

Use this form to declare an optional minor or concentration. Students must be in good standing to declare a minor; other requirements vary by minor. Refer to the current UWest Catalog for details. Approval by chairs of both major and minor departments is required. After initial selection, any change of concentration will result in a change of catalog year. To change a required concentration in BA English or PhD Religious Studies submit a Program/Concentration Change form.

NOTE: Business Administration students (graduate and undergraduate) do not use this form to declare a concentration within the major. Students submit the Business Administration Declaration of Concentration form.

Name: _____ ID#: _____
Last / Family Name First Name

Current Address: _____

Phone: _____ Email: _____
