reviews and develops strategies for dissertation writing. Topics to be discussed include Buddhist-inspired strategies for writing and completing the dissertation. Under close guidance, students are expected to complete a solid draft of one chapter of their dissertation. Applicable to doctoral research requirement; may be repeated for credit. Pass/No Pass only

BMIN 705
Qualifying Examination Preparation (3 units)
Prerequisite(s): Completion of formal coursework
Individual study for qualifying examination preparation. This course may be repeated once with chair’s approval. Credit is not applicable to graduation. Pass/No Pass only
BMIN 710
Dissertation Research (3-9 units)
Prerequisite(s): Candidacy status
Research for the dissertation. Upon advancement to candidacy and after the completion of coursework, students maintain continuous enrollment by registering for this course each semester until successful completion of the 12-unit research requirement. Students may substitute BMIN 698A or B for this requirement.
Pass/No Pass only

BMIN 715
Continuous Enrollment Research (1 unit)
Prerequisite(s): Chair’s approval
Required for doctoral candidates who have successfully completed all course and research requirements but must remain in continuous enrollment each semester until completion of exam, dissertation, etc. Course does not count toward minimum requirement for graduation.
Pass/No Pass only

Business Administration

MBA 501
Business Law (3 units)
Prerequisite(s): none
Examines laws and regulations affecting business environment and managerial decisions, including the legal system and methods of dispute resolution. Topics include torts, crimes, contracts, product liability, business organization, employment, antitrust, environmental protection. Incorporates ethical considerations and international perspectives.

MBA 502
Business Programming (3 units)
Prerequisite(s): none
Development of current and relevant business programming skills and their application to improving organizational efficiency.

MBA 504
Principles of Management (3 units)
Prerequisite(s): none
Reviews different theories of management; focuses on managerial functions, including planning, organizing, controlling, and leading. Emphasizes how to apply management theory/methods to solve problems of organizations.
Minimum passing grade: C

MBA 505
Analytic Methods for Managerial Decisions (3 units)
Prerequisite(s): none
Studies research methodologies and statistical tools for better decision making. Topics include qualitative and quantitative methods, elementary statistics, correlation and regression analyses, interpretation of multivariate datasets, forecasting models, experimental design, and survey and sampling. Emphasizes computer-based programs and applications.

MBA 506
Managerial Communications (3 units)
Prerequisite(s): none
Studies effective communications both as an essential professional skill and as an important function of management. Discusses the elements of oral and written communications, engages students in the thinking and writing process, and teaches essentials in interpersonal and organizational communications.

MBA 507
Managerial Economics (3 units)
Prerequisite(s): (BUS 201 or BUS 202); BUS 303
Develops micro-economic concepts and employs them to examine decision making under uncertainty. Topics include consumers’ and firms’ optimal choices, quantitative analysis and estimation of demand, production and cost functions, and market structures and firms’ pricing strategies.
Minimum passing grade: C
MBA508
Qualitative Research Methodologies (3 units)
Prerequisite(s): none
Advanced study of research methodologies used in the social (economics, history, and politics) and behavioral sciences (cultural anthropology, psychology, and sociology) and the application of those methodologies to education, business, management, religion, and other fields of study.

MBA 509
Business Forecasts (3 units)
Prerequisite(s): MBA 505
Principles and applications of forecasting in an accessible way; methods and processes in business forecasting, including time series, univariate, multivariate, and qualitative methods.

MBA 511
Nonprofit Accounting (3 units)
Prerequisite(s): MBA 512 or MBA 513
Examines core principles and practices of nonprofit accounting. Summarizes the accounting requirements and practices of specific types of nonprofit organizations, including educational institutions, hospitals, health and welfare organizations, religious groups, and public institutions. Discusses recent changes in nonprofit accounting and reporting rules.

MBA 512
Financial Accounting (3 units)
Prerequisite(s): none
Accounting concepts and techniques essential to the administration of a business enterprise: analyzing and recording financial transactions; accounting valuation and allocation practices; preparation, analysis and interpretation of financial statements; international accounting issues.

MBA 513
Managerial Accounting (3 units)
Prerequisite(s): BUS 210
Use and interpretation of financial statements; evaluation of accounting information systems; accounting for and analysis of costs; managerial use of accounting data for planning and decision making.
Minimum passing grade: C

MBA 514
Advanced Managerial Accounting (3 units)
Prerequisite(s): MBA 513
Advanced accounting theory as applied to modern business practice; background of accounting and its place in society and the economy; current development in accounting theory.

MBA 515
Corporate Finance (3 units)
Prerequisite(s): BUS 303
Advanced study of the financial management function of the corporation with special attention to cash flows and value, capital structure, cost of capital, capital budgeting, project evaluations, and issues in mergers, acquisitions and restructuring.
Minimum passing grade: C

MBA 516
International Finance (3 units)
Prerequisite(s): MBA 515
Advanced study of the environment and tools of international financial management. Covers financial, tax, economic, political, potential legal issues, foreign exchange rates, risk assessment, balance of payment, and financial alternatives and tradeoffs.

MBA 517
Investment & Portfolio Management (3 units)
Prerequisite(s): MBA 515
Advanced study of modern portfolio and investment management theories with emphasis on how to evaluate and diversify different types of risk, illustrated by case studies.

MBA 518
Cost Analysis & Budgeting (3 units)
Prerequisite(s): MBA 513
Advanced study of cost analysis for decision making in pricing, product mix, capacity building and budgeting for operations and capital expenditures. Special emphasis on using budgeting as a planning and control tool of performance.
MBA 519
Management Science (3 units)
Prerequisite(s): BUS 303
Application of scientific methods, techniques, and tools to provide optimum solutions to problems involving the operation of systems; focuses on analysis and solution of managerial decision-making problems.

MBA 520
Organization & Management (3 units)
Prerequisite(s): none
Study of techniques and human behavior involved in managing an organization toward efficiency and effectiveness. Focus on job and organization design, motivation, problem solving, and diversity and change management.
Minimum passing grade: C

MBA 522
Comparative Management (3 units)
Prerequisite(s): MBA 504 or 520
Studies behavior of people in organizations around the world and develops mental sensitivity to working in organizations. Explores similarities and differences in organizational values, practices and structures in firms between developed and developing countries.

MBA 525
Chinese Management Philosophy (3 units)
Prerequisite(s): none
Advanced study of Chinese management philosophies and their practices, especially in areas of decision making, leadership and human resources management, all illustrated by practical cases. Emphasis made on how these philosophies and practices apply to modern organizations.

MBA 526
Risk Management & Insurance (3 units)
Prerequisite(s): BUS 303
Studies theories of insurance; explores special features of different lines of insurance; emphasizes main elements of insurance, including determinants of premiums, coverage, deductibles, and co-payments.

MBA 527
Human Resources Management (3 units)
Prerequisite(s): MBA 504 or MBA 520
Advanced study of the basic elements of HRM, such as compensation, motivation, performance appraisal, staffing, grievance handling and discipline, HRM policy setting, and HRM planning in today’s labor market.

MBA 528
Seminar on Organizational Change (3 units)
Prerequisite(s): MBA 504 or MBA 520
Analyzes theories of change and their applications with special emphasis on planned organizational change, development and intervention methods, and current trends in organization design and change.

MBA 529
Seminar on Leadership (3 units)
Prerequisite(s): MBA 504 or MBA 520
Examines the effectiveness of different approaches to leadership from both managerial and psychological viewpoints. Discusses issues in leadership and leadership training through case studies, workshops, and guest lectures.

MBA 530
Marketing (3 units)
Prerequisite(s): none
Studies the processes involved in the creation, distribution, and sale of products and services. Explores the tasks and decisions facing marketing managers. Focuses on market and competitive analysis, consumer behavior, and design and implementation of marketing strategies.
Minimum passing grade: C

MBA 531
Services Marketing (3 units)
Prerequisite(s): MBA 530
Discusses characteristics of service organizations and explores how they differ from manufacturing in many important aspects. Special attention given to the formulation, development, and execution of marketing strategies.
MBA 533
International Marketing (3 units)
Prerequisite(s): MBA 530
Focuses on further development of concepts learned in marketing and their application to an international setting. Concentrates on strategic decisions pertaining to the marketing mix as they apply to specific regions, nations, and cultures.

MBA 534
Consumer Behavior (3 units)
Prerequisite(s): MBA 530
Focuses on and explains the relevant concepts upon which the discipline of consumer behavior is based. Students examine “real-world” examples of consumer buying in order to demonstrate how consumer behavior concepts are used by marketing practitioners to develop and implement effective marketing strategies. Course concludes with an examination of public policy issues and a discussion of consumer behavior research priorities for the next decade.

MBA 536
Small Business & Entrepreneurial Marketing (3 units)
Prerequisite(s): MBA 530
Examines and surveys practical and cost-effective strategies and methods to generate leads and new customer acquisition. Topics include strategic partnerships, local marketing, search engine optimization, social networking, crowdsource funding, and niche marketing.

MBA 540
Management Information Systems (3 units)
Prerequisite(s): none
Management information systems for managers. Topics include the types of information systems that support individual, work-group, and corporate goals, with an emphasis not only on hardware/software but also managerial concerns with the design, implementation, and management of information systems. Also examines how to compete with information technology in the internet-based business environment.
Minimum passing grade: C

MBA 542
Project Management (3 units)
Prerequisite(s): none
Topics include definition of project objectives, identification of project activities, cost and time estimates, and control and performance measurement issues.

MBA 547
Technical & Fundamental Analysis of Financial Securities (3 units)
Prerequisite(s): MBA 515
Advanced technical analysis of securities using graphs and equations; advanced fundamental analysis of securities based on corporate accounting data and business prospects.

MBA 548
Financial Security Trade & Analysis (3 units)
Prerequisite(s): MBA 515
A practical course on applied investment analysis, using modern computer and data facilities to conduct extensive fundamental and technical analysis, security portfolio tracking, performance measurement, and trading simulation and strategies. Course emphasizes the application of modern portfolio theory and asset allocation models in selecting and evaluating stocks and bonds and practices investment of real money in the financial markets. Students of this class manage UWest’s special endowment.

MBA 550
International Business (3 units)
Prerequisite(s): none
Examines the global business environment and trends in doing business internationally. Discusses management functions and external influential factors that shape a global business operation such as investment decision, monetary exchange, and competition strategy and structure.
MBA 551
Importing & Exporting (3 units)
Prerequisite(s): MBA 550
Covers the fundamentals, challenges, and opportunities of imports and exports as key features of today’s international markets. Topics include the role of intermediaries and cross-border relationships as well as the role of governments and international organizations in navigating the intricacies of cultures, practices, and regulatory and other trade barriers. Controversial trading issues such as dumping and international espionage are also addressed.

MBA 552
International Business Law (3 units)
Prerequisite(s): BUS 200
Studies business laws in the United States. Examines international arbitration of investment disputes, the impact of nationalism on traditional ownership strategies, and how to establish a corporation in civil law countries. Topics include antitrust laws and international business transactions.

MBA 556
Global Economy (3 units)
Prerequisite(s): BUS 201 or BUS 202
Surveys international trade theory, commercial trade policy, international finance, and open-economy macroeconomics. Students gain a foundation that can be used to discuss and analyze the global economic environment within which businesses operate. Other topics include the international flow of goods, services, assets, and payments between a nation and the rest of the world, the policies directed at regulating this flow, and their effects on a nation’s welfare. Special attention is given to the evaluation of government policies and current, real-world trends affecting the global economy.

MBA 557
Social Entrepreneurship (3 units)
Prerequisite(s): none
Focuses on how a business can produce positive social change. Discusses skills, beliefs, and character traits of the social entrepreneur while exploring how to grow into becoming a great founder. Covers team building and key steps in getting started: ownership, the message, the business model, and funding options. An applied project is required.

MBA 558
Seminar on Doing Business in Asia (3 units)
Prerequisite(s): none
Advanced study of opportunities for and barriers to doing business in Asia. Discussion of successful and failed cases of doing business in Asia from linguistic, cultural, social, economic, and political perspectives.

MBA 559
Seminar on Doing Business in the US (3 units)
Prerequisite(s): none
Examines the business environment in the US and business practices and customs of corporate America. Specific issues on corporate culture, business laws, labor organizations, and markets are covered. Discusses how to plan, start, and operate a sustainable and profitable business in the US including access to capital, financial and strategic management, and other key factors such as intellectual property rights.

MBA 560
Managing Nonprofit Organizations (3 units)
Prerequisite(s): none
Compares and contrasts for-profit and nonprofit organizations, major strategic management issues specially associated with nonprofits, and exposes students to the various management styles commonly found in the nonprofit sector.

MBA 561
Comparative Studies of Nonprofit Organizations (3 units)
Prerequisite(s): none
Compares the development of nonprofit organizations in different countries. Examines similarities and differences with respect to target markets, membership profiles, government regulations, and management of nonprofit organizations.

MBA 562
Financial Development for Nonprofit Organizations (3 units)
Prerequisite(s): none
Discusses the trend of corporate responsibility toward society today and the role of corporate philanthropy in social well-being. Studies various techniques to increase financial resources for nonprofit organizations such as donations, fund-raising, grant applications, and bequests; examines the principles, values, and ethics of these techniques; and builds up practical skills using these techniques.
MBA 563
Management of Memberships & Volunteers (3 units)

Prerequisite(s): none

Discusses management of memberships and volunteers in nonprofit organizations. The importance of membership and voluntary contributions of time and resources, effective motivation and management of volunteers, and promotion of organizational objectives are discussed.

MBA 564
Advanced Auditing (3 units)

Prerequisite(s): MBA513

Study of the theory and practice of auditing as it applies to the internal and management control functions of the organization. Topics include statements of auditing standards, ethical and legal responsibilities, internal control structure considerations, statistical sampling applications, computer-assisted auditing techniques, and regulatory agency requirements.

MBA 565
Advanced Accounting Theory (3 units)

Prerequisite(s): MBA513

Advanced topics in accounting, including business combinations, multinational operations and foreign currency transactions, liquidations, and reorganizations. Also covers partnership formation, income distribution, and liquidation.

MBA 566
Financial Reporting & Disclosure (3 units)

Prerequisite(s): MBA513

An in-depth study of financial accounting, reporting, and disclosure. Examines professional accounting and reporting standards.

MBA 567
Special Topic on Federal Taxation (3 units)

Prerequisite(s): BUS 210

A study of the federal tax law applicable to C corporations, S corporations, partnerships, estates, and trusts. Addresses income tax law and the major issues relating to the transfer of property through gifts and the estate. Methods and procedures of tax research also are stressed.

MBA 568
Special Topic on International Accounting (3 units)

Prerequisite(s): BUS 210

Critical examination of current developments in international accounting: the difficulty of preparing precise and universally accepted accounting principles, and social, economic, and political influences on comparative accounting theory and practice. Financial reporting and control of multinational enterprises are also discussed.

MBA 569
Controllship (3 units)

Prerequisite(s): MBA 513

In-depth study of accounting techniques, concepts, and procedures related to the functions and responsibilities of the controller. Consideration of management reporting systems, planning and controlling functions, resource allocation, transfer pricing, the general ledger-based system, departmental expense control, and investment planning.

MBA 571
Systems Design, Analysis, & Implementation (3 units)

Prerequisite(s): MBA 540

Studies strategies and techniques for structured analysis and design in the development of information systems. Examines general systems theory and the lifecycle of information system development. Uses structured tools/techniques to describe process, data flows, and data structures.

MBA 572
Data Structure & Database Management (3 units)

Prerequisite(s): MBA 540

Hierarchical, network, and relational database structures are analyzed. Stresses data modeling concepts using entity relationship and semantic object techniques, normalization, relational database implementation, and concurrent database processing.
MBA 573
Decision Support Systems (3 units)
Prerequisite(s): MBA 540
Explores decision-making processes, model-based development, and knowledge management. Examines design, implementation, and evaluation of decision support systems. Provides a broad understanding of how to encapsulate, expand, and transfer knowledge by means of an intelligent machine.

MBA 575
Data Communications & Networking (3 units)
Prerequisite(s): MBA 540
Advanced study of technology and management of telecommunications and networks, the internet, intranet, extranet, and World Wide Web. Comprehensive examination of the integration of organizational systems with rapidly evolving on-line services industry.

MBA 578
Computer Security, Controls & Ethics (3 units)
Prerequisite(s): none
A survey of technological and organizational techniques to secure computer hardware, software, and data. Studies controls for errors, natural disasters, and intentional attacks, focusing on their effectiveness and cost. Reviews implications from the legal, social, and ethical environment.

MBA 580
Capstone: Strategic Management (3 units)
Prerequisite(s): MBA504, MBA513, MBA515, & MBA530 (usually completed in final semester before graduation)
Capstone course designed to provide an integrative perspective on strategy formation and management of an enterprise. Students develop a multidisciplinary understanding of business planning and strategy by drawing on previous coursework taken in the program and the various functional areas of business.

MBA 583
Financial Institutions & Markets (3 units)
Prerequisite(s): none
Analysis of financial institutions and markets. Term structure of interest rates, portfolio theory and flow-fund analysis, deposit-type intermediaries, insurance, pension funds and investment companies.

MBA 584
Financial Derivatives (3 units)
Prerequisite(s): MBA 515
Develops an understanding of mathematical and managerial tools necessary for the analysis, pricing, and design of financial derivatives. Includes stochastic processes, the Black-Merton-Scholes option pricing model, forward, futures, options, swaps, exotic options, and special topics including fixed income portfolio management.

MBA 587
Seminar on Business Negotiations (3 units)
Prerequisite(s): none
Teaches negotiation theory and practices with an emphasis on business aspects and cultural factors that affect the negotiation process and results. Discusses negotiation participants, negotiation strategy, and negotiation styles commonly found in negotiation sessions. Cross-cultural business negotiations are also discussed.

MBA 588
Business Philosophy & Ethics (3 units)
Prerequisite(s): none
Reviews different philosophies relevant to modern organizations and management, discusses ethics from different religious perspectives, particularly humanistic Buddhism, and emphasizes how such philosophy and ethics can be effectively used in modern organizations and management.
Minimum passing grade: C
MBA 589
Seminar on Entrepreneurship (3 units)
Prerequisite(s): none
Examines the nature of entrepreneurship, the factors underlying success in the start-up and early growth phases, and the factors that increase the likelihood of failure. Students become more familiar with the elements of a sound business plan and the issues facing a start-up by working on a project to create a new venture. Considers the forces that motivate, guide, and constrain entrepreneurship activity, and explores the range of issues and challenges faced by start-up organizations and their leaders.

MBA 590
Internship (1 unit)
Prerequisite(s): completion of core courses & department chair approval
Provides students with meaningful hands-on experience working in organizations relevant to their area of study. Completion requires written evaluation and verification from employer and internship reflection paper.
Pass/No Pass only

MBA 596
Special Topics (3 units)
Prerequisite(s): none
Covers emerging issues and special topics related to student-selected concentrations.

MBA 597
Management Practicum (1-3 units)
Prerequisite(s): chair approval
For students who lack practical business management experience. Students register for this class when they are working to gain the required experience in the relevant subject. This class may be taken twice. Units are not degree applicable.
Pass/No Pass only

MBA 599
Independent Study (3 units)
Prerequisite(s): instructor & chair approval
Student selects an approved area of study and works closely with a faculty member.

MBA 715
Continuous Enrollment Research (1 unit)
Prerequisite(s): chair approval
Required for graduate-level students who no longer need courses, but who must remain in continuous enrollment each semester until completion of exam, dissertation, etc. Course does not count toward minimum requirements for graduation.
Pass/No Pass only
Graduate
CCHN 500A - CONT 550

Classical Chinese Language

CCHN 500A
First Year Classical Chinese I (3 units)
Prerequisite(s): familiarity with another language that uses Sinitic script
Classical Chinese for students with no prior training in either modern or classical forms of Chinese. Students who are familiar with another language that uses Sinitic script (e.g., Japanese, Vietnamese, or Korean), but who have no training in the reading of Classical Chinese, are eligible for the class. Topics covered: Pinyin pronunciation, Romanization, and orthography; composition and orthography of Chinese characters (hanzi); dictionary usage; and basic syntax and grammar of Classical Chinese.

CCHN 500B
First Year Classical Chinese II (3 units)
Prerequisite(s): CCHN 500A
Phonology, morphology, and syntax of Classical Chinese with emphasis on reading selected texts. Students focus on improving the linguistic and research skills introduced in CCHN 500 and engage directly in reading Classical Chinese texts under the instructor’s supervision.

CCHN 501A
Second Year Classical Chinese I (3 units)
Prerequisite(s): CCHN 500B
Advanced-level study in Classical Chinese grammar and syntax involving translation from Classical Chinese.

CCHN 501B
Second Year Classical Chinese II (3 units)
Prerequisite(s): CCHN 501A
Continuation of upper-level Classical Chinese. Selected readings from various sources. At the end of the course, students are able to read and translate a sutra.

Contemplative Practice

CONT 510
Topics in Comparative Contemplative Practice (3 units)
Prerequisite(s): none
Seminar in special area of interest in the comparative study of contemplative practice. Topic to be announced each semester.
Buddhist Chaplaincy students may take this course a maximum of three times for credit. Students in other programs may take the class only once, unless approved by their advisor.

CONT 550
Contemplation in Mahayana Traditions (3 units)
Prerequisite(s): Chair’s approval
Study of contemplative theories and practices from a variety of Mahayana traditions with special emphasis on source texts, its ethical context, and modern secular applications. Experiential component includes contemplative practice and journaling.
Interdisciplinary Studies

IDS 585
Contemplative Practice & Mindful Leadership (3 units)
Prerequisite(s): none
Interdisciplinary course focused on the breadth and depth of contemplative practice, its ethical context in Buddhist and other traditions, and its application to business management and leadership development. Meditation exercises and self-reflection are used as tools for the development of mindful leadership skills.

Pali Language

PALI 500A
First Year Pali I (3 units)
Prerequisite(s): none
Introduction to the history and basis of the Pali language including pronunciation, vocabulary, grammar and script, and minor translations.

PALI 500B
First Year Pali II (3 units)
Prerequisite(s): PALI 500A
Phonology, morphology, and syntax of the Pali language with emphasis on reading selected Pali texts.

PALI 501A
Second Year Pali I (3 units)
Prerequisite(s): PALI 500B
Advanced level of studies in Pali grammar and syntax involving translation to and from Pali.

PALI 501B
Second Year Pali II (3 units)
Prerequisite(s): PALI 501A
Continuation of upper-level Pali. Selected readings from various sources. At the end of the course, students are able to read and translate a sutra.
Psychology
Graduate courses in psychology are open to graduate students only. Exceptions require department chair and advisor approval.

**PSYCH 500**
Graduate Research & Writing Practicum (3 units)
Prerequisite(s): none. Not degree applicable. Requirement based on department chair’s recommendation
Introduction to basic writing and research skills required for successful graduate work. This includes APA format style, searching for relevant literature, thesis structure, citation of sources, and use of references.

**PSYCH 501**
Experimental Design & Statistical Analysis (3 units)
Prerequisite(s): none
Introduces the creation of sound psychological research questions. Students review advanced quasi-experimental and experimental design methods (quantitative and qualitative). Students examine various methods to analyze research data and discuss implications of data interpretation. Ethics and culture are highlighted.

**PSYCH 504**
Counseling Children & Adolescents (3 units)
Prerequisite(s): none
Surveys contemporary, multicultural, and contextual approaches to child/adolescent counseling theory and intervention. Students gain hands-on experience through role play in art and play therapy techniques. Special attention is given to mindfulness based approaches. Covers laws and ethical considerations in the treatment of children, including informed consent and mandated reporting. Special attention is paid to cultural considerations, including but not limited to, access to care, socioeconomic status, and level of acculturation.

**PSYCH 505**
Buddhist & Multicultural Community Mental Health (3 units)
Prerequisite(s): none
Introduces UWest’s master’s degree program in Marriage and Family Therapy, focusing on values exploration & acculturation/orientation to the university, professional identity, & community mental health. Core learning areas include: acculturation to the profession; recovery-oriented practice; client advocacy, case management, & systems of care. Provides an orientation to Buddhist wisdom in the context of Western marriage and family therapy.

**PSYCH 505 A**
Group Process (0 units)
Prerequisite(s): none
Provides first-year cohort continuity, support, and process during the second semester.
This not-for-credit course meets one hour each week for a total of 15 hours. All psychology students are required to enroll in this course in the second semester of their first year.
Pass/No Pass only

**PSYCH 529**
Drug & Alcohol Theory & Intervention (3 units)
Prerequisite(s): none
Examines the theories, etiology, assessment, diagnosis, and treatment of alcohol- and drug-related disorders from the resiliency, recovery, and medical models. This course also addresses the impact of socioeconomic status, ethnicity, other environmental factors, and contemporary controversies on the development and treatment of addictive disorders.

**PSYCH 530**
Psychopathology (3 units)
Prerequisite(s): none
Reviews the current taxonomy of Western psychopathology across the lifespan. Introduces etiologies, prevalence, symptoms, and treatments. Students examine sexual identity, sexual dysfunction, and gender identity disorders and contemporary clinical treatment methods for sexual problems. Also examines conditions in self and society associated with the use and abuse of addictive substances and explores treatment models. Opportunities to interact with various consumers and families of consumers of mental health services are provided.
PSYCH 531

Theories I (3 units)

Prerequisite(s): none

Provides knowledge and experiences in counseling and helping skills with an emphasis on traditional counseling and psychotherapy theory and skills including individual (adult, child, and adolescent) and group process therapy skills. This course presents theoretical and empirically supported approaches to intervention strategies for dealing with psychological, emotional, relationship, and adjustment problems in individuals, couples, and groups. Cultural sensitivity and limitations of traditional therapy approaches for diverse populations are also included, with a focus on recovery-oriented practice.

PSYCH 532

Law & Ethics (3 units)

Prerequisite(s): none

Grounding in relevant ethical codes, practice standards, legal issues, and expectations of professional conduct. Ethical decision-making skills are honed using case studies and vignettes. Discusses professional and public responsibility and the meaning of the professional counseling relationship. Also explores the fundamentals of child advocacy and of social policies affecting children. Topics may include ethnic violence, drugs, poverty, the juvenile justice system, health and mental health care, and child abuse. California laws and ethics related to domestic violence are also emphasized, including dynamics of spousal, child, and elder abuse, family issues, and multigenerational patterns. Also address professional writing, including documentation of services, progress notes, and the need for treatment plans.

PSYCH 533

Multicultural Counseling (3 units)

Prerequisite(s): none

Fosters an understanding of the human experience through the values and beliefs of various multicultural and cross-cultural identities. Students are introduced to psychological issues concerning human systems, self and group identity, conflict, consciousness, development, gender, cultural values, spirituality, race/ethnicity, individualism-collectivism, evolution, implicit bias, poverty, social stress, oppression, stigma, and their impact on counseling process and outcome. These and other key constructs such as acculturation and racial/ethnic identity development are used to better work with California’s diverse populations. Students gain awareness and understanding of their own and others’ cultural perspectives.

PSYCH 536

Marriage & Family Therapy I: Families (3 units)

Prerequisite(s): none

Surveys contemporary, multicultural, and contextual analyses of the major models of couples and family therapy, the integration of various approaches in relationship therapy, and the process and outcome research that document the state of MFT effectiveness with couples and families. Key touchstones include sexuality and sexual identities, ethics and reporting/safety issues, and domestic violence, all through the lens of culture.

PSYCH 537

Motivational Interviewing (3 units)

Prerequisite(s): none

Provides a fundamental understanding of Motivational Interviewing (MI), introducing students to the principles of MI and the research supporting MI as an evidence-based treatment. Students practice skills in role play, and learn how to provide information and guidance in an MI-consistent manner as they elicit and reinforce the client’s movement toward change.

PSYCH 538

Psychological Testing (3 units)

Prerequisite(s): none

Discusses topics such as clinical interviewing, evidence-based diagnostic assessment, and behavioral assessment. Various psychological assessment procedures are covered, including structured and unstructured interviews, self-report inventories, objective personality tests, ability and preference tests, individual intelligence (IQ) tests, and projective tests. Test administration ethics and the importance of psychometrics, such as validity and reliability, are addressed. Cultural limitations and ethical concerns of each are discussed throughout.
PSYCH 540
Counseling Across the Lifespan (3 units)
Prerequisite(s): none
Provides an in-depth exploration of the development from a bio-psychosocial perspective. Students explore lifespan development from conception to death, including age-change theories and human adaptations in terms of mental health, personality stability, cognitive processes, learning, and social cognition. Discusses the unique ethical concerns and psychological needs of an aging population including implicit ageism, relationship issues, aging and diversity, death and bereavement, spirituality, occupational patterns, retirement, and leisure. Research-based best practices and ethics of working with diverse older adults are emphasized throughout.

PSYCH 545
Psychopharmacology (3 units)
Prerequisite(s): none
Develops understanding of current drug therapies for psychological problems. Topics include medications in general use, criteria for referring patients for psychopharmacological evaluation, cultural and interpersonal issues, and how and when medications can contribute to effective treatment. Frequently voiced philosophical, ethical, and legal concerns regarding biological factors and drug treatment are discussed, along with the risks and benefits of drug therapies. Cultural and ethical concerns are emphasized throughout.

PSYCH 551
Theories II: Buddhist-Inspired Evidence-Based Practice (3 units)
Prerequisite(s): PSYCH 531
A follow-up course to PSYCH 531, designed to expand students’ knowledge and experiences in counseling and helping skills.

PSYCH 556
Marriage & Family Therapy II: Couples (3 units)
Prerequisite(s): PSYCH 536
A continuation of PSYCH 536, expanding students’ systemic understandings of the major models of couples and family therapy.

PSYCH 600
Group Psychotherapy (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology or Buddhist chaplaincy
Provides a broad clinical understanding of group development, dynamics, and counseling theories. Group leadership styles are discussed in addition to basic and advanced group counseling methods and skills. Reviews several different approaches to conducting group counseling. Cultural/ethical issues and limitations are also discussed.

PSYCH 602
Advanced Couples Counseling (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Offers and in-depth look at the current modalities of couples counseling including process and outcome effectiveness studies, as well as advanced assessment and intervention techniques. Cultural and ethical issues will also be discussed throughout.

PSYCH 604
Advanced Child & Adolescent Interventions in Therapy (3 units)
Prerequisite(s): PSYCH 531
Offers an in-depth look at the various theories, assessment, and intervention techniques specific to child and adolescent populations, including play therapy. Culture and legal/ethical issues are also discussed.

PSYCH 607
Advanced Seminar in Culture & Psychotherapy (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Advanced seminar to expand and deepen awareness, knowledge, and skills in multicultural MFT competency and sensitivity, with a particular focus upon psychotherapeutic processes honoring diverse identities and experiences, including race, ethnicity, class, spirituality, sexual orientation, gender, and disability.
PSYCH 614
Religion & Psychology Seminar (3 units)
Prerequisite(s): none
Examines spiritual and religious experience utilizing psychological methods and theories, including a study of the integration of spirituality and psychology as seen in counseling practice. Topics include psychosocial development, death, conversion, mysticism, morality, guilt, mental health, wellness, coping, and counseling strategies.

PSYCH 617
Application of Mindfulness in Western Therapy (3 units)
Prerequisite(s): none
A comprehensive introduction to the concept of mindfulness and its influence on Western psychotherapeutic research and practice. Also reviews the historical and contemporary literature on the efficacy and effectiveness of mindful-based therapeutic approaches on the process and outcome of treatment. Cultural issues and limitations are discussed.

PSYCH 623
Poverty, Dislocation, & Stigma (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Seminar on the impact of poverty, deprivation, dislocation, social stress, and stigma upon mental health and recovery, with a focus upon culturally congruent therapeutic orientations and interventions.

PSYCH 633
Sex, Sexuality, & Gender (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Seminar on human sexuality: the physiological, psychological, and sociocultural variables associated with sexual identity and sexual behavior, with an emphasis upon sexual dysfunctions.

PSYCH 643
Trauma & Resiliency (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Seminar on community disaster and trauma response, emphasizing developmental and multigenerational effects of trauma, and resiliency models for recovery.

PSYCH 650
Directed Research (3 units)
Prerequisite(s): PSYCH 501; department chair & instructor approval
Hands-on experience with the research process; from investigating research questions, writing literature reviews, designing studies and analyzing results, as well as interpreting results and discussing the related implications.

PSYCH 651
Buddhist Psychology & Addiction (3 units)
Prerequisite(s): 18 units of graduate coursework in psychology
Examines the theories, etiology, assessment, diagnosis, and treatment of alcohol and substance use disorders and addiction through the lenses of resiliency, recovery, medical, and Buddhist psychology models, with special attention to co-occurring disorders.

PSYCH 696
Special Topics (3 units)
Prerequisite(s): department chair approval
Study of a Buddhist and/or multicultural topic in psychology. Topics are announced each semester.

PSYCH 699A
Thesis (3 units)
Prerequisite(s): Completion of all course requirements. Chair’s approval required.
Hands-on research experience where the student serves as the principal investigator responsible for identifying an appropriate research question, drafting the literature review, designing and analyzing results, as well as interpreting results and related implications. May be repeated once. Units are not applicable to graduation. Pass/No Pass only

PSYCH 699B
Comprehensive Exam (0 units)
Prerequisite(s): department chair and advisor approval. Student must be in final semester. Completed in final semester. Required for graduation unless thesis option is approved. Pass/No Pass only
PSYCH 700
Practicum in Buddhist/Multicultural Counseling Psychology (3 units)
Prerequisite(s): 18 units and chair’s approval
Hands-on clinical experience with a focus on multicultural psychotherapy theory and related interventions. Students develop personal and professional skills through individual and/or group supervision at their practicum site, discussing clinical cases and professional issues in the training seminar, working with clients individually and in groups, and connecting clients to the community. Coursework focuses on clinical group consultation, assessment, case conceptualization, intervention, self-of-the-therapist, and self-care.
Permission is required and arrangements must be made to obtain an approved practicum placement within the community that provides quality supervision and training.
PSYCH 700 and 710 must be taken in consecutive semesters.
Pass/No Pass only

PSYCH 702
Intersession Practicum (1 unit)
Prerequisite(s): 18 units and chair’s approval
Fulfills BBS guidelines requiring that students seeing clients are enrolled in a supervised practicum with no break in excess of 90 days. Provides required instructor contact, feedback, and supervision/consultation during the summer break.
Pass/No Pass only

PSYCH 710
Advanced Practicum in Buddhist/Multicultural Counseling Psychology (3 units)
Prerequisite(s): PSYCH 700
Provides continued support for students’ hands-on clinical experience. PSYCH 700 and 710 must be taken in consecutive semesters.

PSYCH 712
Continued Practicum (3 units)
Prerequisite(s): PSYCH 710
Provides continued support for students’ supervised clinical experience beyond the 6 units required for graduation. Units do not count toward graduation. Psych 712 may be taken twice.
Pass/No Pass only

PSYCH 715
Continuous Enrollment Research (1 unit)
Prerequisite(s): department chair approval
Course required for graduate-level students who no longer need courses but must remain in continuous enrollment each semester until completion of exam, thesis, etc. Units are not applicable to graduation.
Pass/No Pass only

Religious Studies

REL 505
Women in Buddhism (3 units)
Prerequisite(s): none
History of women in Buddhism, including their roles, status, education, value, and leadership. The course examines changes in the status of Buddhist women over time and examples of the female sacred and of women regarded as exemplary models.

REL 515
Religions of India (3 units)
Prerequisite(s): none
Examines and compares the Brahmanic/Hindu and Sramana/Samana traditions of India from the earliest accounts up to the present. Buddhism and Jainism are viewed as heterodox traditions against the backdrop of the Vedic practices as well as the revival/continuation of pre-Aryan beliefs and practices.
REL 521
Buddhist Meditation Practicum (3 units)
Prerequisite(s): none
Lab-comparable component to the study of Buddhist meditation, providing a hands-on approach to understanding traditional and/or contemporary methods of mental cultivation in a live setting.
Pass/No Pass only

REL 530
Topics in Buddhist Meditation (3 units)
Prerequisite(s): REL 600
Buddhist approaches to and paradigms of meditation and the training of the mind. Discusses theories and practices of mental developments across different Buddhist traditions, with special emphasis on how these practices pertain to foundational Buddhist teachings.

REL 540
Buddhist Hermeneutics (3 units)
Prerequisite(s): REL 600 & 601
Examines the methods that Buddhists have developed for the interpretation of sutras. Students are also introduced to modern historical and literary approaches to criticism and their application to Buddhist texts.

REL 545
Sacred Time & Sacred Space in the History of Religions (3 units)
Prerequisite(s): none
Explores two fundamental ways in which human beings have provided structure and order for their lives, by distinguishing between sacred time and sacred space, exemplified in Australian religions, Judaism, Christianity, Hinduism, and Buddhism.

REL 592
Myth & Mythology (3 units)
Prerequisite(s): none
Explores the nature and function of myths and mythology in the history of religions with a focus on mythical expressions of a variety of themes, such as origin of the universe, origin of humans, death, evil and suffering, time and eternity, salvation.

REL 595
Advanced Religious Studies Work Experience (1-3 units)
Prerequisite(s): Approval of advisor/department chair
For students who wish to augment their graduate studies with specialized training and/or experience outside the university in their own field of study. Work experience must have significant bearing on the professional goals of the student and must be in addition to the student’s regular commitment.
Pass/No Pass only

REL 599
Directed Reading & Research (3 units)
Prerequisite(s): Completion of 9 units at the graduate level
A directed reading and research course for graduate students of Religious Studies. Enrollment requires the consent of the supervising professor. A paper is required. A maximum of 3 units may be taken in a semester. REL 599 may be taken a maximum of two times for credit with approval.
Pass/No Pass only

REL 600
History & Theory of the Study of Religion (3 units)
Prerequisite(s): none
Exploration of the various ways in which scholars have approached religious practice and thought within the traditions and within the academic community. Religion is examined in relation to cross-cultural studies as well as the competing claims of objective data and subjective awareness.

REL 601
Seminar: Historical & Textual Methodologies (3 units)
Prerequisite(s): none
Examines the nature and function of history and hermeneutics within religious traditions and modern critical theory. Covers methods of historical research and scripture criticism, their value, and their limitations.
REL 603
Philosophy of Religion Seminar (3 units)
Prerequisite(s): REL 600
Surveys issues in the philosophy of religion, including the nature of religion, the relation of philosophy to religion, the nature of religious language, problems of the verification of religious beliefs, and the interpretation of religious experience.

REL 607
Research Methods (3 units)
Prerequisite(s): none
Develops skills essential for engaging in research at the doctoral level and beyond. Students are taken through the process of writing a research paper, from choosing and developing a topic, locating and engaging with source materials, and crafting an argument, to the review, revision, and presentation of research results. Library-based and electronic resources, as well as relevant software applications are introduced.

REL 610
Seminar: Religion & Ethics (3 units)
Prerequisite(s): REL 600
Examines the relationship of religion and ethics and of religious issues in ethics.

REL 622
Developments in Buddhist Philosophy (3 units)
Prerequisite(s): REL 600
Conducts philosophical and critical analysis of Buddhist thought, including topics such as philosophical justification and/or critiques of Buddhist ideas, Buddhist epistemology, ontology, and phenomenology, pertaining to the status of knowledge, the person, reality, and the connection of soteriology (liberation/ultimate freedom) with the above.

REL 627
Buddhism & Ritual (3 units)
Prerequisite(s): REL 600
Explores the role of ritual within Buddhism, with an emphasis on the Buddhist traditions of East Asia and Tibet. General aspects of Buddhist ritual are examined, in addition to specific categories of ritual practice within different Buddhist traditions. Students are also familiarized with some of the most prominent theoretical frameworks and methodologies for understanding and analyzing religious ritual. Readings include primary sources, secondary scholarship, and theoretical readings.

REL 630
Seminar: Buddhist Texts in Canonical Languages (3 units)
Prerequisite(s): REL 600 and proficiency in given language
A study of selected texts in Pali, Sanskrit, Classical Chinese, or Tibetan, supplemented with relevant secondary scholarship. Topic to be announced each semester. Course may be taken a maximum of three times for credit with advisor approval.

REL 636
Seminar: Buddhist Texts in Translation (3 units)
Prerequisite(s): REL 600
Analysis and close reading of one or more Buddhist literary works in English translation, supplemented with relevant secondary scholarship. Topic to be announced each semester. Course may be taken a maximum of three times for credit with advisor approval.

REL 639
Topics in the Study of Religion (3 units)
Prerequisite(s): REL 600
Seminar in special area of interest in religious studies. Topic to be announced each semester. Course may be taken a maximum of three times for credit with advisor approval.

REL 640
Topics in Comparative Religion (3 units)
Prerequisite(s): REL 600
Comparative study of a religious concern or topic and examination of theoretical issues that emerge in comparative work. Topic to be announced each semester. Course may be taken a maximum of three times for credit with advisor approval.

REL 641
Topics in Buddhist Studies (3 units)
Prerequisite(s): REL 600
Seminar in special area of interest in Buddhist Studies. Topic to be announced each semester. Course may be taken a maximum of three times for credit with advisor approval.
REL 645  
**Seminar: Regional Buddhist Traditions (3 units)**  
Prerequisite(s): REL 600  
A regional study of Buddhism and Buddhist traditions. Regional focus is announced each semester and may include India, Southeast Asia, Central Asia, and East Asia. Course may be taken a maximum of three times for credit with advisor approval.

REL 653  
**Vajrayana Buddhism (3 units)**  
Prerequisite(s): REL 600  
Explores the development, literature, and practices of the various types of Vajrayana (e.g. ‘Tantric’ or ‘Esoteric’) Buddhist traditions found historically in India, Tibet, and East Asia.

REL 655  
**Perspectives in the Study of Chan/Zen Buddhism (3 units)**  
Prerequisite(s): REL 600  
Recent developments in the field of Chan/Zen Studies. Emphasis is placed on gaining a critical understanding of the history and context of the Chan/Zen movement through broad readings in current scholarly literature.

REL 657  
**Humanistic Buddhism & Current Issues (1 unit)**  
Prerequisite(s): none  
Study of Humanistic Buddhism in the modern world. Topics to be announced. Students may take this course up to six times.

REL 659  
**Buddhism in the US (3 units)**  
Prerequisite(s): none  
Introduces the history of Buddhism in the US with special attention to key issues and methodological approaches.

REL 660  
**Seminar: Buddhist-Christian Dialogue (3 units)**  
Prerequisite(s): REL 600  
Explores the similarities and differences between Buddhism and Christianity under the guidance of a lecturer in Buddhism and a lecturer in Christianity. Topics covered include God, nirvana, concepts of self, suffering and ethics.

REL 670  
**Spread of Buddhism to Central Asia & China (3 units)**  
Prerequisite(s): REL 600  
Traces the spread of Buddhism from India to Central Asia, particularly into regions in modern-day Pakistan and Afghanistan, over the mountain passes into Central Asia, and eastward to western China. Uses the Silk Road and other trade routes to map the development and spread of Buddhist thought and practice through the cultural and historical context.

REL 690  
**Teaching Practicum (1 unit)**  
Prerequisite(s): Chair’s approval  
Examines practical dimensions of teaching at the college level. Topics to be discussed include syllabus and course development, lecture and assignment preparation, pedagogy, and classroom dynamics. Students also develop a statement of their teaching philosophy. Open to PhD and ThD students only. Credit not applicable to graduation.  
Pass/No Pass only

REL 698A  
**Dissertation Proposal Seminar (3 units)**  
Prerequisite(s): Permission of instructor  
Seminar focused on the development of the PhD dissertation proposal. Topics to be discussed include: selection of the dissertation topic, development of an original argument, situating one’s topic in relation to existing scholarship, and Buddhist-inspired strategies for writing and completing the project. Applicable to doctoral research requirement.  
Pass/No Pass only

REL 698B  
**Dissertation Writing Seminar (3 units)**  
Prerequisite(s): Advancement to Candidacy for the PhD and permission of instructor  
Review and develop strategies for dissertation writing. Topics to be discussed include: Buddhist-inspired strategies for writing and completing the dissertation. Under close guidance, students are expected to complete a solid draft of one chapter of their dissertation. Applicable to the doctoral research requirement; may be taken multiple times.  
Pass/No Pass only
REL 700

Thesis Research (3 units)
Prerequisite(s): Registration in final semester of MA studies
All MA Religious Studies students electing the thesis plan must enroll in this course. Students must maintain their enrollment by registering for this course each semester until successful completion of their thesis. May be applied to graduation requirements once (3 units) but can be taken twice.
Pass/No Pass only

REL 705

Qualifying Examination Preparation (3 units)
Prerequisite(s): Completion of formal coursework before enrollment.
Individual study for PhD qualifying examination preparation. REL 705 may be taken a maximum of two times with approval. Credit is not applicable to graduation.
Pass/No Pass only

Sanskrit Language

SNSK 500A
First Year Sanskrit I (3 units)
Prerequisite(s): none
Introduction to the devanagari script as well as the phonology, morphology, and syntax of the Sanskrit language with the goal of developing a reading knowledge of Sanskrit.

SNSK 500B
First Year Sanskrit II (3 units)
Prerequisite(s): SNSK 500A
Phonology, morphology, and syntax of the Sanskrit language with an emphasis on reading selected Sanskrit texts.

Tibetan Language

TIB 500A
First Year Tibetan I (3 units)
Prerequisite(s): none
Fundamentals of Tibetan, including recognition and handwriting of 30 Tibetan letters and four vowel symbols, and the methods of pronunciation and rules of spelling.

TIB 500B
First Year Tibetan II (3 units)
Prerequisite(s): TIB 500A
Advanced Tibetan grammar and reading of selected Tibetan literature including folk poems, maxims, and modern literature.
TIB 501A
Second Year Tibetan I (3 units)
Prerequisite(s): TIB 500B
Selected readings of historical documents, letters, and filed documents.

TIB 501B
Second Year Tibetan II (3 units)
Prerequisite(s): TIB 501A
Continuation of upper-level Tibetan. Selected readings from various sources. At the end of the course, students are able to read and translate a sutra.
