

MA-MFT April 2026 Lecture Series

April 16: Emotionally Focused Therapy (EFT)

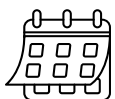

As a certified EFT Therapist and Supervisor, I love helping people experience more success in their relationships. Whether I'm working with an individual or a couple, I help clients develop healthier relationships with themselves, improve their connection with their partners, and become more effective at getting their relational needs met."

MICHELLE CANTRELL
LPCC. FOUNDER &
