

Dream Scholarship 2021-2022

A need-based scholarship for undocumented students

Scholarship Award: \$10,000 per successful applicant

Undocumented students often come from disadvantaged backgrounds and face significant socio-economic challenges accessing and transitioning to college. In recognition of these challenges, University of the West (UWest) has set aside a special institutional scholarship fund aimed to increase undocumented students' participation and success in higher education.

Dream Scholarship is designed for select first-time undocumented students matriculating to UWest. A successful scholarship applicant will be awarded \$10,000 annually for up to four years, or eight semesters. Renewal of the scholarship is not guaranteed but depends on the student's performance and funding availability. The scholarship can be applied toward tuition, mandatory fees, room and board, and other expenses required for attendance at UWest.

Students applying for this scholarship must self-declare the underserved/disadvantaged status during their application process. A maximum 800-word Statement of Underserved/Disadvantaged Status is required in addition to the applicant's family financial data.

Priority is given to graduating high school seniors from local area high schools intending to complete a degree at UWest.

Number of Awards per Year: 3

Maintaining Scholarship:

To maintain the Dream Scholarship while at UWest, students must fulfill the following requirements:

- Uphold UWest values and student conduct standards. (The University reserves the right to disqualify a student from scholarship renewal if that student has been held responsible for serious violations of the UWest Student Conduct Code.)

During the first two weeks of the Spring semester, recipients of the scholarship are reviewed for continued eligibility based on the above-mentioned requirements. Recipients may be disqualified from the scholarship if one or more of these requirements are not met.

Recipients of the Dream Scholarship are entitled to appeal disqualification should they encounter extenuating circumstances. The appeal needs to be submitted to the Financial Aid and Scholarship Committee no later than the beginning of the Spring semester. Each student may qualify for no more than two appeals during their respective course of study. Contact the Financial Aid Office for detailed information.

Scholarship Disbursement:

Disbursement of the Scholarship award is made in two installments, the first in Fall semester and the second in Spring semester. The funds are applied directly to the student's account.
