

Business Administration Declaration of Concentration

Business Administration Office

1409 Walnut Grove Avenue, Rosemead, CA 91770

phone 626-571-8811

All undergraduate and graduate business administration majors meet with their program advisor to discuss areas of concentration and to complete the *Declaration of Concentration* form.

Students must submit approved form to Registrar's Office for processing.

Changes made after a full year of study will result in a change of catalog year. Refer to the UWest Academic Catalog for details on BA and MBA concentrations.

- **Bachelor of Arts (BA) in Business Administration:** Required. All undergraduates must select one concentration from the list below no later than their fourth semester of study.
- **Master of Business Administration (MBA):** Optional. MBA students may choose to concentrate in one of five MBA concentrations by checking the appropriate box below. Declaration should be submitted no later than entering the third semester of study. MBA students who do not wish to declare a concentration may indicate this below.
- **Certificate Enrollment:** Optional. Students enrolled in a certificate program work with the Department Chair to develop an optional concentration.
